▶ SHREE CHANAKYA EDUCATION SOCIETY

The Shree Chanakya Education Society (SCES) was established in February 1994, under the visionary leadership of Dr. Tarita Shankar, with the aim of providing top quality education in the fields of Business Management, International Business, Mass Communication, Pharmacy, Commerce & Science, Architecture & Design, Engg. & IT. By consistently providing quality education over the past few decades, institutes at Indira Group is now considered as one of the best institutes in Pune. At a time when India was struggling to put its economy back on its feet, after the nation having pawned the "family jewels" just to keep afloat, Dr. Tarita Shankar sensed that education too would have to become more broad based and more vocational in nature if India was to stand up to the world competition in quality and price for its products. The then Finance Minister had prescribed for the economy and so, in 1994, began a saga of growth and quality in education, a story that is just reaching its zenith with 14 full-fledged Institutes registering a strong presence on Pune's educational horizon. Since inception, the Institutes managed by SCES, have maintained high academic standards and have successfully provided trained manpower to the industrial and services sector of the country.

These institutes are now listed amongst the top colleges not just in Pune, but also in Maharashtra and India. With a modest strength of 60 students pursuing a single course, SCES has grown steadily and today boasts of 14 Institutes, having more than 10,000 students from all over India pursuing multi-disciplinary, graduate & post-graduate programs. The objective of the institute is 'Management education in a corporate environment', has been possible due to the sincere and dedicated efforts of the members of SCES, who have invaluable experience in varied areas like academics, industry, service and social-world.

ABOUT INDIRA COLLEGE OF COMMERCE & SCIENCE

Under the wings of Shree Chanakya Education Society (SCES), Indira College of Commerce and Indira College of Science were established in the year 2001 which was merged in the year 2007 as Indira College of Commerce and Science. Indira College of Commerce And Science (ICCS) – affiliated to and approved by Savitribai Phule Pune University offers the Bachelor's Program in Commerce, Business Administration & Computer Application, also Bachelor's and Master's program in Computer Science. ICCS has been accredited with 'A' grade by "National Accreditation and Assessment Council" (NAAC) and "Autonomous Status by UGC, New Delhi". The well architected campus is spread over 5 acres with independent departments, spacious classrooms, well equipped library with a vast collection of books, latest journals and periodicals and a huge collection of CD's, laboratory with all new acquainted technical configurations. A well designed auditorium having capacity of 540 persons with all new technical equipment is the main highlight in which various programs i.e. academic and cultural are carried out, hostels for girls and boys having capacity of approximately 690 students.

Sports facilities are also availed by students which comprises of a sports room in which Table Tennis, Carrom, Chess, Archery and various other games are played by students. Extra-Curricular activities which boost the self- confidence of students and bring out the creativity and talent in the students are carried out which comprises of participation of students in various competitions in other colleges. Gusto is a Management, IT Tech & Cultural festival which is full of Energy, Excellence & Power at par with huge number of participants from various colleges. Tech Savvy, an interclass 'C' language programming competition and 'PI Approximation' Day Maths Quiz Competition are observed on 22nd July because PI being roughly equal to 22/7, is organized every year. Co-Curricular activities include National Service Scheme (NSS) whose aim is to strengthen the student interest for rural society as well as participation in social activities that build India.

Aiming high and achieving big is what defines ICCS. True to this, from the academic year 2020-21, ICCS has full filled its long cherished dream of becoming an Autonomous institution, in turn providing a platform to students to pursue such innovative courses as B.Com (Financial Markets), B.Sc.-IT (Specialization in Cyber Security), B.B.A.-Tourism and Hospitality Management, B.C.A- Science and B.A. Humanities. The autonomous status and the proposed courses will not only authenticate the vision and mission of college but will also enhance the quality of education in the light of knowledge explosion and ever changing industry scenario.

VISION & MISSION

VISION

To be a front runner in providing refined education system to create visionary professionals and entrepreneurs enriched with innovation and leadership through integration of teaching and learning, advancement of knowledge, education and research fostering an equitable and productive growth in the complex global society.

MISSION

To foster the success of our students and the community through innovative and flexible learning opportunities resulting in all round development with ability to excel in dynamic global society. To empower all the students to lead productive lives and become contributing members of the community by applying their acquired knowledge and skills. To be the centre of excellence for creating holistic citizens inculcated with ethical, moral and social values in diverse culture. To help prepare outstanding educators and research scholars through advancement in the profession of education focusing on innovative practices and sustainable development programs.

CHAIRPERSON'S MESSAGE

Education is the best friend and it beats the beauty and the youth...

Quoting Shree Chanakya, indeed the world is beholding India's strength in every aspect of development. To enhance this strength, India needs dynamic individuals who would create a niche for themselves in the world arena.

Indians are amongst the most gifted in terms of entrepreneurial capacity and technical skillset. This is an indicator that majority of Indians are occupying sheet anchor roles in the corporate world.

The role of higher education is to motivate and empower students to be lifelong learners, critical thinkers and productive members of a changing global society. In order to channelize this vast reservoir of talent we need to provide the right platform to these budding young learners through world class knowledge from reputed and best organizations. Indira College of Commerce and Science (ICCS) is one of the pioneer colleges that rejuvenates talent through its extensive and analytical approach not only in academics, but also physical, spiritual, holistic and co-curricular activities that are designed exclusively for all round development of the students.

Under the flagship of Shree Chanakya Education Society, Indira College of Commerce and Science (ICCS) is a unique combination of Commerce, Information Technology and Management. Today's aspirants will learn administration and trade practices under Commerce, acquire skills to deliver optimized solutions using technology to real life challenges under Information Technology and synergize innovative and creative practices under Management and become promising professionals.

ICCS added another feather in its cap by becoming autonomous from the academic year 2020-21 and introducing many new and innovative courses such as B.Com (Financial Markets), B.Sc. IT (Specialization in Cyber Security), B.B.A. (Hospitality and Tourism Management), B.C.A (Science) and B.A. (Humanities). The academic autonomy will not only improve the quality of education but will also give a wide array of courses that are resonant with the trends and preferences of students.

I welcome you all to join ICCS and become part of a triumphant group who can take our country to its ultimate aim of being the superpower in the world.

Dr. Tarita Shankar
Chairperson,
Indira Group of Institutes, Pune

GROUP DIRECTOR'S MESSAGE

Dear students, Welcome to Indira College of Commerce & Science!

As you are aware, we have just begun to acclimatize to the changes that our economies and societies have undergone due to digital technologies. Artificial Intelligence is taking over routine information and manual tasks in the workplace, decision makers have to put additional emphasis on qualities that differentiate human workers from AI— creativity, adaptability, and interpersonal skills.

It's a beautiful metaphor for the fact that, no matter how advanced our AI may be, creativity and innovation are merely non-programmable skills; we still need an innovative mind set to make judgments and critical decisions. Any job that requires strategic thinking is likely to be safe, and improving your skills in that area can help robot-proof your job. Activists, entrepreneurs, visionaries, thought leaders, have a distinct advantage over technology in this field, and that isn't going to change any time soon.

I believe the future will not be computer vs. human, but computer plus human. To compete in the next business era, we prepare you for the human skills like communication, strategic thinking, problem-solving, empathy, and creativity.

Maintaining its tradition of ushering new paradigms in education, ICCS in its new academic avatar as an Autonomous institute from academic year 2020-21 is introducing innovative courses in Financial Markets, Cyber Security, Hospitality and Tourism Management, Computer Application and Humanities. The academic autonomy will enhance the quality of education as it offers opportunity to restructure and redesign the courses to suit the local needs and meet the challenging demands of changing scenario in the industry.

Let ICCS show you the way....!

Best Wishes,

Chetan Wakalkar
Group Director,
Indira Group of Institutes, Pune

PRINCIPAL'S MESSAGE

Dear Students !
Welcome to Indira College of Commerce & Science. Under the wings of Shree Chanakya Education Society (SCES), Indira College of Commerce and Indira College of Science was established in the year 2001 which was merged in the year 2007 as **Indira College of Commerce and Science**.

Indira College of Commerce and Science (ICCS) – affiliated and approved by Savitribai Phule Pune University, Pune. ICCS offers the Bachelor's and Master's Program in Commerce, Bachelors in Business Administration & Computer Application, Bachelor's and Master's program in Computer Science. **ICCS has been accredited with 'A' grade by "National Accreditation and Assessment Council" (NAAC) and "Autonomous Status by UGC, New Delhi".**

Ours is an institution of academic excellence and achievement. It is one of the best colleges in Savitribai Phule Pune University, Pune. At Indira College of & Science, we are imparting higher education to students from different parts of India & abroad. It has always been a very substantial, potent and conscientious task. We all know that students are a great human resource and the role of them in the society is critical for development of a nation. To empower them is to increase their control over the decisions that affect their lives both within and outside their families. It makes them gain greater share of control over resources and it gives them the power of decision making in their families, community, society and nation.

I want that our students should be imparted an all-round education so that they become multidimensional rather than uni-dimensional. In my view, acquiring information is no longer the main focus of education; instead the main aim of education is to build the powers of human mind and spirit. We believe in providing our students an environment, rich in knowledge and supportive for their extra-curricular interests. We aim to evaluate our students on the basis of their physical, mental, social, emotional and intellectual development.

It is wonderful to look back at the last few years, at Indira College of & Science, when there is so much to feel proud of and so much to celebrate. Last few years have been extremely successful and satisfying in terms of accomplishments and accolades in scholastic, co-scholastic and infrastructural development areas.

The phenomenal academic achievements of our students have always added glory to the college by securing high University Ranks. The college has a tradition of excelling in Sports and extracurricular activities, in which our students continue to bring us laurels at the university, zonal and national levels year after year. The success of Indira College of Commerce & Science in all spheres is the combined product of all our little efforts.

I feel proud to acknowledge the contribution of highly qualified, dynamic and multi-talented faculty, non-teaching staff, my students and a very supportive & dynamic management for this. We have to continue to move ahead for producing and maintaining the best. We run several departmental societies and Programmes / Committees which endeavor to enrich the academic and extra-curricular standards of our students. Our teachers work hard throughout the year with the students to provide them high quality educational experience in the form of debates, group discussions, workshops, symposia, seminars, study tours and cultural competitions. Eminent personalities are invited from all walks of life to address our students and expose them to new ideas and thoughts. I strongly believe that-

"All odds, all challenges and all handicaps of life can be overcome with strong determination, persistent hard work, insurmountable patience and unshakeable tenacity."

My best wishes to the new students entering into Indira College of Commerce & Science.

Dr. Prakash Pandare
Principal
Indira College of Commerce and science

MESSAGE BY VICE-PRINCIPAL

Dear Students,

Welcome to Indira College of Commerce and Science (ICCS), a milestone of academic excellence and extracurricular performances which has enlarged and enriched Pune's educational map. As we spanned 25 glorious years of Indira Group of Institutes, our commitment at Indira is to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners prepared to thrive in 21st century. In 25 Years of its reign, ICCS has imparted quality education and holistic development to students. Strong and dynamic entrepreneurs, successful professionals and above all benevolent human beings of India have evolved out of this college.

High Standards and expectations for each student in regard to academic performance, co-curricular participation and responsible citizenship are the foundation of our college. It is with pride that we hold these high standards and ask each of our students to commit to maintain the extra ordinary record of achievement and contribution that has been legacy of ICCS students for the past 25 years.

The college has a distinguishing reputation in the field of sports and cultural activities too. Our students are winning accolades at the state, national and international level both for sports and cultural events. Moreover, discipline, which is a non-negotiable factor of a student's life on our campus inculcates the value of time management, punctuality along with honesty and integrity. Our endeavor is to make students better human beings while they foray into the competitive environment and realize their dreams. Formal education from this college would open new horizons of development and progress for our country. Moreover, ICCS became Autonomous from this academic year. We are launching novel skill oriented courses in Cyber Security, Hospitality and Tourism Management, Financial Markets, Humanities and Computer Applications which will ensure the employability and holistic development of students. These courses will make the students skilled and meet requirements of the industry.

With best Wishes and Blessings for the upcoming session!

Dr. Janardan Pawar
Vice Principal,
Indira College of Commerce and Science

MESSAGE BY VICE-PRINCIPAL

Dear Students,

The recent times are of rapid social and technological changes, due to which there is an increasing need for quality professionals who can provide optimized solutions to real world problems and create new designs and products for the ever changing world.

At Indira College of Commerce and Science we value every individual and it is our aim to provide the best possible academic environment where students can succeed. We are fortunate to have talented, highly committed teaching and support staff who ensure that the learning environment of our students is always the best.

Our mission is to cater to highly competent professionals with wide range of analytic, strategic and leadership skills who are capable of facing the challenges of the changing world. We want our students to become proficient in the latest upcoming trends in Commerce, Management and IT

We make use of Information and Communication Technology to a great extent for the development of foreign languages, soft skills, life skills and technical skills and make our students globally competitive. Our Industry linkages help our students become employable and best entrepreneurs.

We give special care and attention for the students belonging to socially and economically backward classes so as to make them highly competent and skilled professionals. We seek to instill in our students passion for learning that will bring the knowledge and understanding which they will need to make a positive contribution to the global communities.

Moreover, as ICCS became an Autonomous Institute from this academic year, we are launching novel skill oriented courses in Cyber Security, Hospitality management, Finance, Humanities and Computer Applications which will ensure the employability and holistic development of students.

ICCS is a challenging and yet exhilarating place for learning. I warmly welcome you to come and visit to experience for yourself all that our college has to offer. Exciting times are ahead of us and I hope you too can choose to be a part of our persistent success.

116	Paper II	Central Banking
215	Paper III	Banking Law & Practices
216	Paper IV	Monetary Policy
315	Paper V	Foreign Exchange
316	Paper VI	International Finance
415	Paper VII	Recent Advances in Banking and Finance
416	Paper VIII	Project Work/Case Studies

INTRODUCTION TO BBA AND BBA (IB) DEPARTMENT:

The department of Bachelor of Business Administration is one of the splendid and Bachelors of Business Administration in International Business is even edifying constituent units in Indira College of Commerce and Science. BBA was established in the year 2004 and BBA (IB) in 2007 respectively with the objective of producing management professionals of international standards to primarily fulfill requirements of International Markets. The departments are headed by **Dr. Thomson Varghese.** The BBA program at the Indira College of Commerce and Science is ranked 13th all over India in BBA ranking Survey by Times of India in 2019

Course Structure of B. B. A.

B.B.A Sem I
101 Principles of Management
102 Business Communication Skills
103 Business Accounting
104 Business Economics –Micro
105 Business Mathematics
106 Business Demography
107 Online Certification Course

B.B.A Sem III
301 Family Business Management
302 Supply Chain Management.
303 Event Management
304 Business Economics (Macro)
305 Specialization I -Theory
306 Specialization II -50 marks
307 Ability Enhancement Compulsory

B.B.A Sem V
501 Research Methodology
502 Agri Business Management.
503 Business Ethics
504 Strategic Management.
505 Specialization V
506 Specialization VI

B.B.A Sem II
201 Business Organization and System
202 Principles of Marketing
203 Principles of Finance
204 Basics of cost accounting
205 Business Statistics
206 Fundamentals of computers
207 Online Certification Course

B.B.A Sem IV
401 Entrepreneurship Development
402 Import and Export Procedure.
403 Managerial Economics
404 International Business
405 Specialization III –Theory
406 Specialization IV
407 Skill Enhancement Course

B.B.A Sem VI
601 Essentials of Ecommerce
602 Management Information System
603 Business Planning and Project Management
604 Management of Creativity
605 Specialization -VII
606 Specialization IV

Course Structure of B. B. A. (IB)

B.B.A. (IB) Sem I
101 Principles of Management
102 Business Communication Skills
103 Business Accounting
104 Business Economics –Micro
105 Business Mathematics
106 Business Demography
107 Online Certification Course

B.B.A. (IB) Sem III
301 Elements of Human resources Management
302 International Agriculture Business
303 International Services Management.
304 International Economics (Global)
305 Foreign Language (I)
306 Management Information System
307 Ability Enhancement Compulsory Course, Environmental Awareness

B.B.A. (IB) Sem V
501 International Relations
502 Strategic Management
503 Business Reporting and Analysis.
504 Supply Chain Management
505 Specialization I
506 Specialization II

B.B.A.(IB) Sem II
201 Basics of cost accounting
202 Origin and development of Global Business
203 Commercial Geography
204 Principles of Marketing
205 Business Statistics
206 Fundamentals of computers
207 Online Certification Course

B.B.A. (IB) Sem IV
401 International Financial Management
402 Import and Export Procedure.
403 Production and Operations
404 Business Ethics
405 Foreign Language (II)
406 Research Methodology
407 Skill Enhancement Course(30 hours)

B.B.A. (IB) Sem VI
601 Essentials of E commerce
602 International Business Law
603 International Project Management
604 Management of Creativity
605 Specialization III
606 Specialization IV

INTRODUCTION TO BBA-COMPUTER APPLICATION (FORMER BCA) DEPARTMENT :

BBA (CA) is a full time degree course affiliated to Savitribai Phule Pune University and Headed by **Mr. Shivendu Bhushan.** It was established in June 2004 in Inidra College of Commerce and Science. The objective of the program shall be to provide sound academic base from which an advanced career in Computer Application can be developed. Conceptual grounding in computer usage as well as its practical business application will be provided. After completion of BCA from Indira College students will be acquainted with IT technology so that can be easily absorbed in IT industry.

Course Structure of BBA-CA

B.B.A. - CA Sem I

CA-101	Business Communication
CA-102	Principle of Management
CA-103	C Language
CA-104	Database Management System
CA-105	Statistics
CA-106	Computer Laboratory Based on 103 &104 (2 credits each)
1	ADD-On (PPA) (30 Hours)

B.B.A. - CA Sem II

CA-201	Organization Behavior & Human Resource Management
Ca202	Financial Accounting
CA-203	Business Mathematics
CA-204	Relational database
CA-205	Web Technology HTML-JS-CSS
CA-206	Computer Laboratory Based on 204 & 205(2 credits each)
2	ADD-On (Advance C) (30 Hours)

B.B.A. - CA Sem III

CA-301	Digital Marketing
CA-302	Data Structure
CA-303	Software Engineering
CA-304	Angular JS **OR** PHP
CA-305	Big data **OR** Block chain
CA-306	Computer Laboratory Based on 302 304 and 305 (2 credits each)
3	Environment Awareness

B.B.A. - CA Sem IV

CA-401	Networking
CA-402	Object Oriented Concepts Through CPP
CA-403	Operating System
CA-404	NODE JS **OR** Advance PHP **OR** Hadoop
CA-405	Project
CA-406	Computer Laboratory Based on 402,404 (2 credits each)
4	ADD-On (30 Hours)

B.B.A. - CA Sem V

CA-501	Cyber Security
CA-502	OOSE
CA-503	Core Java
CA-504	Mongo DB **OR** Python
CA-505	Project
CA-506	Computer Laboratory Based on 503 and 504(2 credits each)
5	Add on Course-IOT(30 Hours)

B.B.A. - CA Sem VI

CA-601	Recent Trends in Information Technology(Tutorial/Assignment)
CA-602	Software Testing
CA-603	Advanced Java
CA-604	Android Programming OR Dot Net framework
CA-605	Project
CA-606	Computer Laboratory Based on 603 and 604(2 credits each)
6	Add on Course-Soft skills training

INTRODUCTION TO COMPUTER SCIENCE DEPARTMENT :

The department of Computer Science is one of the motive constituent units in Indira College of Commerce and Science. It was established in year 2001 with the objective of producing IT professionals of international standards and to primarily fulfill the requirements of booming IT industry and develop researchers.

The department is headed by **Dr. Janardan Pawar**. The department offers an undergraduate program B.Sc. (Computer Science) and a post graduate program M.Sc. (Computer Science).

Course Structure of B.Sc - CS

Sem I

Code	Subject
CS-111	Problem Solving using Computer and 'C' Programming
CS-112	Database Management Systems
CS-113	Practical course based on CS-111 and CS-112
MTC-111	Mathematics - I: Matrix Algebra
MTC-112	Mathematics - II: Discrete Mathematics
MTC-113	Mathematics - III : Mathematics Practical based on MTC-111 & MTC-112
ELC-111	Electronics - I :Semiconductor Devices and Basic Electronic Systems
ELC-112	Electronics - II: Principles of Digital Electronics
ELC-113	Electronics -III : Electronics Practical based on ELC-111 & ELC-112
CSST-111	Statistics - I : Descriptive Statistics I
CSST-112	Statistics - II :Mathematical Statistics
CSST-113	Statistics - III : Statistics Practical based on CSST-111 & CSST-112

Sem II

Code	Subject
CS-121	Advanced 'C' Programming
CS-122	Relational Database Management Systems
CS-123	Practical course based on CS-121 and CS 122
MTC-121	Mathematics - I:Linear Algebra
MTC-122	Mathematics - II: Graph Theory
MTC-123	Mathematics - III : Mathematics Practical based on MTC-121 & MTC-122
ELC-121	Electronics - I :Instrumentation System
ELC-122	Electronics - II: Basics OF Computer Organization
ELC-123	Electronics -III : Electronics Practical based on ELC-121 & ELC-122
CSST-121	Statistics - I : Methods Of Applied Statistics
CSST-122	Statistics - II :Continuous Probability Distributions and Testing of Hypothesis
CSST-123	Statistics - III : Statistics Practical based on CSST-121 & CSST-122

Sem III

Code	Subject
CS-231	Data Structures and Algorithms - I
CS-232	Software Engineering
CS-233	Computer Science Practical based on CS-231 and CS-232
MTC-231	Group Theory
MTC-232	Numerical Analysis
MTC-233	Mathematics Practical based on MTC 231 and MTC-232
ELC-231	Microcontroller Architecture & Programming
ELC-232	Digital Communication and networking
ELC-233	Electronics Practical based on ELC-231 and ELC-232
AECC-I	Environment Science - I
AECC-II	Language Communication - I

Sem IV

Code	Subject
CS-241	Data Structures and Algorithms - II
CS-242	Computer Networks - I
CS-243	Computer Science Practical based on CS-241
MTC-241	Calculus
MTC-242	Operations research
MTC-243	Mathematics Practical based on MTC-241 and MTC-242
ELC-241	Fundamentals of Technology System using Raspberry Pi
ELC-242	Wireless Communication and Internet of Things
ELC-243	Electronics Practical based on ELC-241 and ELC-242
AECC-III	Environment Science - II
AECC-IV	Language Communication - II

Sem V

Code	Subject
CS-351	Operating Systems - I
CS-352	Computer Networks - II
CS-357	Computer Science Practical based on CS-351
CS-353	Web Technologies - I
CS-354	Foundations of Data Science
CS-358	Practical course based on CS- 353
CS-355	Object Oriented Programming - I(Core Java)
CS-356	Theoretical Computer Science and Compiler Construction - I
CS-359	Practical Course based on CS-355
CS-3510	Python Programming / R Programming
CS-3511	Open Elective

Sem VI

Code	Subject
CS-361	Operating Systems - II
CS-362	Software Testing
CS-367	Practical course based on CS-361
CS-363	Web Technologies - II
CS-364	Data Analytics
CS-368	Practical course based on CS-363
CS-365	Object Oriented Programming - II (Advanced Java)
CS-366	Theoretical Computer Science and Compiler Construction - II
CS-369	Practical Course based on CS-365
CS-3610	Mobile Application Development OR Software Testing Tools
CS-3611	Project OR Open Elective

Course Structure of M.Sc -CS

Sem I

Code

CSUT111	Paradigm of Programming Language
CSUT112	Design and Analysis of Algorithms
CSUT113	Database Technologies
CSDT114A	Cloud Computing
CSDP114A	Cloud Computing Practical
	OR
CSDT114B	Artificial Intelligence
CSDP114B	Artificial Intelligence Practical
	OR
CSDT114C	Web Services
CSDP114C	Web Services Practical
CSUP115	PPL and Database Technologies Practical

Sem II

Code	Subject
CSUT121	Advanced Operating System
CSUT122	Mobile Technologies
CSUT123	Software Project Management
CSDT124A	Project
CSDP124A	Project Related Assignments
	OR
CSDT124B	Human Computer Interaction
CSDP124B	Human Computer Interaction Practical
	OR
CSDT124C	Soft Computing
CSDP124C	Soft Computing Practical
CSUP125	Practical on Advanced OS and Mobile Technologies

Sem III

Code	Subject
CSUT231	Software Architecture & Design Pattern
CSUT232	Machine Learning
CSUT233	Evolutionary Algorithm
CSDT234A	Big Data
CSDP234A	Big Data Practical
	OR
CSDT234B	Web Analytics
CSDP234B	Web Analytics Practical
	OR
CSDT234C	Project
CSDP234C	Project Related Assignments
CSUP235	Practical on Software Architecture and Design Pattern and Machine Learning

Sem IV

Code	Subject
CSUIT241	Industrial Training and Institutional Project

Proposed Courses

Course Structure of B.Com. - Financial Markets

Sem I

Code	Subject
COBFM101	Financial Accounting
COBFM102	Business Economics- Micro
COBFM103	Applied Mathematics
COBFM104	Business Environment & Introduction to Financial System
COBFM105	Banking Operations & Merchant Banking
COBFM106	Business Communication-1
COBFM107	English-1 (Language)
COBFM108	Physical Education

Sem II

Code	Subject
COBFM201	Corporate Accounting
COBFM202	Organizational Behavior
COBFM203	Business Statistics- Basics
COBFM204	Principles of Management
COBFM205	Mutual Fund management
COBFM206	Business Communication-2
COBFM207	English-2 (Functional)
COBFM208	Environment Science

Sem III

Code	Subject
COBFM301	Management Accounting
COBFM302	Commercial Law-1
COBFM303	Business Economics- Macro
COBFM304	Money Market
COBFM305	Equity Market

Optional group (any one of the following)

Code	Subject
COBFM306A	Financial Systems & Institutions OR
COBFM306B	Financial Services
COBFM307	Add on Course (GST) or any other course of same duration
COBFM308	Add on Course Disaster Management or any other course of same duration

Sem IV

Code	Subject
COBFM401	Corporate Restructuring
COBFM402	Venture Capital & Private Equity
COBFM403	Strategic Corporate Finance
COBFM404	Debt Market

Optional group (any one of the following)

Code	Subject
COBFM405A	Financial Advisory & Personal Planning OR
COBFM405B	Marketing for Financial Services
COBFM406	Computer Application in Finance
COBFM407	Add on Course (Income Tax) or any other course of same duration
COBFM408	Add on Course Aptitude and logical reasoning or any other course of same duration

Sem V

Code	Subject
COBFM501	Advanced Accounting
COBFM502	Economics for Finance
COBFM503	Commercial Law- 2
COBFM504	Commodity Market

Optional group (any one of the following)

Code	Subject
COBFM505A	International Finance OR
COBFM505B	International Financial Management
COBFM506	Research Methodology
COBFM507	Financial Journalism or any other course of same duration
COBFM 508	Add on Course Digital Marketing or any other course of same duration

Sem VI

Code	Subject
COBFM601	Technical Analysis
COBFM602	Financial Derivatives
COBFM603	Commodity Derivatives
COBFM604	Treasury Management

Optional group (any one of the following)

Code	Subject
COBFM605A	Investment Management OR
COBFM605B	Security Analysis & Portfolio Management
COBFM606	Project Work (Internship/ survey/ Visit etc)
COBFM607	Add on Course: A course in insurance or any other course of same duration

Course Structure of BA

Sem I

Code	Subject
BAG101	Basic English I
BAG102	Political Science (Introduction to Indian Constitution - I)
BAG103	Economics (Micro 1)
BAG104	History (Ancient India I)
BAG105	Introduction to Sociology

Optional group (any one of the following)

Code	Subject
BAG106A	Additional English
BAG106 B	Marathi
BAG107	Physical Education

Sem II

Code	Subject
BAG201	Basic English II
BAG202	Political Science (Introduction to Indian Constitution -II)
BAG203	Economics (Micro II)
BAG204	History (Ancient India II)
BAG205	Sociology: Social Institutions and Change

Optional group (any one of the following)

Code	Subject
BAG206A	Additional English
BAG206B	Marathi
BAG207	EVS

Sem III

Code	Subject
BAG301	Intermediate level English I
BAG302	Political Science (Basic Concepts of Political Theory)
BAG303	Economics (Macro I)
BAG304	History (Medieval India I)
BAG305	Sociology (Indian Society: Issues and Problems I)
BAG306	Soft Skills
BAG307	Content Writing

Sem IV

Code	Subject
BAG401	Intermediate Level English II
BAG402	Political Science (International Relations & Politics)
BAG403	Economics (Macro II)
BAG404	History ((Medieval India II)
BAG405	Sociology (Indian Society: Issues and Problems II)
BAG406	Aptitude & Logical Reasoning
BAG407	Disaster management

Sem V

Code	Subject
BAG501	Advance English I
BAG502	Political Science (India's Foreign Policy)
BAG503	Economics (Indian Economy)
BAG504	History (Modern India I)
BAG505	Sociology (Population and Society)
BAG506	Basics of Computers (Information technology)
BAG507	Cyber Security

Sem VI

Code	Subject
BAG601	Advance English II
BAG602	Political Science (Introduction to Indian Administration)
BAG603	Economics (International Economics)
BAG604	History (Modern India II)
BAG605	Sociology (Crime and Society)
BAG606	Research Methodology & project

Course Structure of BBA-Hospitality and Tourism Management

Sem I

Code	Subject
101	Principles of Management and Organization Behavior
102	Principles of Marketing
103	Business Mathematics
104	Geography For Tourism
105	Accounting For Tourism and Hospitality
106	Business Communication
107	Online Certification Course

Sem II

Code	Subject
201	Managing Human Resource
202	Financial Management for Hospitality
203	Services Marketing
204	Business Statistics
205	Introduction to Hospitality & Tourism
206	Information and Communication Technology
207	Online Certification Course

Sem III

Code	Subject
301	Personality Development
302	Business and Hospitality Laws
303	Fundamentals of Hospitality
304	Tourism Policy, Planning and Development
305	Indian Culture & Heritage
306	Foreign Language
307	Lab

Sem IV

Code	Subject
401	Strategic Management
402	Facility and Security Management
403	Food and Beverage Management
404	Front Office and Housekeeping Management
405	Destination Management
406	Foreign Language
407	Lab

Sem V

Code	Subject
501	Tourism Planning and development
502	Travel agency and tour operations
503	Logistics and Supply Chain Management
504	Accommodation Management
505	Tour Guiding and Interpretation
506	Tourist Management
507	Report making

Sem VI

Code	Subject
601	International Hospitality and Tourism
602	Emerging trends in Hospitality and Tourism
603	E-Services
604	Digital Marketing
605	Business planning and Project Management
606	Ecology, Environment and Tourism
607	Project Report

Course Structure of BCA - Science

Sem I

Code	Subject
BCA-101	Computer Hardware & OS Installation
BCA-102	Recent Trends in Computer Science
BCA-103	Internet Programming
BCA-104	Business Communication
BCA-105	Applications of Mathematics
BCA-106	Lab work based on (101 & 103)

Sem II

Code	Subject
BCA-201	Advanced Internet Programming
BCA-202	Computer Organization
BCA-203	C Programming
BCA-204	Software Engineering
BCA-205	Relational Database Management System
BCA-206	Lab work based on 201 & 203 & 205
BCA-207	Mini Project based on 204 and 205

Sem III

Code	Subject
BCA-301	Computer Networks & Network Design
BCA-302	Data Structure using C
BCA-303	Object Oriented concepts & Java Programming
BCA-304	Operating System
BCA-305	Personality Development
BCA-306	Lab work Based on 301 & 302 & 303

Sem IV

Code	Subject
BCA-401	Computer Animation
BCA-402	Ethical Hacking Techniques
BCA-403	Advance Java
BCA-404	Advance. Networking
BCA-405	Industry oriented online courses (2 courses 30 hrs each)
BCA-406	Lab work based on 401 & 402 & 403
BCA-407	Mini Project based on Animation/Internet Programing/java OR 2 case studies on ethical hacking

Sem V

Code	Subject
BCA-501	.Net Programming Language
BCA-502	Python Programming Language
BCA-503	Business Intelligence
BCA-504	Internet Of Things
BCA-505	Project-I
BCA-506	Lab work Based on 501 & 502 & 503

Sem VI

Code	Subject
BCA-601	Computer Gaming (Unity + VFX)
BCA-602	Machine Learning
BCA-603	EVS and social responsibility
BCA-604	Sports/Physical Education
BCA-605	Intellectual Properties Rights
BCA-606	Project-I
BCA- 607	Lab work Based on 601 & 602

Course Structure of B.Sc.-IT (Specialization in Cyber Security)

Sem I

Code	Subject
CS -111	Computer Organization and Architecture
CS -112	Fundamentals of Cyber Security
CS-113	C Programming
CS-114	Database Management Systems
CS-115	C Lab on Linux
CS-116	SQL LAB
CS-117	Skill /Proficiency Development-I

Sem II

Code	Subject
CS-121	Operating System
CS-122	Data Structures using C
CS-123	Mathematics for Cryptography
CS-124	Cyber Law
CS-125	DS using C Lab
CS-126	Linux/Windows Administration Lab
CS-127	Skill /Proficiency Development-II

Sem III

Certificate Course in Hardware Assembling and OS Configuration

The sole objective of this course is to provide extensive knowledge about Hardware Assembling and OS Configuration, which will help the students to use this knowledge for self-employment and to enable learners to develop skills and competencies in computer hardware assembling. This Course will help Students in their day to day life of computer handling and one can also take it as self employment opportunity and can be entrepreneur.

Website Development Certificate Course

The sole objective of this course is to provide extensive knowledge about Website Development, which will help the students to use this knowledge for self-employment and to enable learners to become professional website developers.

Big Data, Hadoop, Hive

Big data refers to large volume of scattered data which needs to be studied for knowledge extraction. Big data is term for data sets that are so large or complex that traditional data processing application software is inadequate to deal with them. Challenges include capture, storage, analysis, search, sharing, transfer, visualization, querying, updating and information privacy.

Indira college is offering big data certification course which will help students to study this advanced topic.

This course will enable the students to learn about mechanisms to store the large volume of data and to extract useful information from it.

Android App Development

Android world is currently under high exploration and development. Indira college of commerce and science is giving students an opportunity of android certification .This will provide students an edge over others when it comes to practical knowledge and also from placement purpose. It will help students to develop apps on their own and be readily self employable.

Microsoft Certifications

Microsoft Technology Associate, Microsoft Office Specialists (MTA-MOS)
Indira college is providing MTA and MOS certification which is based on softwares from Microsoft.

MTA is an entry-level Microsoft certification that validates the fundamental knowledge of those new to IT who need to start building a career in Microsoft technologies. With a modest investment of time and resources, candidates can build foundational understanding in the areas of IT Infrastructure, Database or Development and earn a professional certification.

Tally Certification

Tally is an important tool for any person who belongs to commerce field. To give hands on experience, Indira College of Commerce & Science have started a complete practical course for the students. The college has signed MOU with College of Computer Accountants (CCA) who have long experience in this field. The course is very useful for the students because of practical knowledge from the experts. The course duration is for 45 days in which all the aspects of Tally ERP9 are covered.

Foreign Languages Certification Course

1. French Language, 2. German Language

From the academic year 2018-19, Indira College of Commerce and Science is offering new opportunities to students in learning new languages to become competent in their career. A certificate course in learning German and French language is introduced in order to attain proficiency in language skills for students.

As learning a foreign language is as extraordinary career option, German or French language will help students to add significant value to their career prospects alongside with English language.

AR - VR Certification Course

Indira in association with Anibrain organises certificate programme for UG & PG students covering following topics.
• Story Boarding   • Game Design   • 3D modeling   • VFX
Indira also had such collaboration with them in which a two day workshop has been organized for students of UG from BCS and BBA-CA. Following courses were taught in the workshop.

Financial Analyst and Capital Market Certification Course

Certification course on CFA (Certified Financial Analyst) was organised by BBA and BBA IB Department of Indira College of Commerce and Science. This was organised in collaboration with Elite School of Professional Accountants. Contents of the course involved General Ledger Analysis, Accounts Payable, Accounts Receivable, Bank Reconciliation and Investment and Risk Analysis

Certificate Program in Financial & Capital Markets – Sales and Operations was organised by Indira College of Commerce and Science. This was organised in collaboration with Bombay Stock Exchange Institute Ltd. Contents of the course involved Financial and Capital Markets, Sales Skill Development, Dealers Module and Personal and Professional Development Skills

Location

Indira college of Commerce & Science is situated at Tathwade besides the New Mumbai - Pune Highway in a sprawling and pristine campus providing environment conducive to learning and all round development of students. The college is situated in such an area which is less polluted but is well connected to the main city.

Library

Library of ICCS is equipped to meet essential academic & intellectual needs of the students in various diverse fields. Online access system, e-journals, updated books, novels, spacious reading room provides an atmosphere conductive to study. The library stock consists of more than 18000 books which is regularly updated with changes in curriculum. The library also subscribes all leading newspapers, journals- national & international.

Canteen

The spacious college canteen is an add on, with its delicious & nutritive food at cheaper affordable price for the students. Students orders are catered instantly so that they may not miss out lectures.

Sports Room

The college sports room has facilities like table tennis, chess, carom etc & area for recreational activities. Students are motivated to participate in these indoor sports activities & also represent the college in various intercollegiate sports events.

Hostel

The Hostels are managed centrally under Shree Chanakya Education Society. There are separate hostels for Boys and Girls with common canteen and Gymnasium. Each hostel is supervised by a warden who resides in the hostel. Boy's hostel has a capacity of 200 students at Akshar hostel, R-square Hostel. Girl's hostel has a capacity of 34 students together at Star and Galaxy Hostel. Medical insurance, washing Machines, Recreation facilities like TV, Indoor Games. WiFi facility, Generator Backup et are the facilities provided to the hostel students.

Mrs. Rekha Kadam: 020-66739222
Mr. Sanjay Dixit: 020-66739219
are incharge for the girls & boys hostel respectively.

Auditorium

The institution houses a fully air-conditioned & well equipped Dhruv auditorium. It is an acoustically beautiful, air-conditioned concert hall used both as a theatre space and a multi-purpose facility. Dhruv Auditorium is the largest indoor performance facility at Indira Group of Institutes. It can accommodate an audience of approximately 500. The stage is equipped with a theatrical lighting inventory and a quality sound system for student address and other miscellaneous applications. Light room, Audio room and two changing rooms are available. Moderate space in the Lobby of Dhruv Auditorium is available for receptions.

Basketball Court

Catering to the sports needs of students the college has a basketball court as per the standards. Students are given ample support & time for practice. The college basketball team has represented the college in various intercollege, zonal, national levels.

Gymnasium

Our gymnasium consists of quite sophisticated machines and weights. Adding to it we have team of best trainers who train the students and faculties and are always ready to help or support them in any kind of exercise. Gym opens in early morning and facilities are available till 8 o'clock in the evening.

Incubation Cell

The Incubation cell (IC) addresses development of product/services using upcoming technologies in the Institute which is incubated by budding developers who are the students of ICCS. The Head of Incubation Cell of the Institute appraises each incubation proposal and the business plan based on pre-defined criteria. All the funding for the projects in incubation center are taken care of by the management.

Permitted activities in the IC include product development, product innovations, software testing, simulation and prototyping, pilot experimentation, training and similar other technology related work. One of our major ongoing project is Virtual Reality. In social sciences and psychology, virtual reality offers a cost-effective tool to study and replicate interactions in a controlled environment. Such environment can be utilized in CBSE Schools.

VR simulates real spaces for workplace occupational safety and health purposes, educational purposes, and training purposes. It can be used to provide learners with a virtual environment where they can develop their skills without the real-world consequences of failing.

Computer Lab

Computer labs are a critical resource that nearly everyone in the student body may utilize. ICCS have excellent lab facility for Computer Science student, Mathematics and Electronics oriented study. Computer labs are well equipped spacious, air conditioned and well planned consisting on more than 300 systems. Multimedia kits have also been set up for students to develop their knowledge with creativity. An additional lab has been provided exclusively for developing programming skills.

Smart Class Rooms and E-Notice Boards:

At ICCS, we use physical smart devices to be in tune with the latest technological advancements. Our students are provided with the best of smart classrooms that are ICT enabled. We use E-Notice boards to display information about upcoming and ongoing activities, notices as well as seat numbers of students for examination.

Wi-Fi Facility

Internet connectivity is made available to students laptops via WIFI throughout the campus including the hostels within the campus. The student's laptop needs to be equipped with licensed Operating System & Antivirus software's to avail this facility at no cost. Also the students have to register their laptop with the institute's Server Room and sign the IT access policy of INDIRA to confirm that they follow the rules and regulations stated in the policy while accessing the data.

► EVENTS AT ICCS

PARICHAY 2019:

Parichay 2019 the unique event of ICCS was conducted on 9th September, 2019 for the fresher's of all UG and PG courses. This special event gave all students a chance to connect with indira family members, increase their morale and make the students feel at home who are away from home.

BLOOD DONATION CAMP
The National Service Scheme (NSS) unit of ICCS organized blood donation camp in collaboration with Sassoon General Hospital, Pune on 5th Dec, 2019. There was an overwhelming response from students and staff. 135 bottles were collected in the camp.

SOCIAL RESPONSIBILITY INITIATIVES

At Indira, we believe it is responsibility of each and every student to be sensitive towards environmental and socio economic problems of the nation. Business and society can coexist peacefully only if we all believe in the principal of sustainable development. ICCS Students are encouraged organize and to participate actively in such social events such as - Clean City Initiative, polio dose, samvidhan diwas, woman safety, promoting voters for casting vote etc.

Green India, Clean India mission implemented by ICCS at Pune Airport with coordination with Adar Poonawala Group at Vimannagar, Pune. Eco-friendly Ganesh festival is celebrated by organizing workshop and on the occasion on Anantchaturdashi (Immersion of Idols in River) we have run the ' Donate the Ganesh Idols. About 45,000 Ganesh idols were collected at different ghats of Pavana River in Pune City. E- waste is recycled to Shree recycle'rs, Pune. Indira Group provided the Garbage collection Van to Tathwade village which collects about 4 tonnes of waste on day to day basis.

ALUMNI MEET:

A homecoming event was organized by ICCS for it's alumni of 2015-19 batches. ICCS strongly believes in preserving the valuable relationship between the College and Alumni.

YOGA DAY:

Indira College of Commerce and Science every year celebrates yoga day on 21st June. Every year a renowned person visits the campus and guides faculties as well as students with various styles of yoga including physical postures, breathing techniques and meditation for betterment of body and well as peace of mind.

PI APPROXIMATION DAY :

The celebration of PI day had started 13 years ago and this year too, Pi Day was a successful event with the count crossing 1400 participants.22nd July is celebrated as Pi day to spread the spirit of mathematical thinking and analytical reasoning amongst today's youth. Indira College of Commerce and Science also upholds this day as special and celebrates it through inter college level competition in Mathematics.

TRADITIONAL DAY:

We at Indira College of Commerce and Science respect traditions. In order to celebrate our tradition and well as to strike a balance between work and fun ICCS celebrates traditional day in which students are encouraged to be in the traditional attire so that current generation also knows and get to learn about traditional attires and its importance.

YOUTH PARLIAMENT 2.0 :

Indira College of Commerce and Science, organized "Youth Parliament 2.0" on 19th September, 2019 which was one of the most awaited event in the college after the success of the first Youth Parliament. It was organized in association with **Nehru Yuva Kendra Sangathan** (NYKS), Ministry of Youth Affairs and Sports, Government of India.

Students took their responsibilities as ministers, opposition leaders and speaker and played their respective parts conviction. Critical and current topics, like Abrogation of Section 370, Doctor to Patient ratio, Demonetization, Assam Illegal Immigration with, Farmer Suicides, etc. were discussed and debated.

INDIRA SUSTAINABLE MAHARASHTRA INITIATIVE

Students Admitted in Academic Year 2019-2020

ISMI (Indira Sustainable Maharashtra Initiative) is one of the social initiatives of Indira group. Under this initiative, free education has been provided to the children of farmer in the Maharashtra who committed suicide.

My name is Ganesh Vyankatrao Suryawanshi. Indira College has given me the admission to B.Com in 2019-20. I am very thankful to Tarita Madam , Dr. Janardan Pawar Sir and all teachers for giving me the opportunity to learn. For me it's like a dream to learn in Indira College. Everyone in Indira College is very supportive. The teaching quality and the teaching methods are really very good in Indira. I am very fortunate to be a part of such a great college.

Ganesh Vyankatrao Suryawanshi (FYBCOM)

My name is Namarata Diliprao Range. I have taken admission in Indira College in 2019-20. This is the greatest change in my life. I can go ahead in my life and find something new. The thirst of achieving new life is given to me by Indira College. Indira College is very famous college. I am very happy to join this college. Education system is very good. Staff and teachers are very good. Indira has given me a chance to move forward in my life. I am very much thankful to Indira College.

Namarata Diliprao Range (FYBCOM)

My name is Swati Pandurang Jadhav. I have taken admission in Indira in 2019-20 for B.Com course. This is the biggest chance in my life. I will take full advantage of this opportunity and will move ahead in my life. My experience with the college is very good. Every teacher takes our care like a family member. In India I also got lot of new friends from various other states of India like Kerala, Gujrat, Rajasthan, MP, UP, Assam, Chhattisgarh & Bihar.

Swati Pandurang Jadhav (FYBCOM)

► PLACEMENTS

ICCS extends career guidance, Campus placement which is a gateway to an aspired career and helps the students to become competent in the world of cut-throat competition. At ICCS career services and soft skills development program are provided which enhance potential of students and which creates maximum opportunities for the placement of eligible students in the job market.

Students also participated in various competitions like Maths Aptitude,HTML Coding, Web World, Mock Interview, Quiz Competition, Web Master, Assemble It etc. held in different places like St. Mira's College for Girls , ISSC of SPPU, H. V. Desai College, Modern College of Arts, Science and Commerce etc

▶ RULES AND REGULATIONS

Attendance
The students of INDIRA are required to maintain a minimum of 80% attendance per semester. Any student failing to meet the above standard is liable to get his/her term cancelled and in addition he / she will not be allowed to participate in the Campus Recruitment Programme. Feedback based on a monthly monitoring of attendance helps students maintain the minimum required attendance. The course is strenuous in nature and demands attendance on Sundays too. As such any student willing to put in long hours on a regular basis will be best suited to adapt to the course and derive maximum benefit from it.

Fees
Fees can be paid in two installments, 1st installment at the time of admission confirmation and 2nd installment before 30th September of the same year.

Dress Code
At INDIRA, we believe in inculcating a sense of discipline and belonging among the students by observing a strict dress code. Students are expected to wear formal dress (shirt & trouser for gents; business suits salwar kameez for ladies) throughout the week, except on Saturdays which will be observed as 'casual- day'. On the occasion of guest lectures, seminars, etc. students are expected to be dressed in the INDIRA uniform. A student failing to adhere to the dress code will not be allowed to attend the lectures and will face disciplinary action.

Hostel Rules
The boys and girls Hostels at INDIRA have a set of rules which have to be adhered to strictly by the students. Each hostel is headed by a warden who acts as a facilitator & observer to maintain the discipline in the hostels and ensure its smooth functioning. Students opting to stay in the hostel will have to sign an undertaking in accepting the rules set by the management. Ragging of any type will not be accepted and the concerned students' admissions would be canceled immediately.

Prevention from Ragging
Ragging is an offence at Maharashtra Prohibition of Drug / Ragging Act 1999 and the UGC Policy of ragging amendment 2009. Any student found involving himself or herself shall be dismissed with immediate effect; Such dismissed student shall further not be admitted in any other educational institution for a period of five years from the date of order od such dismissal.

All disputes shall be subject to jurisdiction of Pune courts only.

NOTE: Parents of selected candidates will have to sign an undertaking at the time of admission that their son/daughter will strictly adhere to the Discipline Policy.
