Vision

To be a front runner in providing refined education system to create visionary professionals and entrepreneurs enriched with innovation and leadership through integration of teaching and learning, advancement of knowledge, education and research fostering an equitable and productive growth in the complex global society.

Mission

To foster the success of our students and the community through innovative and flexible learning opportunities resulting in all round development with ability to excel in dynamic global society.

To empower all the students to lead productive lives and become contributing members of the community by applying their acquired knowledge and skills.

To be the center of excellence for creating holistic citizens inculcated with ethical, moral and social values in diverse culture.

To help prepare outstanding educators and research scholars through advancement in the profession of education focusing on innovative practices and sustainable development programs.

Our Inspiration . . .

MAKE CHANGE HAPPEN: DO NOT WAIT FOR CHANGE TO HAPPEN TO YOU

India has come a long way in its economic, social, and political evolution in the short space of 20 years. The geographical landscape, both urban and rural has changed and is unrecognizable from its 20 year vintage. Socially it has changed almost unbelievably to the extent that generation gap is not about between parents and children, but even within the generation. Thus, what a 30 year old has seen in his formative years is a matter of mere hearsay for a 15 year old! This is what evolution is all about and it happens almost imperceptibly. Yet, we must be aware of these changes and evolve along with the times. Else, we risk being stranded between the past and present and lose out on the future!

This is one reason why I have tried to keep pace with the onslaught of time – always ready for its relentless march – yet ensuring that I don't resist it, but adapt to it so that I do not get isolated in a world that has no place for misfits today. The difference between misery and solace, sorrow and happiness is all about how we respond to changes in our lives. Once we learn to understand that change is the only constant and *reconcile* to it, rather than *resign* ourselves to it, we would have won the battle and come out supreme!

My advice to the young in age, and young at heart, always is to learn to make the most of the opportunities for growth which are now available in plenty as compared to a few years ago and to give 'change' a new meaning, by making it happen, rather than allowing it to dictate terms for you to adhere. Experience the immense satisfaction and happiness you get out of being able to successfully negotiate and win over change at every stage of life.

I wish all the best to my young friends.

Dr. Tarita Shankar

Founder Secretary - SCES

Chairperson - Indira Group of Institutes

Principal Address

Pending will wait don't print previous years as it is.

Editorial

“Anubhuti enters into Seventh year with this publication, a budding tender plant flourishing into a self-contending tree grounded firmly into the past and solidifying the future. The NAAC peer team also appreciated editorial team for their creative work which provides platform to staff members and students to showcase their hidden talent. The editorial board like every year went through a stupendous task of selecting and finalizing the best of the best creative material for the magazine. We are overwhelmed with the humongous response both by the students and the staff members with their drafts.

“When you write more and more personal it becomes more and more universal.”

Writing is an act of reacting to the environment around you. An expression is a basic instinct of thoughtful mind and the act of writing is one of the fountain head of ideas that springs into poem or article. The writing comes to life when it meets its reader. Students are most enthusiastic budding creative expressionist who just need a platform to throw their ideas and emotions on the paper. A college magazine is there to capitulate all those expressions for the tasteful readers. “Anubhuti” is one of the most eagerly awaited moment for students, staff and all those associated with Indira family. The college magazine which showcases the literary expressions, social awareness and recognition to all the achievers in the academic and extracurricular activities, strengthens the internal bonding amongst the Indiraites as one family.

We tried our best to accommodate all the deserving articles and poems into the magazine hope this seventh edition of Anubhuti will set the bar higher with its interesting and novel material which will certainly astonish the reader. We would be delighted to receive your valuable feedback for motivation and self-retrospection.

IGI At A Glance

Shree Chanakya Education Society's “Indira Group of Institutes”

Shree Chanakya Education Society (SCES), Pune, was established in 1994, with the explicit vision to provide sustainable impetus to the corporate and entrepreneurial abilities in the youth.

The realization that a robust framework of education is indispensable for the growth of global leaders, the visionary, **Dr. Tarita Shankar**, Chairperson, Indira Group, integrated her pursuit of excellence and articulated educational institutions, known as **Indira Group of Institutes (IGI)**, which imbibe human excellence and demonstrate strong social values, with a single minded pursuit of developing the youth to become business leaders.

Unrelenting initiatives by the management team at Indira led to adding of multi-disciplines such as Management, Information Technology, Pharmacy, Commerce, Science, Engineering, Mass Communication and Architecture to the group. And growth has been as deep as it has been wide. With 14 institutions, IGI now offers education right from Kindergarten to Doctorate level studies. IGI believes in the economic independence of individuals. In this endeavor we aim to inspire our post graduate students to create a niche for themselves in the Indian Economic order first, and then compete globally. We owe our gratitude to the Indian Industry for consistently collaborating with us in this endeavor. Renowned industrialists have visited us and tremendously enhanced the morale of our students by sharing their vast knowledge and experience about entrepreneurial opportunities and foster a spirit of entrepreneurship amongst students.

Having traversed the journey of thirteen years we have ourselves made certain significant achievements which we are aware, are but the building blocks for achieving further heights.

- Indira is ranked amongst the top 2 B-schools in Pune, by the prestigious AIMA - IMJ.
- The same journal gave us a top 30, all India ranking on the parameters of Industry interface.
- Our students have shown good academic results and have been at the level of university ranking.
- The achievements of our students have enabled them to attract some of the best corporate recruiters.
- Indira Group of Institutes and our goodwill has enabled us to establish campus agreement with Microsoft for using different software.
- Our goodwill with Microsoft was further accentuated with Microsoft conducting workshops at Indira, for train the trainer modules.
- Business India has also ranked us amongst the top 3 in Pune for last 2 yrs.
- Our Institutes have received accreditation from various certifying bodies.
- Indira Institute of Management was the first management institute in Maharashtra to receive the accreditation from the NBA, New Delhi.
- We also have our audiovisual centers supported by Harvard Business School, Stanford, Pyramid Media and Tom Peters Company and we have vast collection of titles.

Indira is a group renowned for its commitment to the student – from toddlers to school going children, to undergraduate and postgraduate students – their total development- is it academic, personality, moral character, physical, sports and spiritual, we ensure the children entering our corridors leave as total individuals.

SOCIAL INITIATIVE @INDIRA

INDIRA SUSTAINABLE MAHARASHTRA INITIATIVE (ISMI) LAUNCHED ON 26TH NOVEMBER 2015

Indira Group of Institutes (IGI) under the visionary leadership of its Chairperson, **Dr. Tarita Shankar**, announces its vision – **Indira sustainable Maharashtra Initiative (ISMI)**. IGI will set aside a corpus to help children of the farmers who committed suicide, **by sponsoring their education in undergraduate and post graduate programs at its campuses**. IGI feels that such farmer's children deserve better opportunities to live, hence its decision to help in this way. IGI accolades its Alumni who have taken the decision to support their Alma Mater in supporting this cause by sponsoring part of the education of the farmer's children.

SKIP A MEAL TO EDUCATE IN ASSOCIATION WITH SMILE FOUNDATION

Skip a meal - An endeavour to spread awareness and help the girl child. Indira has strongly believed in inculcating the principles of social responsibility in all our students - this is another important initiative to commemorate 20 years of Indira's journey. Come join us in 'Skipping a meal to educate' the underprivileged girl child.

Significant Achievements :

- ◆ Indira Group of Institute wins laurels at World Education Congress
- ◆ Indira Group of Institutes has bagged awards in multiple categories at the World Education Congress Asia awards ceremony held at Taj Palace in Dubai.
- ◆ The chairperson of Indira Group, Dr. Tarita Shankar, was bestowed with the 'Spirit of Entrepreneur Award'.
- ◆ The institute was presented with two awards, including the 'Best Educational Institute in Management' and 'Educational Institute with Best Infrastructure'.
- ◆ B-SCHOOL WITH BEST INFRASTRUCTURE AND TECHNOLOGY (Indira Group of Institutes, LeMatinal Educational Excellence Awards, Dec 2011)
- ◆ BUSINESS SCHOOL WITH BEST INDUSTRY INTERFACE (Dewang Mehta B-School Awards, Nov 2011)
- ◆ BUSINESS SCHOOL WITH BEST INDUSTRY INTERFACE (2nd Asia Best B-School Awards, July 2011)
- ◆ BEST PLACEMENT BROCHURE (Dewang Mehta B-School Awards, Nov 2011)
- ◆ INNOVATION IN BUILDING ACADEMIC AND INDUSTRY INTERFACE (Indira Group of Institutes, DNA, Innovative, B-School Awards 2011)
- ◆ OUTSTANDING CONTRIBUTION TO HIGHER EDUCATION IN INDIA (2nd Asia Best B-School Awards, July 2011)
- ◆ BEST STUDENT IN MANAGEMENT (Aniruddha A Shahapurkar, Indira Institute of Management Pune, DNA Innovative B-School Awards 2011)
- ◆ ASIA'S BEST EMERGING BUSINESS SCHOOL (2nd Asia Best B-School Awards, July 2011)
- ◆ B-SCHOOL WITH BEST ACADEMIC INPUT(SYLLABUS) IN FINANCE (Dewang Mehta B-School Awards, Nov 2010)
- ◆ ALL INDIA OUTSTANDING B_SCHOOL AWARDS IN THE NON-IIM CATEGORY (Indira Institute of Management, DNA Innovative B-Schools Awards 2011)
- ◆ MOST PREFERRED INSTITUTE ("The Week" Magazine 2010)
- ◆ BEST TEACHER IN FINANCIAL MANAGEMENT (Dr. Shriram Nerlekar, Indira Institute of Management Pune, Dewang Mehta B-School Awards, Nov 2010)
- ◆ B-SCHOOL WITH EXCELLENT INDUSTRY INTERFACE (Dainik Bhaskar B-School Leadership Awards)
- ◆ B-SCHOOL WITH BEST ACADEMIC INPUT(SYLLABUS) IN INTERNATIONAL BUSINESS (Dewang Mehta B-School Awards, Nov 2010)

Indira Group of Institutes Awards

- ◆ 3i Summit and HR Excellence Awards

The “9th Indira International Innovation Summit” and “HR Excellence Awards” was held on 15th Jan 2016. The Innovators, Entrepreneurs and Senior leaders from companies of repute are recognized and awarded for their contribution in their respective fields and inspiring the spirit of innovative thinking.

- ◆ Indira Marketing and Excellence Awards

The Indira Group of Institutes held their tenth edition of its prestigious Indira Marketing and Excellence Awards 2011, in which various corporate organizations and individuals were honored for their outstanding contribution to the fields of marketing and corporate brand building.

ARTICLES SECTION (ENGLISH)

NOT JUST A 'BORING' (!) TRIANGLE

One Saturday afternoon Rima was relaxing with a storybook in her hand. Just then there was a knock on the door...her sister...oops...how could she forget?! She had to find a topic for her little sister's Maths project in her school...

Immediately she sat down in front of her laptop...After some moments of browsing she tried to reflect on what her tutor had told her two days back...

She typed the words in Google search and started reading.....

A simple triangle formation of numbers had such an inside story!!! Who could guess?? She became engrossed totally...

Pascal's Triangle

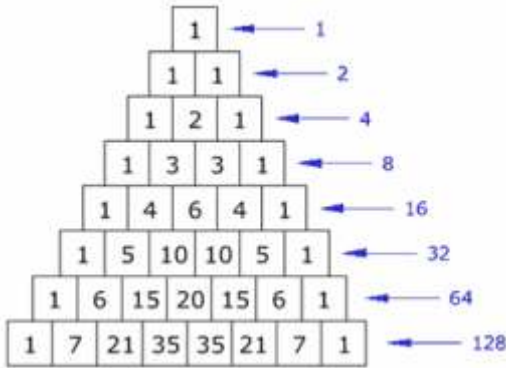

One of the most interesting Number Patterns is Pascal's Triangle (named after Blaise Pascal, a famous French Mathematician and Philosopher).

To build the triangle, start with "1" at the top, then continue placing numbers below it in a triangular pattern.

Each number is the numbers directly above it added together.

(Here I have highlighted that $1+3 = 4$)

Horizontal Sums

What do you notice about the horizontal sums?

Is there a pattern? Isn't it amazing! It doubles each time (powers of 2).

Exponents of 11

Each line is also the powers (exponents) of 11:

- " 11⁰=1 (the first line is just a "1")
- " 11¹=11 (the second line is "1" and "1")
- " 11²=121 (the third line is "1", "2", "1")
- " etc!

But what happens with 11⁵? Simple! The digits just overlap, like this :

The same thing happens with 11⁶ etc.

Rima was thrilled....now she had so much to share with her sister !

But somehow she couldn't stop reading

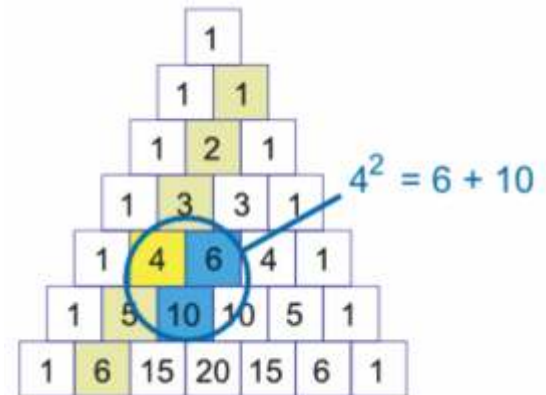

Squares

For the second diagonal, the square of a number is equal to the sum of the numbers next to it and below both of those.

Examples:

- $3^2 = 3 + 6 = 9$,
- $4^2 = 6 + 10 = 16$,
- $5^2 = 10 + 15 = 25$,
- ...

There is a good reason, too ... can you think of it?
(Hint: $4^2 = 6 + 10$, $6 = 3 + 2 + 1$, and $10 = 4 + 3 + 2 + 1$)

Fibonacci Sequence

Try this: make a pattern by going up and then along, then add the values (as illustrated) ... you will get the Fibonacci Sequence.

(The Fibonacci Sequence starts "0, 1" and then continues by adding the two previous numbers, for example $3 + 5 = 8$, then $5 + 8 = 13$, etc)

Symmetrical

And the triangle is also symmetrical. The numbers on the left side have identical matching numbers on the right side, like a mirror image.

Using Pascal's Triangle

Heads and Tails

Pascal's Triangle can show you how many ways heads and tails can combine. This can then show you the probability of any combination.

For example, if you toss a coin three times, there is only one combination that will give you three heads (HHH), but there are three that will give two heads and one tail (HHT, HTH, THH), also three that give one head and two tails (HTT, THT, TTH) and one for all Tails (TTT). This is the pattern "1,3,3,1" in Pascal's Triangle.

Tosses	Possible Results (Grouped)	Pascal's Triangle
1	H T	1, 1
2	HH HT TH TT	1, 2, 1
3	HHH HHT, HTH, THH HTT, THT, TTH TTT	1, 3, 3, 1

Combinations

The triangle also shows you how many Combinations of objects are possible.

A Formula for Any Entry in The Triangle

In fact there is a formula from [Combinations](#) for working out the value at any place in Pascal's triangle:

It is commonly called "n choose k" and written like this:
$$\binom{n}{k} = \frac{n!}{k!(n-k)!}$$

Notation: "n choose k" can also be written $C(n,k)$, nC_k or even ${}_nC_k$.

The "!" is "[factorial](#)" and means to multiply a series of descending natural numbers. Examples:

$$4! = 4 \times 3 \times 2 \times 1 = 24$$

$$7! = 7 \times 6 \times 5 \times 4 \times 3 \times 2 \times 1 = 5040$$

$$1! = 1$$

So Pascal's Triangle could also be an "**n choose k**" triangle like this:
 (Note how the top row is **row zero** and also the leftmost column is zero)

Example: Row 4, term 2 in Pascal's Triangle is "6" ...

... let's see if the formula works:

$$\binom{4}{2} = \frac{4!}{2!(4-2)!} = \frac{4!}{2!2!} = \frac{4 \cdot 3 \cdot 2 \cdot 1}{2 \cdot 1 \cdot 2 \cdot 1} = 6$$

Yes, it works!

This can be very useful Rima thought... she can now work out any value in Pascal's Triangle **directly** (without calculating the whole triangle above it).

Polynomials

Pascal's Triangle can also show you the coefficients in binomial expansion:

Power	Binomial Expansion	Pascal's Triangle
2	$(x + 1)^2 = 1x^2 + 2x + 1$	1, 2, 1
3	$(x + 1)^3 = 1x^3 + 3x^2 + 3x + 1$	1, 3, 3, 1
4	$(x + 1)^4 = 1x^4 + 4x^3 + 6x^2 + 4x + 1$	1, 4, 6, 4, 1
	... etc ...	

The Chinese Knew About It

This drawing is entitled "The Old Method Chart of the Seven Multiplying Squares". It is from the front of Chu Shi-Chieh's book "*Ssu Yuan YüChien*" (*Precious Mirror of the Four Elements*), written in **AD 1303** (over 700 years ago, and more than 300 years before Pascal!), and in the book it says the triangle was known about more than two centuries before that.

Now Rima was very excited...she had so much information to share now with her classmates !!

She browsed on...and got some awesome pictures on this **MAGIC TRIANGLE**..

Pascal triangle

- Pascal's triangle is a number triangle with numbers arranged in staggered rows.
- Pascal triangle is the ideal law of cell division.

The value of True Friendship

It is rightly said that “Man is a Social Animal”. To live and to be accepted in the society he needs to be in contact with other people. He needs to be in relationship with others. And when this contact turns into Friendship, the life takes a different turn

Our Friends change with the changing period of time, but true friendship always live with you till you live. From the time we take birth, we consider our parents to be our greatest friends in our lives. But as we enter the school, the first moment we used to judge a person to be our friend was when he used to share his tiffin and especially when his tiffin had 'Maggi'. That's the point where small children become friends.

But as we move ahead in our life, our thinking towards Friendship takes a Real and Broader sense. We realize that True Friendship is a relationship that can be built only by deep understanding and trust. True Friendship is the only thing in the world which does not judge you by your age or gender or colour. It is only judged by the feeling of respect and trust we have for one another.

True Friends are not only those who consider your happiness as their happiness but they also consider your sorrows as their sorrows. There are times when we get depressed or lose hope due to some failure in our life, but the presence of True Friendship gives us a sense of Motivation and Encouragement. They are the ones who make us realize that Nothing is Impossible. True Friendship is always beautiful only if there is intense trust and understanding. True Friendship does not have anything hidden. True Friends are those who always

share their feeling and problems with each other hoping for some support during their bad times.

There are times when we feel alone and we have no one to support us. But True Friends always be with you even when you feel lonely. It is rightly said that,
“A True Friend is someone who Understands your past, Believes in your future and Accepts the way you are.”

True Friendship bind people in a bond of love and loyalty. True Friendship requires devoting time and patience. There can be disagreement and quarrels, which is natural, but one must have patience to deal with such frustration.

Never rush to make Friends because True Friendship needs a good foundation. We must accept our friends as he/she is. The essence of True Friendship is Sincerity and giving one's self to your friend without expecting anything in return. Friendship is every person's emotional and psychological necessity. You can share your feelings, frustrations and happiness with your friend. By having a true friend, you realize a great difference that whether the world goes against you, but they will always be with you in all times.

A True Friend is happy when his friend is happy. He feels achieved with his friend's accomplishment. They share affection which fill them with positive energy, they spend time thinking about their friends, of who is important for them and how to find ways to help them. And it is rightly said,

***“FAKE FRIENDS leave
When You Cry
But TRUE FRIENDS Cry
When you Leave”***

NSS CAMP - Memorable Days

It all started with a notice telling about NSS Camp ,I am always fascinated about the adventurous and thrilling activities. I didn't wanted to miss this golden opportunity .I immediately reported our NSS officer Mr Dhake Sir and volunteer my name.

NSS means [NATIONAL SERVICE SCHEME] it is basically a silent revolution under 'SERVE SWACH ABHIYAN' encourage the youth about cleanliness and care of nature.

On the day of 6 Feb 2016 our NSS Camp to village' KONDIWADE' begin.it was a mingle of 150 student of all collages across PUNE and NASHIK. Which are affiliated to SPPU.

Village had exceptional beauty of nature.it was on a hilly topography with a lake attached .village was full of harmony and peace But with that village did had many loop holes like it lacked Drainage facility, medical facility, garbage facility, etc.

This time we came with the motto of painting the house in order to make village look beautiful and clean. we all enjoyed this work. With this we also did many recreational activities to Entertain and Educate the village like we use to do Street Plays at night. Connected to the common problems with better solution.

I was also volunteer” TICONDO” training to the fellow children in my free time I guide them about their future opportunity and made them play some Recreation games.

NSS camp was 3 days it ended on 8-feb-2016.on the final day Principal of NESS WADIYA College arrive with other guest to encourage all of us With prize and awards. I got one because of my HARD WORK and DETERMINATION towards the work given.

Coming back is not an easy job as village got connected right to my heart and soul & became an unforgettable event of my life.

Students from Indira College of Commerce & Science represented India in South Korea 2015

The creative bunch of Indira College of Commerce and Science-Komal Chouhan, Aishwarya Wayal, Bhanu Pratap Singh, Shivprasad Maharana from Ryan Dance Studio has made us all proud by representing our country at an International Level in IYF (International Youth Fellowship) South Korea 2015. In spite of having a busy schedule during college they would squeeze in time for their daily practice and the hard work paid off when their group R. D. S got selected amongst many other dance groups who had auditioned to represent India at IYF. Their dream came true when they landed in Korea and performed on 'Desi Beats' in front of the entire world during their 30 days visit. They also travelled through various cities in South Korea and showed them all a glimpse of our colourful nation.

Thoughts

No one has the right to judge us because no one really knows what we have been through - They may have heard about our stories, but They never did once felt what we Felt in our hearts.

When you need "advice" everybody is ready to "Help" you. But, when you need, "help" you. But, when you need, help everybody gives you only "advice".

- Meena Kumawat

(F. Y. BCA)

Gender equality is possible (?)

The division of humanity into male and female is due to natural differentia of 'sex'. This fact is universally true. This natural differentia is very complementary in nature. This arrangement really facilitates the growth of human race. The concept of 'gender' is totally a social construct. 'Sex' is a natural differentia where as 'gender' is outcome of patriarchal orthodoxy receiving religious sanction. If it is 'made' it can be changed.

This argument in the favor of women is necessary as women have suffered the male dominance since ancient ages. If we trace out the historical timeline we get a clear view those women in vedic time posses equal status as of men. But this fact declined as the pointer from timeline moved forward. Now, in today's time it has become really important to bring out equal status for both the 'sexes'. In today'd world men have got an appreciable status but its time to bring out feminism feeling in all men. The religious sanction may bring about subversion of consciousness to perverted thoughts. Hence, the line between public life and religion in private life must be seen clearly as different entities. Hence, the line between public life and religion in private life must be seen clearly as different entities. We always have attributed women as emotional, compassionate, polite, dedicational and all above weak. Thus, there is a great need to change the male mindset in a positive manner. The world has witnessed women of determination, aggression, dominance and leadership skills. Rather looking towards them as exception, a new vision that understands the importance of women as a part of society should be developed. It is the empowerment of women that can change the social construct of 'gender'. This era of globalization has greatly empowered women in every field and boosted their confidence. Government incentives and influence of western culture are inspiring females to become self-dependent. The roots of empowerment must reach up to birth of a female child and must accompany her bringing up. After this implemented empowerment we can visualize a civilization that will endow rightful place to women.

To promote gender equality it is essential to give females a secure platform for their own development. Women are really insecure nowadays and whole world is witnessing it. Today, it is not just about empowerment of women but also requires necessary reforms in male mind set. It may require efforts of generation but its positive outcome has become the need of hour.

For the nation like India - a country full of variety and diversity gender equality is very much important to protect the nation's integrity and also to protect the national interest. For the coming time, the humanity has to concede to what radical feminists say "Woman is not born but she is made!"

- Rajan Kale (F.Y.B.Sc.(c.s.))

Role of Youth in Nations Building

We cannot build the future for our youths, but we can build our youths for the future.

This prevents clearly states that the today's youth is the bright future of our nation. Why the future is in the hands of our youth? The answer is simple. India comprises of nearly 60% of its total population as youths, i.e. citizens ranging from the age group of 14-35 years. Such a vast population of India is in the form of young people and so the role of youth in building a nation shall be significant.

Today's youth is restless, as well as versatile. India being a developing country, if its youths are properly channelised and guided in the right direction. In today's world of technology, there's hardly any field where we youths, haven't entered. Not only entered, but have proven ourselves. I being a teen can sense this. I can explain this with an example : Recently, there was an article published in newspaper stating. A group of 14 years students have invented an application naming 'Pocket Maths'. The students belong to Dnyan Prabodhini School, Pradhikaran. Could you believe this?

India is a democratic country. The young people of India, if properly guided, can bring wonders to this nation; Role of youth in building and sustaining India by all factors is very important. The upcoming generations as well are so fast forward. With their outstanding grasping power, the youth of India can be rightly called as 'The future' of India ahead.

But as we know each and every factor has its own pros and cons. Being intelligent the youth is restless too. They are not form in their decisions and actions and so this can be devastating factor for India. The need is to guide this sparkling diamond in the right direction.

The rold of today's youth in building India is huge, vast Today's youth is more aware of its rights and responsibilities. Unlike the provious generation today's generation is getting educated which is the most crucial factor as to the development of a nation is concerned. They are aware of their rights and object them if they aren't benefited. Previously, the people were unaware of their right and so the crimes were in large numbers. Even today India is not free from crimes, but the youth is raising its voice in large numbers.

Today's youth don't accept the changes made in the economy 'Blindly'. If not satisfied they resist the change. And this characterstic have made several politicians to give up their seats.

Today's generation think before they act and commit to anything, they come across. They oppose without any fear, which is helping in developing our India. But still, its a long journey to go, where youths will eventually be the puremost factor in shaking the Indian economy and personally feel, the youth is marching in the right direction. They are aware of their responsibilities and rider towards India.

Gradually, the previous generation is coming to an end and its the time of our youth to prove themselves and they are working harder every new day. The scanesm scandals and all 'wrong' done by our politicians is slowly getting uprooted and even here our youth is playing a vital role.

Because of such a sparkling youth of India, that day is not far, where we will finally be an independent and a developed nation in all sense.

"Youth is like a hot burning iron, need is to hammer it at the right time."

Chongede Vaibhav, (S.Y.B.com)

The feelings of father when.....!

The feelings of father when, He comes to know he has a daughter child,
 Hot summer also seems to be cold and mild.
 His heart bounces with joy.
 As he never wished to have only a boy.
 His eyes are full of dreams for her,
 and works day and night to secure her future,
 Not only education he also gives her values,
 To live a happy life, those will serve as clues.
 The feelings of father then,
 when his daughter grows up and reaches an age
 When her fathers love for her seems to be a cage.
 She thinks her every decision is right.
 And her conversation with her father always lands up in a fight.
 Her father breaks from inside.
 And all the dreams he saw for his daughter are destroyed.
 He thinks his love and care might have lacked somewhere.
 And so in his daughters life, he stands no where.
 The feelings of daughter when
 She is mistaken and cheated by everyone.
 And realize that her fathers words, emotions were not a thing to make fun.
 She regrets for her behaviour and cries,
 and all her so called friends from her life files.
 She feels alone as there is no one for her pain to share
 Suddenly a sound comes from dark Princess I am your father and for you I am always
 there.
 She runs to him and puts her head into his lap.
 And the great man, hunbly says,
 Oh diar,??? it was just a generation gap.
 He wipes her tears and says,
 I am always there whenever you call,
 I am your father afterall.
 The value of parents love care and affliction
 Cannot be understood by this new generation
 As they are captured in a feeling of aggression
 And so their parents thoughts for them are always a contradiction.
 "Kya karein ye generation bhi na,
 gir gir ke sikte hai."

Roma Mulchandani (F.Y.BSc. (c.s.))

Thal Sainik Camp (TSC) Journey!!!!!!

Hello friends I have got a golden opportunity to share my experience of participation NCC Camp which was held at Pune Headquarters whereas final camp was held in DELHI for the selected cadets from all over MAHARASHTRA am Glad to share with you all that I was One Of the cadet to be selected from overall MAHARASHTRA.

The experience of the participation in this Camp was very wonderful ,though there were many ups and downs which were faced but even this thought me many more things. About the Thal Sainik Camp(TSC) there are seven army subjects which are Obstacle Training, Advanced Riffle Shooting, Map Reading, Health &Hygiene, Judging Distance, Field Signal, Tent-Pitching. These subjects gave a good exposure to learn lot many things about INDIAN ARMY. Apart from the Knowledge I have bagged some of the achievements which will be memorable to me such as I was awarded by the Gold Medal in Health&Hygiene,Gold Medal in Map-Reading In Intergroup Competition Held at PUNE, Gold Medal In Advanced Riffle Shooting at DELHI. Overall it was nice journey....

Last but not the least I want to T H A N K a l l t h e BSC(Computer Science) Faculty, Friends for their tremendous support to achieve this success. Special Thanks to J.P Sir without whom it was not at all possible. Thanks to Anubhuti team also. I wish

more and more juniors join NCC and have a great experience and enlighten our college's name and fame. Glad to be part of Indira and Anubhuti.

The freedom to fail

With so much emphasis on success and testing in today's school culture, a major lesson is being missed in our classroom; the lesson that experiencing failure is an inevitable step on your way to success.

I just wonder about the direction that education is currently taking with the overemphasis on testing and examination success.

We need to consider the fact the key skills that industry and commerce look for are innovation, the ability to take risks and be creative. There is an awareness when a project is started that it may well go wrong. We cannot expect perfection in just one hit... there will be ups and downs and indeed there will be much frustration.... but in the end the process can lead to success.

The present situation is leading to many students who are frightened to fail and this is not a good thing. As I have gone through various books and spoken to corporate people, countries like China are now changing their school system to reflect a more creative, risk taking culture.

On top of this, they are promoting the idea of collaboration and teamwork. We work as a group and we bounce ideas off of each other. We often fail but we learn from our mistakes.

Does this really reflect the individualised, exam-success-seeking student that the schools are promoting at present? I do not think so.

Unusually for me I am trying to share my views in this article. It is the famous quote from Colonel Harland David Sanders, an American businessman, best known for founding fast food chicken restaurant chain Kentucky fried Chicken KFC about how he had to fail in order to succeed. We need to let our children know the importance of this process for their futures.... and ours.

दोस्ती

यूँ तो लिखना हमारी आदत नहीं।
 दोस्तों को भुलाना हमारी फितरत नहीं।
 उनकी याद में कुछ ऐसा लिखते हैं।
 को लिखते लिखते खुद को खो देते हैं।
 दोस्ती को निभाना हम जानते हैं।
 दोस्त के दिल का हाल पहचानते हैं।
 दोस्तों पे जाने छिडकना जानते हैं।
 जिंदगी के लम्हें हँसी होते हैं।
 आते हैं जाते हैं।
 जाते जाते दिल में ऐसी जगह कर जाते हैं।
 की ये बेवकुफ दिल से भुला नहीं पाते हैं।
 बस आपसे इतना कहना चाहते हैं।
 हमने दिल से दोस्ती की है दोस्त।
 अपने दिल को दर्द ना देना।
 ये दिल दर्द का दर्या बन जायेगा।
 और ये दर्द भरा दिल आपसे दूर हो जायेगा।

कुमदळे प्रगती (S. Y. BCA)

आधीच छप्पन पायऱ्या - त्याच्यावर घर
 आधी कुत्र्याचा आवाज - मग उदास चेहरा दारावर
 कोण हवं? काय काम? दरवाज्याच्या फटीतून
 खालीनंतर आत जाणे-बसणे अंग चोरून
 कुत्र्याची तीक्ष्ण नजर-हालचालीची भिती
 श्वास इथे गुदमरतो - कुत्सीत हालतात भिंती
 खाली मातीच्या घरात - हसतं जावे कधीही
 स्वागतास आसुसलेले इथे सर्व काही
 खुशाल मऊ कांबळ्यावर ठोकावी बैठक
 मुक्त इथे बोलावे हसावे रोख ठोक
 गुळ शेंगदाण्याचा मरावा छान बळावा
 वर जावई म्हणून खावा गोड टोमणा
 अशाच घरात भेटला होता शबरीला तीचा राम
 अशाच घरात राहतात कृष्णांचे सुदाम

- प्रा. नंदकुमार सुरेश शिंदे, (ICCS)

शिव

एका निरव पहाटे
 पसरले धुके दाट
 पडत गेली पाऊले
 दिसते पुसट वाट
 धुक्यातून जाता पुढे
 दिसला कातळ घाट
 आणि समोरु ठाकला
 विस्तीर्ण नदीचा काठ
 अद्भुत तो चमत्कार
 घडे पुढल्या क्षणात
 ओंकार ओंकार ऐसा
 नाद घुमला कानात
 नदी आणि घाट भासे
 र्जी उमा सवे शिव
 दर्शनाने मंत्रमुग्ध
 एकरूप झाला जीव
 शिवाचीया पुजनाला
 नाही पान नाही फुल
 मिट्टनीया दोन्ही नेत्र
 वाहीले मी बिल्वपत्र

प्रा. शिल्पा शांताराम पवार (ग्रंथपाल ICCS)

क्षण एक.....

क्षणाला नसते क्षणाची उसंत
क्षणचे धावणे अनादी अनंत
क्षण ना क्षणिक ना क्षणभंगूर
क्षणचे धावणे नित्य निरंतर
क्षणचे अक्ष सदैव दक्ष
क्षण तीक्ष्ण क्षण चाणाक्ष
क्षणामागून क्षण अवक्षण धावतो
क्षणार्धात क्षण अंतर्धान पावतो
क्षण उपरोक्ष क्षणाची समक्ष
क्षण काळाचे रूप प्रत्यक्ष
क्षणचे अथक अखंड भ्रमण
क्षणाच्या साक्षीने काळाचे भ्रमण
क्षणाच्या क्षमतेची ज्याला ना तमा
क्षण ही त्याला ना करी क्षमा
क्षण क्षणभरही कधी ना थांबतो
नित्य पुढे जा हेच निश्चून सांगतो

- प्रा. शिल्पा पवार, (ग्रंथपाल ICCS)

मंद झुळूक

मंद झुळूक हि येता वाऱ्याची
मन रोमांचित होते।।धृ।।
मृगजळात रममाण मन माझे
दर्पनेतील प्रतिमे सम भासते
तत्क्षणी नेत्रपटला सामोरी गाव उभे राहते।।१।।
संगीतात मन माझे आधुनिक रे
पण मजा ति गवळणिची अधिक
रचना ती तुकारामाची आधुनिक हे चोरिचे।।२।।
रात्रीच्या आकाशाला निरखून पाहतो
चटकन एखादा तारा क्षितिजाला भिडतो
आणि हवीहवीशी वाटते गावाकडची हवा।।३।।

निष्पाप गर्भाची कहाणी।

तुझ्या गर्भात होते ग आई
किती आनंदात होते काय सांगू गं आई
तुझ्या हातांच्या कोमल स्पर्शात
किती आधार होता ग आई
किती माया होती ग आई
काय सांगू ग आई, कस सांगू ग आई
तुझ्या कुशीत पहुडले होते मी छान
हळूच कुजबूज ऐकू आली
तीन महिने संपले
मेडिकलचे रिपोर्ट कन्यारत्नाचे निघाले
मी ऐकले ग आई बाबा तुला काय म्हणाले
काय सांगू ग आई, कस सांगू ग आई
माझी चूक काय ते तरी सांग ना आई
बाबांना तूच समजावून सांग ना आई
बाबा ऐकताय ना बाबा
मला या जगात यायचंय
हे सुंदर जग मला पाहायचंय
असे हे काय करताय बाबा
मी सुद्धा तुमचाच एक अंश आहे ना बाबा
काय सांगू हो बाबा, कस सांगू हो बाबा
स्वेतलाता रा.शिंदे

बिखरे उन सपनों को फिर से सजालो।

कहकर तो देखो
लफ्ज मिलेंगे हजारो
बिखरे उन ख्वाबों को
दिल से फिरसे सजालो।।
उम्मीदो पर रखना सदा भरोसा
चाहो राहों में कितने ठोकर ही खालो।
दिल से ना बुझे मंजिल तक जानेकी चिनगारी
आँखों में मोहब्बत के दीप जला लों।
चलते ही रहना ना रुकना कभी
कभी तो शोलों पर चलने का मजा उठा ले।।
खुशीयों तो किस्मत में लिखकर आइ है।
अभी तो गर्मों के बहार आइ है।
बिखरे उन सपनों को फिर से सजालो।।
बिखरें उन सपनों को फिर से सजालो।।

राधा बनायचे आहे.....

कृष्णा तुझ्या बासरीवर ताल धरायचा आहे
 आज मला तुझी राधा बनायचे आहे.
 रूप तुझे निळे सावळे तू आहे विदूचा अवतार
 यशोचा पुत्र तू, देवकी नंदन
 गोकुळाचा राजा तू, खात असे माखन
 तुझ्यासोबत माखन खायचे आहे.
 आज मला तूझी राधा बनायचे आहे
 नटखट तू, खोडकर तू
 काढती तू खोड्या गवळणीच्या
 देऊन त्यास राग, हसती तू जोरात
 तुझ्यासोबत हसायचे आहे
 आज मला तुझी राधा बनायचे आहे
 वचन दिले होते तू राधेला
 या सृष्टीवर अनेक काळानंतर
 लोक घेतील राधेचे नाव कृष्णाच्या अगोदर
 आजही लोक घेतात राधेचे नाव
 कृष्णाच्या अगोदर,
 म्हणूनच आज तुझ्या प्रेमात रंगून जायचे आहे,
 हे कान्हा,
 आज मला तुझी राधा बनायचे आहे.

- पूजा सुतार (F. Y. BCA)

स्वप्न होते.....

स्वप्न होते आकाशी उडण्याचे
 प्रत्येक क्षणाला जगण्याची नवी उमेद घेण्याचे
 माझ्या या वाटेवर सगळ्या जगाला
 घेऊन जाण्याचे
 प्रत्येक श्वासाला एक नवी आशा उराशी बाळगण्याचे
 फुलाच्या सुगंधाप्रमाणे सगळ्यात अगदी
 सहजपणे मिसळून जाण्याचे
 पावसाच्या पहिल्या सरींचा मंत्रमुग्ध होऊन
 त्याचा सुगंध घेण्याचे
 फुलाप्रमाणे काट्यांनही आपल्या मिठीत
 घेऊन जगण्याचे
 निसर्गाच्या या कुशीत स्वतःला स्वाधीन करण्याचे
 स्वप्न होते आकाशी उडण्याचे
 स्वप्न होते आकाशी उडण्याचे.....

- प्रिया विठ्ठल बोराडे

प्यारी माँ

मेरी माँ प्यारी माँ मम्मा,
हाथों में लक़िर तूने सजाए
दिल की धडकन भी तूजसी
हो पल तेरी गोद में हँसकर
मैंने रखा दुनिया में पहला कदम
मेरी माँ, प्यारी माँ।

हाथ पकडकर चलना सिखाया
आगे बढ़ने का पाथ तुने दिखाया
घाव लगे जो गिरने पर
भर दिया सब गले लगाकर
मेरी माँ, प्यारी माँ मम्मा

अकेलेपण में तू हैं मेरी साया
झूलसो जिवन, मां तू थंडी छाया
अंधेरे में साथी जुगनू कि तरह,
रोशन हो वो जिसपे तेरा साया
मेरी माँ, प्यायी माँ मम्मा।

चाहे मैं बहुत तरक्की कर लूँ।
सफलता की सीडी चटू, ऊंची उडान भर लू
तालीयों तारीफों से जीवन गूँजे उठे
सारी दुनिया कदम चूम लू
बस तेरा साथ रहे सर पे, तेरा हाथ रहें,
तो दुनिया नहीं दिलों पर मेरा राज रहेगा,
मेरी माँ, प्यारी माँ, मम्मा।

सफलता सफलता से भी ज्यादा
तेरी बेटी होने में ही मेरी सारशक्ती
तुझे दे सुकून तो दू अपनी साँस
सदा रहे तू मेरे साथ
मेरी माँ, प्यारी माँ, मम्मा
बस एक माँ, खफा नहीं होती
मेरी ख्वाहिश है कि फिर से फरिश्ता हो जाऊ,
माँ से इस तरह लिपट जाऊ कि बच्चा हो जाऊ,
लबों पे उसके कभी बददुआ नहीं होती
अभी जिंदा है माँ मेरी मुझे कुछ नहीं होगा

मैं घर से जब निकलती हूँ दुआँ भी साथ चलती है।
कुछ नहीं होगा तो आँचल में छूपा
लेगी मुझे माँ कभी सर पे खुली छत नहीं रहने देगी।
किसी को घर मिला हिस्से में या कोई दुकान आई,
मैं घर में सबसे छोटी थी मेरे हिस्से में मेरी प्यारी माँ आई।
इस तरह मेरे गुनाहों को धो देती है माँ
बहुत गुस्से में होती है तो रो देती है माँ
वाकई माँ कि ममता का वर्णन इसे बेहतर नहीं हो सकता है।
आप लाख गलती कर ले, अपनी हरकतो से माँ को ठेस
पहुँचाए लेकिन माँ हमेशा ही अपने बच्चों कि सलामती
चाहती है।

माँ का प्यार वह उर्जा है जो साधारण इन्सान को असंभव
कार्य करने में सक्षम बनाती है।
चंचल लडकी जैसी माँ
बेसन की साँधी खुशबू पर खट्टी चटनी जैसी माँ!
याद आती है चौका बेलन, चिमटा फुकनी जैसी माँ!
चिडियो की चहकार में गूँजे राधा मोहन अली, मूर्गी की
आवाज से खुलती घर की कुंडी जैसी माँ।
बान की खुरसी खाट के उपर हर आहट पर कान धरे, आधी
सोयी, आधी जागी भरी दोपहर जैसी माँ।
बान की खुरसी खाट से उपर हर आहट पर कान धरे, आधी
सोयी, आधी जाशी भरी दोपहर जैसी माँ।
बीबी, बेटी, बहन, पडोसन थोडी थोडी से सबमें दिनभर इक
रस्सी के उपर चलती जैसी माँ।
बांध के अपना चेहरा, माथा आँखो जाने कहा फटे पुरान इस
अल्बम में चंचल लडकी जैसी है माँ
इसी बात पर एक शेर अर्ज हैं।
उपर जिसका अंत नहीं
उसे आसमान कहते है
उपर जिसका अंत नही
उसे आसमान कहते है
इस जहाँ मे जिसका अंत नही
उसे प्यारी माँ कहते है।

अंजली शुक्ला (S.Y.BBA)

बदलती जीवनशैली : आधार की प्रश्न

काळ बदलला, जीवनपध्दतीही बदलली. शिक्षणाचे महत्त्व वाढले आणि नात्यांचे महत्त्व कमी झाले. काळानुसार जीवनशैलीत काही बदल केले पाहिजेत हे जरी खरे असले तरी ते बदल स्वीकारताना त्यांच्या परिणामांचाही विचार करणे गरजेचे आहे. नाहीतर गंभीर परिस्थिती ओढवू शकते. काळाप्रमाणे बदलणे हा निसर्गनियम आहे आणि काळाबरोबर धावणे ही माणसाची गरज आहे.

गतिमान काळाबरोबर धावताना मनुष्य बेभान होतो. जुने म्हणून चांगलेही टाकले जाते आणि नवीन म्हणून आत्मसात केलेला विचार कधी विकार बनतो हे कळतच नाही.

आजचे जीवन अत्यंत गतिमान आणि स्पर्धात्मक आहे. पैसा हे सुखाचे माध्यम न राहता ध्येय झाले आहे. महत्वाकांक्षा, यशस्विता साध्य करण्याची झिंग चढलेली आहे. स्वयंकेंद्रित विचारांमुळे अतिरिक्त स्वातंत्र्याची मगरूरी वाढलेली आहे. आयुष्यातील ताणतणाव इतके वाढले आहेत की ताणातून निर्माण होणारे असंख्य आजार आणि मानसिक विकास वाढलेले दिसतात.

थोडक्यात, constructive forces कमी होऊन destructive forces वाढीला लागलेले दिसतात ते प्रामुख्याने खालील मुद्यांमुळे -

पैशाचे वाढते महत्त्व : आयुष्यात पैसा आवश्यक आहेच. बरीचशी सुखे ही पैशाने विकत घेता येतात हा विचार करून पैसा मिळवणे एवढेच ध्येय किंवा ध्यास घेऊन सगळे त्या मागे धावताना दिसतात आणि त्या मागे धावता धावता पैसा हे फक्त साधन आहे, तर सध्या नाही हा विचार संपूर्णपणे विसरला जातो. त्यामुळे पैशाबरोबर येणारा हव्यास, विलासी वृत्ती, मस्तवालपणा या पण गोष्टी अंगावर चढत जातात. अमेरिकन कंपन्यांशी सहयोग करून तिकडचे पैसे मिळवत असल्याने त्यांच्या वेळेप्रमाणे आपल्याला येथे कामे करावी लागतात. आणि त्यामुळे रात्रीचे जागरण, चिंता, निराशा, झोपेचे आजार यांचे प्रमाण वाढलेले दिसते.

● बदलते कुटुंब व्यवस्था : पूर्वी एकत्र आणि मोठी कुटुंबे होती त्यामुळे मूळ विचारसरणीच सर्वव्यापी आणि सर्व समावेशक असायची. एकत्र कुटुंब पध्दतीमध्ये एखादा कमजोर व्यक्तिमत्व असलेला माणूस सहज सामावला जायचा. पण आताच्या Nuclear Family Concept मध्ये कमकुवत माणसाला स्थानच नाही. घरात मोजकीच माणसे असतात आणि त्यामुळे ठराविक भूमिका निभावण्यामध्ये, मॅच्युर वागण्यामध्ये माणसांची तारांबळ उडते आणि व्यक्तिमत्त्वाची फरपट होते. यामुळे अनेक आघाड्यांवर व्यक्ती अयशस्वी, निराशेच्या गर्तेत सापडत आहेत. आणि या सगळ्यामध्ये कुठेतरी आत्मविश्वास हरवत चाललेला दिसतो.

● संस्कारांचा अभाव : आज Nuclear कुटुंबात प्रत्येक जण घड्याळ्याशी बांधलेला आहे. कुटुंबातील व्यक्तींमधील संवाद पुरेसा होत नाही. मुलांवर संस्कार करावयास कुणाला वेळ नाही. त्यामुळे मे महिन्यात ८-१५ दिवस संस्कार वर्गात घातले की झाले अशी समजूत बनून गेलेली आहे. त्यामुळे मुलांचे संस्कार योग्य प्रकारे विकसित न होता लहान मुलांमध्ये सुध्दा उच्च रक्तदाब, साखरेचे वाढते प्रमाण, (academic Behavioural problems) वाढताना दिसतात.

ढासळती विवाहसंस्था : आजच्या समाजात विवाहसंस्था ढासळलेली दिसते याची कारणे प्रामुख्याने व्यक्तीस्वातंत्र्याच्या अतिरिक्त कल्पना, कोठेही तडजोड न करण्याची वाढती प्रवृत्ती, क्षुल्लक कारणांवरून घरात रूसवे, फुगवे, घरातील मोठ्या मंडळींचा अनादर किंवा आधार नसणे, सदोष व्यक्तिमत्त्वे आणि त्यांच्यामध्ये असणारे हे एसे खींशी दिसून येतात. आजच्या काळात छोट्या कुटुंबाचा छोटा विचारही मागे पडत चालला असून फक्त 'मी आणि माझाच' ही विचारप्रवृत्ती प्रचंड प्रमाणात वाढत आहे. या सगळ्याचा परिणाम म्हणजे घटस्फोटांचे वाढते प्रमाण, विविध प्रकारची लिव्ह अँड रिलेशन्स किंवा विकृती असलेली समलिंगी विवाह चळवळ अशी भयानक परिस्थिती समाजात वाढीला लागलेली आहे. आणि या सर्वांचा एकत्रित परिणाम आज समाजावर दिसतो. सामाजिक एकसंधता, सामाजिक बंधने अत्यंत वेगाने नाहीशी होत आहेत.

वाढती व्यसनाधीनता : असंख्य कारणांनी, ताणतणावांनी माणूस असुरक्षित झाला आहे आणि त्यातूनच निराशा घेरते. व्यसनाधीनता वाढते आणि वैफल्या निर्माण होते. आणि या सर्वांतून अनेक प्रकारची मानसिक आणि शारीरिक

आजार वाढीला लागतात. उदा. चिंता, निराशा, न्यूनगंड, आत्मविश्वासाचा अभाव, कौटुंबिक कलह, झटपट रिलॅक्स होण्यासाठी कोणत्याही गैरमार्गाचा वापर, पब्ज, गुप पाटर्चा इ. या सर्वांला आवर घालून त्यामध्ये नक्कीच चांगल्या प्रकारचे बदल घडविता येतील पण त्यासाठी आपण स्वतःच व्यक्तिगत आणि सामाजिक पातळीवर खाली दिलेले बदल प्रयत्नपूर्वक आत्मसात करणे आवश्यक आहे.

व्यक्तिगत पातळीवरील प्रयत्न :

१. चिंता आणि नैराश्य यांचे मूळ विचारसरणीत आणि परिस्थितीत असते. परिस्थिती सर्वच वेळी आपल्या हातात नसते. त्यामुळे आहे त्या परिस्थितीचा स्वीकार करण्याची लवचिकता मनात असणे आवश्यक आहे.
२. न्यूनगंडावर मात करण्यास आणि आत्मविश्वास वाढविण्यास सकारात्मक विचारसरणीचा अवलंब केला पाहिजे. सतत सकारात्मक विचारात स्वतःला ठेवले पाहिजे.
३. आपण नेमके काय आहोत, कुठे आहोत याचा विचार करून स्वतःचे योग्य ते अॅनालिसीस करून स्वतःविषयीच्या अवास्तव कल्पना, अवाजवी अपेक्षा याचे भान सांभाळणे अत्यंत आवश्यक आहे.
४. मी म्हणजे खरा, माझेच बरोबर, माझ्या मनाप्रमाणेच सर्व गोष्टी घडल्या पाहिजेत अशा स्वतःच्या सवयीस मुरड घालणे अत्यंत आवश्यक आहे.
५. सर्वांचा आदर, सन्मान करावयास शिकले पाहिजे. विद्या विनयानेच प्राप्त होते हाच विचार मनात रूजवला पाहिजे.
६. आपण स्वतःला आत्मपरीक्षणाची सवय लावली पाहिजे. स्वतःला ओळखून योग्य त्या ठिकाणी योग्य त्या सुधारणा करून, दोषांना आळा घालून निर्दोष व्यक्तिमत्व बनविण्याचा प्रयत्न केला पाहिजे.

अशी सर्व प्रकारे स्वतःची निगा राखता येते, आत्मविश्वास वाढीला लावता येते. आक्रमकता काबूत ठेवता येते. फक्त त्यासाठी सतत जागरूक राहून काम, क्रोध, लोभ, मोह, मद, मत्सर या षड्रिपूंना लगाम घालून,

स्वतःशी प्रामाणिक राहून परीक्षण केले पाहिजे. सर्व प्रकारची स्वयंशिस्त स्वतःला घालून घेतली पाहिजे आणि हीच जीवन पध्दती असली पाहिजे.

स्वतःच्या मनःशांतीसाठी स्वतःसाठी रोज ३०-४० मिनिटे राखून ठेवली पाहिजेत. कला, क्रीडा, व्यायाम, छंद, संगीत, अध्यात्म, योगाभ्यास, ध्यानधारणा, हास्य, विनोदी वृत्ती यापैकी जास्तीत जास्त गोष्टींचा जीवनात अवलंब करून आपले जीवन निरोगी कसे बनेल अशा प्रयत्नात सतत स्वतःला ठेवले पाहिजे.

सामाजिक पातळीवरील प्रयत्न :

सध्या आपण समाज म्हणून जगायचे विसरलो आहोत. आपण म्हणजे अख्खा समाज नसून समाज्यातील निव्वळ एक कडी आहोत हे विसरता कामा नये. आपल्या रोजच्या जीवनात समाजाचे आपल्याला देणे कसे फेडता येईल, एकमेकांचा कसा आदर राखता येईल याचा विचार करणे गरजेचे आहे.

समाजाच्या बांधिलकीची जाणीव लहानपणापासूनच व्हावी म्हणून मुलांनी NSS, NCC इ. गोष्टींमध्ये सक्रीय सहभाग घेणे आवश्यक आहे. या स्पर्धात्मक युगात टिकण्यासाठी स्वतःचे SWOT Analysis करून स्वतःचा तसेच समाजाचा सर्वांगीण विकास करून एक सुंदर व्यक्तिमत्व घडविण्यासाठी सतत प्रयत्नशील राहिले पाहिजे.

आपणच घडविलेल्या जीवनशैलीत कळात नकळत अनेक दोषांची बीजे पेरली गेली आहेत.

चला तर मग ! अनेक दोषांमधून आपण शहाणपण शिकूया. नैसर्गिक आणि चांगले मार्ग वापरून तणावमुक्त होऊया, शिस्तबध्द जीवन जगूया, एकमेकांना धरून राहूया आणि एकमेकांच्या मदतीने स्वतःचा आणि देशाचा विकास घडवूया...

– डॉ. अंजली काळकर

प्रिन्सिपल, ICCS

शिक्षकदिन

ते पत्र एखादे पान गळावे तसे पुस्तकातून खाली पडले आणि उलगाडताना ते पत्र नव्हते. आख्खा दिवस माझ्यासमोर उलगाडला. जवळपास १५ वर्षांपूर्वीचा दिवस, पण जशाच्या तसा, त्यातल्या चेहऱ्यासकट रंग, गंध, आवाज आणि ओलाव्या सकट मला पुन्हा भेटल्याचा अत्यानंद झाला. माझ्याच त्या विलक्षण चमक असलेल्या डोळ्याच्या विद्यार्थ्यांने मला लिहिलेले ते पत्र होते. त्या पत्रात ते संपूर्ण दिवसच घडी घालून ठेवल्यासारखा त्या पुस्तकात दडून बसलेला.... आज आता अचानक त्या जुन्या मातीच्या गंधाने मला धुंद करून टाकले.

तो दिवस शिक्षकदिन होता. ५ सप्टेंबर ! मी त्याच वर्षी शिक्षक म्हणून एका डिप्लोमा कॉलेजवर जाईन झालो होतो. त्या अर्थाने माझा पहिलाच शिक्षकदिन.... विद्यार्थी मुलांच्या मनात काय असेल याची कल्पना येणे शक्य नव्हते.

पण कॉलेजमध्ये त्या दिवशी पोहचलो तर सर्वत्र लगीनघाई चालू दिसली. मुख्य गेटच्या कमानीवर 'हॅपी टिचर्स डे' चा मोठा फ्लेक्स लावायचे काम काही ग्रासरूटचे कार्यकर्ते करीत होते... आणि तिथून साऱ्या पार्कींगभर पताकांच्या दोऱ्या बांधल्या जात होत्या. आरंभालाच ही सलामी मिळाली.... दूरूनच माझी स्कूटर मुलांनी ओळखली..... आणि एकदम रस्ता अडवावा तसे विद्यार्थी आडवे आले. सगळ्यांनी 'हॅपी टिचर्स डे' च्या नाऱ्याने गलकाच केला. प्रत्येकाची हस्तांलौदन करण्याची घाई.... काहींना त्याचवेळी पायाला हात लावून नमस्कार करण्याची घाई... हात आणि पाय दोन्ही एकाच वेळी बिझी झाले. डोक्यावर हेलमेट, स्कूटरवर अवघडलेल्या स्थितीत.... कुणाला आशिर्वाद देतोय आणि कुणाचे आभार मानतोय हेही नीट कळत नव्हते. दुसरे एक शिक्षक नेमके त्याचवेळी आल्याने घोळका तिकडे वळला आणि माझी सुटका झाली.

शिक्षकदिनाची पोरानी जोरदार तयारी केली होती. वर्ग सजवण्यात आले होते. ऑफिससमोर मोठी रांगोळी होती. ती काढणाऱ्या मुली वर्गात नेहमी दुर्लक्षित असायच्या याचा खेद वाटला. ती रांगोळी इतकी सुंदर होती की त्या सर्व गुपला त्याचे मार्कस परिक्षेच्या मार्कात अड करून द्यावे असे वाटले. स्टाफरूम तर सर्व डेकोरेशनचा कळत होता. सर्वत्र रिबिन्स, फुगे, फुलांचे बुके अडकवले होते. गणपतीला करतात तशी आरास केली होती. येणारा जाणारा जो कोणी विद्यार्थी भेटत होता तो 'विश' केल्याशिवाय पुढे जातच नव्हता. पाया पडण्याच्या यांत्रिक कृतीमुळे पाया पडून घेणाऱ्याची किती पंचायत होते ते सवय नसणाऱ्याला कळणे शक्य नाही.

पण पोरं घाऊकपणे पाया पडतच होती. आज लेक्चर घेणे कुणालाच शक्य नव्हते. प्रत्येक वर्गात उत्साही, हौशी पोरं दबाव धरून बसली होती. वर्गात पोहोचताच पोरानी टाळ्या वाजवून त्यांनीच तयार केलेले स्वागत गीत तार स्वरात म्हणायला सुरूवात केली. तो आवाजाशी स्पर्धा असल्यासारखा स्वागत समारंभ प्रत्येक शिक्षकावर आल्याआल्याच आदळत होता.

वर्गात पाऊल टाकताच वर्गातल्या बदललेल्या रंगसंगतीने लक्ष वेधून घेतलेच. मग पोरानी दटावल्यासारखा आग्रह धरला, "सर आज शिकवू नका...." खरतर सकाळपासून कार्यकर्ते म्हणून मिरवणारी जी मंडळी गेट पासून वर्गापर्यंत दिसत होती त्यात तासाला नियमित बसणारी विद्यार्थी मंडळी नव्हतीच. जे कधी वर्गाचे तोंडही पहात नसत, कधी चुकून बदल म्हणून एखादं दुसऱ्या लेक्चरला बसत अशी हौशी मंडळीच आज शिक्षकदिनाच्या उत्साहाने वाहणाऱ्या प्रवाहातील मुख्य ताकद होती.

महापुरुषांची जयंती साजरी करणाऱ्या आडदांड उत्साही कार्यकर्त्यांपुढे बुद्धिजीवी लोकांची जी गोची होते तशीच काहीशी हुशार विद्यार्थ्यांची आज झाली होती. आज शिकवले जाणार नाही आणि महत्वाचे म्हणजे अटेंडस घेतला जाणार नाही म्हटल्यावर त्यांचा मूड आल्या आल्याच गेला होता.

आजचा फेरा फुकट गेला अशी पश्चात्तापाची भावना त्यांना प्राप्त होती, तर हुल्लडबाजी करणाऱ्यांना आज आयते निमित्त

सापडले होते. वर्गावर्गामध्ये शिक्षकांवर शुभेच्छांचा वर्षाव होत होता. काही विद्यार्थ्यांनी फुलांचे गुच्छ आणले होते तर काहींनी ग्रिटिंग्ज कार्ड्स. काहींनी चॉकलेटस् हातात कोंबली तर काहींनी रंगीबेरंगी वेष्टनातल्या गिफ्टस्!

शिकवायचे नाही म्हणून पोरांनी काही शिक्षकांना गाण्याचा आग्रह केला. ज्यांना आपल्या आवाजावर आत्मविश्वास होता त्यांना हा आग्रह गोड मानून मुलांच्या आवडीचे एखादे गाणे म्हणावेच लागले. त्यावर पोरांनी टाळ्या, शिट्या मारून वर्गाला मनोरंजन केंद्र करून टाकले. काही वर्गामध्ये अंताक्षर्या रंगल्या, काही ठिकाणी विनोदांची मैफील जमली सारे वर्ग आज वेगळ्याच रंगात रंगून निघाल्याचे दिसत होते. जिथे एकतर्फी आणि एकसुरी टकळी वाजत असे तिथे आज निरनिराळ्या वाद्यांचे आवाज घुमत होते.

तर अशा कोलाहालात, गोंगाटात शिक्षकदिन पुढे-पुढे सरकत होता, पण मुख्य कार्यक्रम अजून बाकीच होता. दुपारी सर्व मुले शिक्षकांना आग्रहाची आमंत्रणे घेऊन स्टाफरूम मध्ये दिवसाचा प्रमुख कार्यक्रम ठेवण्यात आला होता तो मोठा हॉलतर लग्नाच्या हॉलसारखा सजवण्यात आला होता. ठिकठिकाणी शिकवण्याची आणि शिक्षकांची महती उंचावणारी सुभाषिते वंगलेली होती.

‘Teaching is a mission, not profession. Happy teacher is he, who make other's happy.

गुरु ब्रह्मा.... वगैरे... Teaching is 1/3 knowledge and 2/3 drama.

इथे काहीतरी बुद्धी असणाऱ्या मोजक्या मुलांचा माफक उपयोग करून घेतलेला दिसत होता. दुपारी कार्यकर्ते विद्यार्थी आणि त्यांचे म्होरके-शिक्षकांना आग्रहाचे निमंत्रण घ्यायला स्टाफरूममध्ये आवर्जून आली. मग त्या मुख्य हॉलमध्ये सर्व शिक्षकांना आग्रहाने बसवण्यात आले. कोपऱ्यावर टेबलवर डॉ. सर्वपल्ली राधाकृष्णन यांची तस्वीर ठेवण्यात आलेली होती. शेजारी सरस्वती देवीचा फोटोही ठेवलेला होता. त्या तस्वीरीची पूजा करून हार चढवण्यात आले.

प्राचार्यांच्या हस्ते दिपप्रज्वलन केले गेले मग मुलांची गोडी सुसाट सुटली... कुणी आवाज नसताना गाण्याची हौस भागवून घेतली. गायलेल्या प्रेमगीताचा शिक्षकदिनाशी दूरदूरचा संबंध नव्हता.... मग एक नाटिका सादर झाली. त्यात शिक्षक आणि मुलांचे मजेदार विनोदी प्रसंग होते. नाटिकेला प्रचंड टाळ्या आणि हशांची दाद मिळाली. खरेतर त्यात शिक्षकांची रेवडी उडवली होती पण आज विनोदबुद्धी तपासण्याची वेळच नव्हती. एका खोडकर विद्यार्थ्याने सर्व शिक्षकांची नकल करून सर्वांवर कडी केली.

कुणाला प्रश्न विचारल्यावर राग येतो, कोणता शिक्षक ठेवणीतले विनोद सांगतो, कोणत्या मॅडम लिपस्टीकची काळजी घेतात. याची त्या नकलकाराने नावानिशी उल्लेख करून प्रत्येक शिक्षकाच्या वर्मावर बोट ठेवले.... सर्वांची चांगलीच करमणूक झाली. या अॅटमला सर्वांनी भरभरून दाद दिली संपूर्ण हॉल विद्यार्थ्यांनी गच्च भरलेला. कुणाला बाहेर जाणेही अशक्य होऊन बसलेले मुलांनीच सारा कार्यक्रम हाती घेतलेला होता शिक्षकांचा पुरता नाईलाज झालेला.

शिक्षकांना मुलांनी चिट्ट्या टाकून काही काही खेळाचे प्रकार करायला लावले. मग गाण्याच्या भेंड्या झाल्या.... शेवटी शिक्षकासाठी संगीत खुर्चीचा कार्यक्रम घेतला गेला. शिक्षकांना खुर्ची पकडण्यासाठी मुलांच्या तालावर नाचावे लागत होते यातच मोठी गंमत होती. एकेक बाहेर पडणाऱ्या शिक्षकांची हुऱ्ये उडवली गेली आणि अखेर एका नॉनटिचिंग शिक्षकेतर कर्मचाऱ्याला न्याय मिळाला. संगीत खुर्चीत तो विजयी झाला. सर्वच गैरशिक्षकी वर्गाने शिक्षकांच्या पराभवाचा आनंद पुरेपुर साजरा केला.

एकदाचा अखेरीस मोठा केक आणण्यात आला. सर्व शिक्षकांना मेणबत्त्या फुंकायला लावून नंतर केक कटींग सेरेमनी पार पाडला. मग मुलांनी शिक्षकांना प्रेमाच्या जबरदस्तीने केक भरवला. वरिष्ठानी शुगर आहे मला म्हणेपर्यंत त्यांची तोड साखरेने बंद केली गेली. मग काही खोडकर पोरांनी शिक्षकांच्या चेहऱ्यांवर केक चोळण्याची टूम काढली आणि क्षणात धुळवट सुरू झाली.

सारे शिक्षक केकच्या क्रिमने चित्रविचित्र आणि काही भयानक दिसू लागले... अखेर आल्या प्रसंगाला तोंड देत शिक्षकांनी आपापली सुटका करून घेतली... अशा पद्धतीने हा शिक्षकदिन संपला.

आभार प्रदर्शनात प्रमुख आयोजकाने “आज शिक्षकदिनी जे जे सुचले ते आम्ही केले यात केवळ आमचे शिक्षकांवर प्रेम आणि आदर दाखवणे एवढेच होते... धन्यवाद अशी कबुली दिली. ते आमचे प्रेम व्यक्त करण्यासाठी होते.” खरंच विद्यार्थी प्रेमाचा वर्षाव कधीच संपू नये, असे वाटत होते म्हणून लायब्ररीत गुपचूप जाऊन एका कोपऱ्यात अक्षरशः दिसणार नाही असा लपून बसलो. लायब्ररी ओस पडलेली. जिथून शिक्षक, विद्यार्थी घडतात तीच जागा सुतक असल्यासारखी शिक्षक दिनाच्या दिवशी सामसूम झाली होती. कोलाहाल शमला. सगळीकडे निरवानिरव झाल्यावर चोरासारखा बाहेर पडलो. कुणीतरी विष करायच्या भितीने सावध चाललो होतो. आता कार्यक्रमाची पुरती सांगता झाली होती पताका तुटून जमिनीवर लोळत पडल्या होत्या, भिंतीवरच्या सुभाषितांचा कचरा झाला होता फुगे हवा जाऊन गतप्राण होऊन गेलेले.....

सकाळच्या सुंदर रांगोळीची राख रांगोळी होऊन गेली होती. ज्या मुख्य हॉलमध्ये हा कार्यक्रम झाला तिथे साऱ्या खुर्च्या अस्ताव्यस्त पडलेल्या..... एकटा पवार शिपाई ज्याचा ह्या शिक्षणाशी कधीही संबंध आला नव्हता तो स्वच्छतेच्या कामात गुंतला होता... डॉ. राधाकृष्णन यांची तस्वीर, सुकलेला हार घेऊन तशीच एकाकी कोपऱ्यात दिसत होती.....

माझी स्कूटर एकटीच मैदानावर माझी वाट पहात मान वाकडी टाकून बसलेली... गाडीपर्यंत पोहचतो नाही तो मागून एकाने हाक मारली... “सर...सर.”

वाटलं अजून कुणी उरलंय का काय ह्या सेलीब्रेशन मधून....

तर खरच हा गावाकडचा वाटावा असा गरीब चेहेऱ्याचा विद्यार्थी पुढे आला.... हातावर एक लिफाफा ठेवला. खाली वाकून नमस्कार केला आणि व्याकूळ आवाजात म्हणाला. “हॅपी टिचर्स डे सर, मी एक पत्र लिहिलेय तुम्हाला! सकाळपासून निवांत वेळच मिळाला नाही. तुमच्या स्कूटरपाशीच थांबून राहिलो. पत्र वाचा हं नक्की सर....” म्हणून तो निघून गेला.

पत्र वाचण्याची इच्छा तिथेच पुरी केली. त्यात माझी शिक्षक म्हणून थोडी स्तुती होती. काही सुभाषिते होती. स्वतःचे मूल्यमापनही होते... दोन, तीन पानांचे पत्र ह्या बहादुराने लिहिले होते. रात्री लाईट गेल्यावर होस्टेलवर मेणबत्तीच्या प्रकाशात एकांतात लिहिलेले हे पत्र त्या साऱ्या कोलाहालाचे गोंधळाचे आणि हल्लडबाजीचे किटाळ शुद्ध करून गेले.... पण शेवटी त्यात ती कुसुमाग्रजांची शिक्षक विद्यार्थी नाते हिमालयाच्या उंचीवर नेऊन ठेवणारी माझी आवडती कविता होता. “कणा” पाठीवर हात ठेवून नुसत लढ म्हणा. आज त्या पत्राने तो सारा दिवस जशाच्या तसा डोळ्यासमोर उलगाडला. आज त्या दिवसातल्या कोलाहालातला एकही क्षण महत्वाचा वाटला नाही. आज १५ वर्षांनंतरही लक्षात राहिलेला तो गरीब चेहेऱ्याचा विलक्षण चमक असलेला विद्यार्थी आणि त्याचे तीन शब्द “हॅपी टिचर्स डे”.

प्रा. नंदकुमार शिंदे (ICCS)

स्वामी विवेकानंद व्यक्ती व तत्वज्ञ

स्वामी विवेकानंद हे भारतातील योद्धा संन्यासी होते. त्याचे विचार हे आजच्या तरुण पिढीसाठी आदर्श आहेत. त्याच तत्त्वज्ञानाचे जर आजच्या तरुण पिढीने अनुसरण केले तर हा देश खूप प्रगती करू शकेल.

स्वामी विवेकानंदांनी नेहमी हाच संदेश दिला की दीन-दुबळ्यांना मदत करा व ज्ञानाचा वापर हा देशाच्या विकासासाठी करा.

स्वामी विवेकानंदांचा जन्म हा बंगाल मधील दत्त घराण्यात झाला. दि. १२ जानेवारी १८६३ साली स्वामी विवेकानंदांचे लहानपणीचे नाव नरेंद्रनाथ होते. त्याचे वडील विश्वनाथ दत्त हे उच्च न्यायालयात वकील होते. त्याची आई भूवनेश्वरी देवी या गृहिणी होत्या.

नरेंद्र हे लहानपणापासूनच अत्यंत तल्लख बुद्धीमत्तेचे होते व ते नास्तिक होते. त्यांना लहानपणापासून मनएकाग्रता करायचा छंद होता. ते लहानपणी प्रत्येकाला एकच प्रश्न विचारीत की “तुम्ही देव पाहला आहेत का?” पण त्यांच्या या प्रश्नांचे त्यांना कधीच सकारात्मक उत्तर मिळाले नाही.

नरेंद्र यांचे शाळेतील शिक्षण संपवून त्यांनी जेव्हा कॉलेज जीवनात प्रवेश केला. सर विल्सन कॉलेजमध्ये जेव्हा त्यांनी प्रवेश घेतला. सर विल्यम हेस्टी नावाचे त्यांचे प्राचार्य होते! एके दिवशी त्यांचा इंग्रजी विषयाचा तास होता. त्यांचे विषय शिक्षक हे काही कारणास्तव येऊ शकले नाही. तेव्हा सर हेस्टी हे त्यांना शिकविण्यासाठी आहे. त्या ‘इर्केटिस्क’ ही कविता शिकवली. यांमध्ये त्यांना इर्केस्टेटिक जॉय हा शब्द होता यांचा भावसमाधीतील आनंद असा होतो. यांमध्ये त्यांनी एखाद्याची भावसमाधी लागल्यावर मिळणारा आनंद याबद्दल त्यांना विश्लेषण केले होते. त्यांनी दक्षिणेकडील रामकृष्ण परमहंस यांचा उल्लेख केला.

तेव्हापासून नरेंद्रांच्या मनाला रामकृष्ण परमचंद यांच्या भेटीची अनहूत ओढ लागली होती. एकेदिवशी तसा योग आला. त्याचे शेजारी सुरेंद्रनाथ मित्रा हे परमहंस भक्त होते. त्यांच्या या भेटीचा हा प्रसंग उद्भवला.

नरेंद्र यांना गाण्याची ही आवड होती त्यांचे आजोबा हे प्रसिद्ध गायक होते व त्यांची आई देखील गायिका होत्या त्या देवाच्या स्त्रोत व भावगीते म्हणत असत. रामकृष्ण परमहंस यांनी त्या गायला सांगितले व त्यांनी एक भावगीत म्हटले. जे ऐकून तिथल्या सर्व उपस्थितांची भावसमाधी लागली तेव्हा नरेंद्र यांना भावसमाधीचा खरा अर्थ कळला.

नरेंद्र यांना बीएची पदवी मिळाली त्यांच्या वडिलांच्या मृत्यूमुळे वयाच्या एकविसाव्या वर्षी त्यांच्यावर संपूर्ण घराची जबाबदारी आली. या काळातच त्यांचे आणि परमहंसाचे ऋणानुबंध अधिक सुधारले. नरेंद्र यांना एक खूप मोठी शिकवण मिळाली की.

“भाकरी ही जगातील परमशक्ती आहे.”

शेवटी त्यांना एका वकिलाकडे नकल करण्याची नोकरी मिळाली पण तेवढ्यावर त्यांचा खर्च भागत नव्हता. एकदा ते परमहंसाकडे गेले असताना त्याचा सहज विषय निघाला असताना की नरेंद्र यांची होणारी ओढाताण. परमहंस हे कालीमातेचे भक्त होते.

तेव्हा ते नरेंद्रला देवीकडे काहीतरी माग म्हणाले. तेव्हा त्यांनी स्वतःसाठी ऐश्वर्य, संपत्ती वगैरे काही न सांगता त्यांनी देवीकडे, “ज्ञानार्जन करण्यासाठी बुद्धी मागीतली.”

नरेंद्र यांनी श्री. रामकृष्ण परमहंस यांचे शिष्यत्व पत्करले व ते स्वामी विवेकानंद झाले. १८९३ साली शिकागो येथे झालेले सर्वधर्मसंमेलन परिषदेमध्ये स्वामीजी सहभागी झाले.

११ सप्टेंबर १८९३ मध्ये त्यांनी पहिले भाषण दिले व ते भाषण सर्वांना आवडले व ते लोकप्रिय झाले. त्यांनी दीन-दुबळ्यांना मदत करता यावी यासाठी रामकृष्ण मिशनची स्थापना केली व त्यांनी जगाला समाजसेवेचा मंत्र दिला.

४ जुलै १९०३ साली ते स्वर्गवासी झाले व त्यांनी दिलेले विचार हे आजही वाखाणण्याजोगे आहेत.

- काजल रामचंद्र जमदाडे (T. Y. B.Com)

झूल (नेमाडेंची माफी मागून)

परवा कॉलेजमध्ये ट्रेडिशनल डे (देशी परंपरा दिवस अथवा संस्कृती दिवस) मोठ्या उत्साहात साजरा झाला. हल्ली या 'डे' ना शाळा-कॉलेजात शंभर टक्के उपस्थिती असते. (त्यांच्याकडे 'डे' साजरे करतात तर आपल्याकडे दिवस घालतात!) थोर संत व्हॅलेंटाईन नावाच्या या माघ महिन्यात शतशः उपस्थिती का असते हे वेगळं सांगायला नको.

मुलं-मुलींना ही संधी म्हणजे 'सोन्याहून पिवळे' च ते या संधीचं सोनं करतातच. त्यासाठी एक-दोन दिवस आगोदरच त्यांची तयारी चालू होते. आपल्या गुपने काय पेहराव करायचा. आपलं संस्कृती दर्शन (की प्रदर्शन) इतरांपेक्षा कसं चांगलं होईल याचे आदल्या दिवशीच ठरलेले असतात. काही बदल अचानक झाला तर आपत्कालीन व्हॉट्सअप सेवा असतेच दिमतीला.

इकडे मुली नखशिखांत पारंपारिक साडीचोळीत आलेल्या कोणी काठापदराची जरीबुट्याच्या साडीत, कोणी फुलाफुलांची, तर कोणी पैठणी घालून त्यावर नाकात नथ, बाजूबंद आणि झालंच तर केसांत गजरा माळलेला अशा देशी पेहरावात या मुली मुक्तपणे इंद्रधनुष्याची उधळण करीत होत्या. हे प्रभात समयीचं सौंदर्य बघून बी.सी.मर्ढेकरांच्या ओळी आठवल्या - 'दवांत आलिस भल्या पहाटे शुक्राच्या तोऱ्यात एकदा जवळून गेलीस पेरीत आपुल्या तरल पावलामधील गंधा.' (कवितेच्या ओळी आठवतील असे मनोहर प्रसंग घडणे हेही काही कमी नाही.)

दुसरीकडे मुलेही शक्तिप्रदर्शन (सांस्कृतिक) करत होती. हल्ली मुलांच्या वस्त्र प्रावरणातील फॅशनची रेलचेल पाहता मुलींच्या बरोबरीने त्यांनाही नटण्याची (मुरडण्याची) भरपूर संधी आहे. एकतेतील विविधता हे राज्यघटनेतील कलम आत पुरेपूर लागू होताना दिसत होते. महाराष्ट्रीय पोशाख इतका मनोवेधक असताना आपण पाश्चिमात्यांच्या 'आहारी का जातो.' हे एक कोडंच वाटतं. असो, कालायः तस्मै नमः!!' असं म्हणून पुढे जावं (मराठी पाऊल पडते पुढे...)

कधी नव्हे प्राध्यापक मंडळीही या सांस्कृतिक हौस करून घेत होती (हल्ली प्राध्यापकांच्या वयाचा कट ऑफ बराच खाली आला आहे.) त्यात काहींची गत 'उतावळा नवरा गुडघ्याला बाशिंग' अशीच दिसत होती.

चालू वर्षातील या एकमेवाद्वितीय दिवसातील सांस्कृतिक क्षण कॅमेरात पकडण्याची लगबग सगळीकडे दिसत होती. आपला फोटो दुसऱ्याने काढणे हे भविष्यात कालबाह्य ठरेल की काय असं काही क्षण वाटलं कारण स्वतःचं छायाचित्र स्वःबळावर (स्वतःने) काढण्याची सोय असणारी जादूची कांडी मुला-मुलींच्या हातात दिसत होती/फिरत होती. जादूची कांडी फिरवल्यानंतर आपली हवी ती (?) मनो 'काम'ना उदा. जिलेबी, गुलाबजामून, कपडे... इत्यादी इ. ज्याप्रमाणे पूर्ण होते त्याचप्रमाणे ही सेल्फी स्टिक हव्या त्या अंशातून, कोनातून (काटकोन, लंबकोन) स्वदेह दर्शन करवून देते. समस्त दुकट्या (!) लोकांचा एकटेपणा सुसह्य करण्याचं मोठं सामाजिक कार्य (?) सेल्फीच्या माध्यमातून होत आहे. ज्याकोणी 'एकट्याने' या आधुनिक सुविधेला प्रकाशात आणलं त्याला जाहीर धन्यवाद दिले पाहिजे.

तसं जर बघितलं तर, आजकाल एकट राहणं हे 'एकट्या-दुकट्याचं' काम नाही. कोणे एकेकाळी लोक आपले इप्सित कार्य तडीस नेण्यासाठी एकांतवास पत्करतं. अशी उदाहरणं काही कमी नाहीत. प्रभू रामचंद्रानी वनवास स्विकारला, पांडवांनी अज्ञानवास, राजकुमार सिद्धार्थाने राजगादीचा व बायकामुलांचा त्याग करून एकांतात स्वतःचा शोध घेतला. साठ वर्षांपूर्वी इंग्रजांविरुद्ध लढताना भूमिगत राहून कित्येकांनी प्रसंगी बलिदानही दिले. ही सर्व रूपे एकांताचीच आहेत. एकांतातून ही माणसं बाहेर आली ती प्रचंड तेज आणि लौकिक घेऊनच. त्या त्या वेळच्या समाजाने त्यांना कौतुकाने स्विकारलेली आणि आजही ती माणसं आदर्श म्हणून समाजात ओळखली जातात.

एवढी एकांताची परंपरा असताना (योगायोगाने आजही आपण परंपरेचाच जागर करतोय.) आपण एकटेपणाचा फक्त बाऊ करतोय.

आज प्रत्येक जण आपल्याला कोणी एकटे म्हणू नये यासाठी केवीलवाणा प्रयत्न करतोय. मन होतं काय की जो-तो फेसबुक (जिथे दिसणं आणि असणं यात तफावतच जास्त) व्हॉट्सअप इत्यादी इ. सोशल नेटवर्कवरून अधाशासारखे मित्र-मैत्रिणी कनेक्ट (?) करत सुटलेत. परंतू व्हर्च्युअल व रिअल (अभासी आणि वास्तव) या दोहोमधील अंतर या अतिसमाजशील सुशिक्षितांना का कळत नाही हे देवच जाणो.

मग ही मंडळी स्वतःच्या एकटेपणाला (बऱ्याचदा इतरांना - व्यक्तीला वा परिस्थितीला) दोष देत राम राम निशाचरासारखी

ह्या गुत्यावर नाहीतर त्या गुत्यावर मदिरापान करत धुराच्या पांढुरक्या धुक्यात स्वतःला हरवून बसतात. यांना जर ढिगाने मित्र-मैत्रिणी कनेक्ट (ऑनलाईन) आहेत तर यांच्यावर ही नामुष्की का?

असो... तर या भारावलेल्या बहुसांस्कृतीक/बहुगलबला वातावरणात एका कोपऱ्यात विद्यार्थ्यांचा एक गट फेटे (अर्थात भगवे) बांधून घेत होता. (एकूण देशी सांस्कृतिक कल्लोळात 'भगवा' हा अस्मितेचे प्रतिक म्हणून पावले आहे.) अशा वेळी काही प्राध्यापक मंडळीही तिथे आली. तीही फेटे बांधण्यासाठीच आली होती. (राजा बोले अन् दल हले....) बराच वेळ गेला पण प्राध्यापकांना फेटे बांधण्याची संधी काही मिळेना. शेवटी न राहवून नुकत्याच रुजू झालेल्या एका तरुण प्राध्यापकाने विद्यार्थ्यांना त्याची आठवण करून दिली. परंतु उलट त्यावर एक विद्यार्थी "आम्ही फेट्यांसाठी पैसे मोजलेत" अशा अर्थाचं पुटपुटला (साहजिकच आहे की, हा त्याच्या अस्मितेचा प्रश्न आहे.) उज्वल अशा भारतीय गुरु-शिष्य परंपरेतील या आधुनिक शिष्याचे बहुसौजन्यबोल ऐकल्यावर हे यत्किंचित बिचारे प्राध्यापक तरी काय बोलणार आणि काय करणार....?

चारशे वर्षांपूर्वी होऊन गेलेल्या छत्रपती शिवाजी महाराजांशी नाते सांगणाऱ्या फेटेवाल्या विद्यार्थ्यांची एकंदर सदसद्विवेकबुद्धी (?) बरंच काही सांगून गेली. सरतेशेवटी दिवसभराची बहुसंस्कृतपणाची झूल उतरवून आधुनिकतेची शॉल अंगभर लेवूनच सगळ्यांनी एकदाचं हुशश करत सुस्कारा सोडला.

मेक इन इंडियाची ही एकदिवसीय साठा उत्तराची कहाणी पाचा उत्तरा सुफल संपूर्ण झाली असं म्हणून (मनातल्या मनात) करून मीही कॉलेजमधनं काढता पाय घेतला.

- प्रा. विजय मोरे (ICCS)

आई

आई या शब्दाचा अर्थ व्यक्त आपण करू शकत नाही. आई ही सर्वांपेक्षा श्रेष्ठ महान असते. आईची जागा या जगात कोणीच घेऊ शकत नाही.

आई अस्तित्वात असताना किंवा नसताना तिची आठवण माणूस मरेपर्यंत विसरू शकत नाही ती मायाळू, प्रेमळ सर्वांवर सारखच प्रेम करणारी तो मुलगा असो या मुलगी, मुलगा कितीही वाईट असला तरी त्याच्यासाठी जीव देते अतूट प्रेम करते व त्याच्याकडे ओढ करते.

आईसारखी माया कोणीच लावू शकत नाही व देऊ शकत नाही. आई मुलांसाठी भरपूर ओढाताण करत असते. लहानपणापासून तर तो मोठा होईपर्यंत त्याची काळजी करते. मोठा झाल्यावर माझ्या मुलाचं कधी चांगले होईल. हे पहात असते आई एक स्वप्न अतसे जसं स्वप्न जागे झाल्यावर नाहीसे होते. तसच कधी आपल्या जीवनात आई नावाचे स्वप्न होऊन जाते. कधी कोणाला आई ही आयुष्यभर परमेश्वर साथ देत असतो व काही मुलांचं दुर्दैवच म्हणावे लागेल की आई ही त्यांच्या कमी आयुष्यातच निघून जाते व त्या मुलांना तेव्हा वाटते की आपल्याला स्वप्न तर पडले नसेल का?

पण ते जेव्हा शुद्धीवर येतात तेव्हा त्यांना वाटते की आपली आईच या जगातून कायमची गेली, तेव्हा या मुलांना किती दुःख होत हे त्या मुलानाच माहिती असेल. आई या नावाने कितीही मागे आवाज दिला.....

पण! ती बिचारी कधीच येऊ शकत नाही. खूपच आईची आठवण येते. त्या मुलांना मग बिचारे करतील काय! कोणाला सांगतील मग आई गेल्यावर खूप संकटांना तोंड द्यावे लागते.

परमेश्वरा आई सर्वांनाच आयुष्यभर नाही पण ते मुलांचं सगळे शिक्षण त्याची आयुष्याची लाईन आयुष्याची गाडी लागेपर्यंत तरी असू दे!

परमेश्वरा परमेश्वरा तू आईच्या पोटी जन्म तर देतो. मग तिला तिच्या पाखरांपासून दूर का करतो!

परमेश्वरा ये परमेश्वरा सांग बरं!.....

तेजश्री कल्लाल, (F. Y. BCA)

मेक इन इंडिया

आज जगातील अनेक कंपन्या आशिया खंडात येऊ पाहात आहेत, मात्र नेमकी कोणत्या देशात गुंतवणूक करायची याबाबत कंपन्यांमध्ये संभ्रमावस्था आहे.

भारत हा लोकशाही व्यवस्था, लोकसंख्येचे वैशिष्ट्य आणि प्रचंड मागणी असलेली बाजारपेठ असलेले आशियातील एकमेव राष्ट्र आहे. हीच आपली ताकद आहे.

यामुळे भारताला संशोधन आणि उत्पादन क्षेत्राचे जागतिक केंद्र म्हणून विकसित करण्यासाठी 'मेक इन इंडिया' हे महत्वाकांक्षी अभियान केंद्र शासनाने सुरु केले आहे.

मित्रहो, भारतातील उद्योग, लघुउद्योग, स्थानिक उद्योग त्याचबरोबर शेतीउद्योग यांची क्रयशक्ती बघता स्पर्धक जागतिक उद्योग समूहाच्या बरेच मागे आपण आहोत हे आपण मान्य केले पाहिजे.

आजही आपण तंत्रज्ञानासाठी परदेशी मदतीवर अवलंबून आहोत. अशी कितीतरी उदाहरणे आपण देऊ शकू. देशाचा विकास बहुआयामी करण्यासाठी आणि अर्थव्यवस्थेमध्ये चैतन्य आणण्यासाठी क्रियाशील धोरण आणण्याची आवश्यकता आहे.

विकासासाठी निकोप स्पर्धा हवी आहे. आणि ह्या स्पर्धेसाठी आपल्याला एक मोठा स्पर्धक लाभलेला आहे. तो म्हणजे चीन. आज आपण कोणतीही वस्तू विकत घेतली तर त्यावर कोरलेली 'मेड इन चायना' हे वाक्य आपल्या सवयीचं झालेलं आहे. चीनची अर्थव्यवस्था अमेरिकेलाही मागे टाकून प्रथम क्रमांकाची बनू पाहात आहे.

आज जागतिकीकरणाचे समीकरणे बदलत आहेत. जगाच्या व्यासपीठावर प्रगत देश विकसनशील देशांना एकटे पाडताहेत. जसे पर्यावरणाचा समस्या, दहशतवाद, शांतता, अणूऊर्जा, तंत्रज्ञानाची देवाण-घेवाण, या विषयीचे धोरणात्मक निर्णय आपल्या विरोधात घेतलं जातात.

जागतिकीकरणाच्या चढाओढीतून, स्पर्धेतून नव्हे तर कोणत्याही मानवी समूहाला आपला विकास व्हावा, जगाच्या व्यासपीठावर आपली ठळक नाममुद्रा असावी असे वाटते. या सहज नैसर्गिक भावनेचं हे दृश्य कल्पना म्हणजेच 'मेक इन इंडिया' हे अभियान.

मित्रहो, हे अभियान, वस्तू गाड्या, सॉफ्टवेअर, उपग्रह, पाणबुड्या, औषधनिर्मिती बंदरे, अणूऊर्जा, सौरऊर्जा इत्यादी क्षेत्रात पायाभूत सुविधा, प्रशासन गतिमानता निर्माण करण्याची हमी देते. ही सर्व क्षेत्रे ज्ञान, तंत्रज्ञानावर आधारित आहेत. यांच्या उभारणीसाठी कुशल तंत्रज्ञ, संशोधक, वैज्ञानिक यांची उपलब्धता हा कळीचा मुद्दा आहे.

कारखान्यातील उत्पादन प्रक्रियेमागे निरंतर संशोधन - तंत्रज्ञान-उत्पादन बाजारातील मागणी, तिचे मूल्यांकन या टप्प्यांचा समावेश असतो. वस्तू ही लोकप्रिय व सर्वमान्य होण्यासाठी सर्व टप्प्यांवर शास्त्रीय निकषांची अंमलबजावणी करावी लागते, यासाठी त्या त्या क्षेत्रातील विशेष तज्ञ मंडळींची आवश्यकता भासते.

प्रगत मनुष्यबळ निर्मितीसाठी आपल्या राज्यकर्त्यांना आपली परिक्षाभिमुख शैक्षणिक धोरणे आणि विचार अगोदर टाकून द्यावी लागणार आहेत. आणि कालसुसंगत धोरणांचा विचार नव्हे अंमलबजावणी करावी लागेल.

'भारत' ही नाममुद्रा जागतिक पातळीवर चमकण्यासाठी विज्ञान-तंत्रज्ञान-उपयोजित विज्ञान यात भरीव कामगिरी सातत्याने होणे गरजेचे आहे. ही जबाबदारी उच्च शैक्षणिक संस्था जसे IIT, IISER, NTT, IST, NCL यांनी उचलली पाहिजे.

मुलांच्या विद्यार्थीदशेपासूनच त्यांच्या वैज्ञानिक कुतूहलाला प्रोत्साहन दिलं पाहिजे. त्यांच्या शैक्षणिक अभ्यासक्रमात त्यांच्या आजूबाजूचे विषय असायला हवेत जसे - आजूबाजूचे निसर्गविज्ञान, शेती व्यवस्थापन, पाणी व्यवस्थापन, ग्रामीण जीवन, ऊर्जा व्यवस्थापन.

आपल्या बोट अजणीपणामुळे आजही 'स्मार्ट सिटी' सारख्या, उपक्रमांना राबवण्यासाठी 'मॅकेन्सी' सारख्या विदेशी सल्लागार कंपन्यांची मदत घ्यावी लागते. हे अवलंबित्व कमी होणे अपेक्षित आहे.

या अभियानाचे चार मूलभूत स्तंभ आहेत -

१) शासन २) उद्योजग ३) शैक्षणिक संस्था ४) नागरिक यातील चौथ्या घटकाला इतर घटकांची साथ आवश्यक आहे. कारण एक तर गोंधळलेला असतो किंवा त्याला कायम गोंधळात ठेवलेलं असते.

‘मेक इन इंडिया’ यशस्वी होण्यासाठी काही गोष्टींची अंमलबजावणी कटाक्षाने होणे गरजेचे आहे.

१) शैक्षणिक अभ्यासक्रमात वैश्विक विज्ञानाबरोबर उपयोजित विज्ञानाचाही समावेश करावा.

२) शिक्षणव्यवस्थेने सर्व थरातील विद्यार्थ्यांना सामावून घेतलं पाहिजे. आजची शिक्षणव्यवस्था श्रीमंतांना पूरक आहे. याचा तोटा गरीब, खेड्यातील, निमशहरी मुला-मुलांच्या कार्यकुशलतेवर व आत्मविश्वासावर होतो.

३) सरकारी यंत्रणा, स्थानिक उद्योग, शिक्षणसंस्था व लोकप्रतिनिधी त्यांचा समन्वय हवा.

४) ‘सरकारी काम, सहा महिने थांब’ ह्या मानसिकतेला चाप बसायला हवा.

५) संशोधन संस्था व शैक्षणिक संस्था यांनी स्थानिक समस्यांचा अभ्यास करून उपाय सुचवावेत. यामुळे दरवेळी विदेशी सल्लागार संस्थापुढे हात पसरावे लागणार नाही.

मित्रहो, ही एक निरंतर प्रक्रिया आहे. तो दिवस दूर नाही की भारताची नाममुद्रा ठळकपणे उठून दिसेल. चल तर आपण आपल्या प्रगतीला हातभार लावू या.

- अमृता मोहिते (S. Y. BSc)

बस एक माँ, खफा नहीं होती,

मेरी ख्वाईश है कि फिर से फरिश्ता बन जाऊ।

माँ से इस तरह लिपट जाऊ कि बच्चा बन जाऊ।

लबों पे उसके कभी बददुआ नहीं होती।

बस एक माँ है जो मुझसे खफा नहीं होती।

अभी जिंदा है माँ मेरी मुझे कुछ नहीं होगा।

मे घर से जब निकलती हूँ दुआँ भी साथ चलती है।

कुछ नहीं होगा तो आँचल में छूपा लेगी मुझे माँ कभी सर पे खुली छत नहीं रहने देगी।

किसीको घर मिल हिस्से में या कोई दुकान आई, मैं घर में सबसे छोटी थी मेरे हिस्से में मेरी प्यारी माँ आई।

इस तरह मेरे गुनाहों को धो देती है माँ, बहुत गुस्से में होती है तो रो देती।

वाकई माँ कि ममता का वर्णन इसे बहतर नहीं हो सकता है।

आप लाख गलती कर ले, अपनी हरकतों से माँ को ठेस पहुंचाएं लेकिन माँ हमेशा ही अपने बच्चों कि सलामती चाहती है।

माँ का प्यार वह उर्जा है जो साधारण इन्सान को असंभव कार्य करने में सक्षम बनाती है।

अंजली शुक्ला, (S. Y. BCA)

अच्छे दिन

आज आपण २१ व्या शतकात जीवन जगत आहोत. जसे-जसे नवे नवे शोध लागत गेले, त्याबरोबर विज्ञानही खूप पुढे गेले आहे. काळाबरोबर सर्वकाही बदलत आहे. आज आपला भारतदेश ही खूप प्रगती करतोय. आपला भारत देश विकसनशील कडून विकसित होण्याकडे प्रवास करतोय, येत्या काही वर्षात आपण एक विकसित देश म्हणून जगासमोर येऊ हे निश्चित आहे. एखाद्या देशाला विकसित करण्यासाठी तेथील लोकांचा यंत्रणेचा आणि सरकारचा खूप मोठा वाटा असतो.

एखादा देश हा सांस्कृतिक, आर्थिक राजकीय, शैक्षणिक व त्याचबरोबर नैतिकदृष्ट्याही समृद्ध असणं आवश्यक आहे. आज आपला भारत देश विकसित होण्याकडे वाटचाल करत असताना नैतिकतेच्या बाबतीत, कुठेतरी कमी पडतोय. आजकाल लोक बदल ऐवजी बदला घेण्याचाच जास्त विचार करतात आजकाल लोकांना वाटतेय की भारतात “अच्छे दिन” केव्हा येणार. परंतु काही गोष्टींचा विचार केला असता मन थोडंसं विचलित होत, जसे

- * वीज चोरी करणारा व्यक्ती म्हणतो, अच्छे दिन केव्हा येणार.
- * कचरा कुंडीत न फेकता, इकडे तिकडे कचरा करणारा व्यक्ती म्हणतो, अच्छे दिन केव्हा येणार.
- * इनकम टॅक्स चोरी करणारी व्यक्ती म्हणतो. अच्छे दिन केव्हा येणार.
- * कामावर उशिरा आणि लवकर घरी जाण्यासाठी घाई करणारा व्यक्ती म्हणतो ‘अच्छे दिन’ केव्हा येणार.
- * मुर्लीची छेड काढणारा व्यक्ती म्हणतो अच्छे दिन केव्हा येणार.
- * ट्रॅफिकमध्ये सिग्नल तोडणारा व्यक्ती म्हणतो अच्छे दिन केव्हा येणार.
- * अभ्यासातून लांब पळणाऱ्या विद्यार्थ्यांना पण अच्छे दिन हवे आहेत.

मला माझ्या भारतासाठी काही योगदान करायचे असेल तर मी सामाजिक व नैतिकदृष्ट्या योगदान करेन. कारण सुरुवात तर येथूनच करायला हवी.

“आपल्याला वकिलाची गरज आयुष्यात एकदा भासू शकते, डॉक्टरची वर्षातून एकदा पण शेतकऱ्याची गरज दिवसातून तीनदा भासते. त्या शेतकरी बांधवासाठी काहीतरी मदत करण्याची गरज आहे कारण त्यांना आपल्या आधाराची गरज सध्या जास्त भासत आहे. आज एखादा छोटासा छोटा सरकारी कर्मचारी जेव्हा संप करतो, तेव्हा त्याचा पगार हजार पटीने वाढून मिळतो, परंतु आमचा शेतकरी अजूनही संप करत नाहीये पण जेव्हा शेतकरी संप करेन त्यादिवशी अखल्या भारत उपाशी झोपेल!

भारतात शिक्षण सक्तीचे झालेले असूनही ते तळागाळापर्यंत पोहोचलेले नाहीये. उदा. वीटभट्टी कामगारांची मुले, झोपडपट्टीतील मुले, उसतोडी कामगारांची मुले. भारताला १००% साक्षर करण्यासाठी या मुलांनाही शिक्षण हवेच ना? आपल्या संविधानाने त्यांनाही हक्क दिलाय ना शिक्षणाचा?

यामुलांसाठी नवतरुणांनी पुढाकार घेऊन मोफतवर्ग चालवण्याची गरज आहे, त्यांना निदान अक्षर ओळख व्हावी, त्यांना गोष्टी सांगितल्या पाहिजे.

भारतातील अच्छे दिनसाठी यांचेही योगदान आहेच ना!

पौराणिक काळापासून ‘स्त्री’ ला भारतात एक आगळा वेगळं स्थान आहे. परस्त्री मातेसमान असेही म्हणतात. परंतु आज ती ला जन्मच घेऊ दिला नाहीये! आजही भारतात अशा काही स्त्रिया आहेत की त्यांनी त्यांच्या क्षेत्रात खूप मोठं नाव कमवलयं जसे की लता दीदी, सायना नेहवाल, कल्पना चावला इ. परंतु काही ठिकाणी तिला अपमानास्पद वागणूक दिली जाते. अत्याचार होतात, मानसिक छळ होतोय व तिची छेड काढली जाते.

सर्वप्रथम आपण स्त्रियांबद्दल आपल्या मनात आदर बाळगायला हवा व आपल्या सहवासातील लोकांचे मतपरिवर्तन करायला हवे. सावित्रीबाई फुलेंचे विचार जगासमोर आले पाहिजे. कारण देवाला पूजणाऱ्या महिला, आज देवदासी झाल्या. आसाराम बापूला पूजणाऱ्या महिला आज बर्बाद झाल्या परंतु आमच्या सावित्रीबाईंना पूजणाऱ्या महिला आज

डॉक्टर, शिक्षक, इंजिनियर, सरपंच, आयपीएस, प्रधानमंत्री, समाजसेवक, राष्ट्रपती झाल्या, आज आपल्या भारतात पोलिसांकडे बघताच सुरक्षिततेची भावना निर्माण होण्याऐवजी, चिंता निर्माण होते लोकांच्या मनात.

काही केले तरी पोलिससुद्धा माणूसच आहे ना? उदा. ट्रॅफिक पोलिस. यांनाही घरदार आहे, मुलेबाळे आहे, कुटुंब आहे.

मग थोडी चिडचिड झाली तर काय बिघडलं आपणही पोलिसांना समजून घ्यायला हवं. त्यांच्यासाठी कधीतरी पोलिसमित्राची काम करायला निदान ट्रॅफिकमध्ये उभे असताना, वाहतुकीच्या नियमांचे पालन केले तरी हे देशासाठी खूप मोठे योगदान ठरेल व आपोआपच अच्छे दिन येतील.

सध्या भारतात धर्मावरून खूप मोठा वाद चालू आहे. परंतु याच मूळ शोधाल तर ते आपल्या प्रतिज्ञेमध्ये, राष्ट्रगीतामध्ये व संविधानामध्ये आहे. प्रतिज्ञेमध्ये आपण म्हणतो, “सारे भारतीय माझे बांधव आहे” परंतु प्रत्यक्षात तसे वागतो का? आम्ही सतत एकमेकांचा मस्तर, कुरघोडी करण्याचा प्रयत्न करत असतो. तुझी जात ती... माझी जात ही..... आपला आवडता वाद म्हणजे जातीवाद. आणि ४००-५०० वर्षांपूर्वीचे भांडण उकरून काढून भांडत बसण्यात आपला हात कोणताच देश धरू शकत नाही. आज आपल्यातील कित्येक जणांना आपल्या राष्ट्रगीताचा, प्रतिज्ञेचा अर्थ माहितेये जी आपण इयत्ता पहिलीपासून परिपाठामध्ये रोज म्हणत आलो. भारतातील अच्छे दिनसाठी प्रतिज्ञेचा, राष्ट्रगीताचा, संविधानाचा खरा अर्थ लोकांपर्यंत पोहोचला पाहिजे. तरच अच्छे दिन व धर्माचा वाद नष्ट होईल. कारण “झाड जोपर्यंत एकत्र बांधलेला असतो तोपर्यंत तो कचरा साफ करतो परंतु तोच झाडू तेव्हा विखुरला जातो तेव्हा तो स्वतःच कचरा होऊन जातो. त्यामुळे संघटित व्हा व देशाच्या विकासासाठी छोट्या छोट्या गोष्टींमधून योगदान द्या.

* ज्या देशात पाणपोईवर ठेवलेला ग्लास साखळीने बांधावा लागतो.

* मंदिराच्या बाहेर पाटी लावावी लागते पादत्राणे बाहेर काढा.

* रेल्वे स्टेशनवर तिकिट खिडकीत सूचना लिहावी लागते रांगेत उभे राहा.

* दवाखान्यात लिहावे लागते शांतता राखा

* सरकारी कार्यालयात भिंतीवर थुंकू नका, पण लोक त्या सूचनेवर थुंकतात.

त्या देशात पंतप्रधान, मुख्यमंत्री व खासदार बदलून काय फरक पडणार आहे. जिथे लोक स्वतःला बदलून घेऊ इच्छित नाहीत तेथे राजकारण्यांकडून काय अपेक्षा ठेवायच्या. खऱ्या अर्थाने मानसिकता बदलण्याची गरज आहे. कारण लोकांना हक्क माहितेय परंतु कर्तव्य नाही.

प्रत्येकालाच वाटतेय की भारत एक विकसित देश म्हणून जगासमोर यावा, अच्छे दिन यावेत परंतु लोकांची स्थिती अशी आहे की,

“स्वर्गात तर सर्वानाच जायचंय

पण मरायचं मात्र कोणालाच नाही.”

जर आपल्याला अच्छे दिन हवे असतील तर सर्वांनीच योगदान द्यायला हवे कारण बदल घडविल्याशिवाय प्रगती होऊ शकत नाही.

क्या है खुश रहने का राज “ A Motivational Story”

एक समय की बात है, एक गाँव में महान ऋषि रहते थे। लोग उनके पास अपनी कठिनाईयां लेकर आते थे और ऋषि उनका मार्गदर्शन करते थे। एक दिन एक व्यक्ति ऋषि के पास आया और ऋषि से एक प्रश्न पूछा। उसने ऋषि से पूछा कि “गुरुदेव मैं यह जानना चाहता हूँ कि हमेशा खुश रहने का राज क्या है

(What is the secret of Happiness?)

ऋषि ने उससे कहा कि तुम मेरे साथ जंगल में चलो, मैं तुम्हें खुश रहने का राज (Secret of Happiness) बताता हूँ।

ऐसा कहकर ऋषि और वह व्यक्ति जंगल की तरफ चलने लगे। रास्ते में ऋषि ने एक बड़ा सा पत्थर उठाया और उस व्यक्ति को कह दिया कि इसे पकड़ो और चलो। उस व्यक्ति ने पत्थर को उठाया और वह ऋषि के साथ साथ जंगल की तरफ चलने लगा।

कुछ समय बाद उस व्यक्ति के हाथ में दर्द होने लगा लेकिन वह चुप रहा और चलता रहा। लेकिन जब चलते हुए बहुत समय बीत गया और उस व्यक्ति से दर्द सहा नहीं गया तो उसने ऋषि से कहा कि उसे दर्द हो रहा है। तो ऋषि ने कहा कि इस पत्थर को नीचे रख दो। पत्थर को नीचे रखने पर उस व्यक्ति को बड़ी राहत महसूस हुई।

तभी ऋषि ने कहा – “यहीं है खुश रहने का राज (Secret of Happiness) व्यक्ति ने कहा – गुरुवर मैं समझा नहीं।

तो ऋषि ने कहा –

जिस तरह इस पत्थर को एक मिनट तक हाथ में रखने पर थोड़ा सा दर्द होता है और अगर इसे एक घंटे तक हाथ में रखें तो थोड़ा ज्यादा दर्द होता है और अगर इसे ज्यादा समय तक उठाये रखेंगे तो दर्द बढ़ता जायेगा उसी तरह दुखों के बोझ को जितने ज्यादा समय तक उठाये रखेंगे उतने ही ज्यादा हम दुःखी और निराश रहेंगे। यह हम पर निर्भर करता है कि हम दुखों के बोझ को एक मिनट तक उठाये रखते हैं या उसे जिंदगी भर। अगर तुम खुश रहना चाहते हो तो दुःख रूप पत्थर को जल्दी से जल्दी नीचे रखना सीख लो और हो सके तो उसे उठाओ ही नहीं।

- प्रो. पियुष दिक्षित , ICCS

CURRICULAR ACTIVITY

Debate Competition

9th State Level Late Shri Shankarrao Wakalkar Debating Competition

6th January 2016

“A Good debate is aimed at the thoughtful conclusion acceptable to all not just winning the verbal dual.”

Debate, as considered as a verbal dual is actually a method of interactive and representational argument. Debate is a broader form of argument than battle of words. Students are full of ideas and arguments. They need a platform to channelize their energy and enthusiasm. Eyesight to locate the problem, a skill to interpret it and finally express it in front of the person who has opposite point is the way of debate. It examines whether a conclusion is a consequence of thoughts, factual argument, rhetoric, which is a technique of persuasion. Though logical consistency, factual accuracy and some degree of emotional appeal to the audience are important elements of the art of debating, one side often prevails over the other side by presenting a superior "context" and/or framework of the issue, which is far more subtle and strategic. The outcome of a debate depends upon consensus or some formal way of reaching a resolution, rather than the objective facts as such. In a formal debating contest, there are rules for participants to discuss and decide on differences, within a framework defining how they will interact.

Subject for Debate: Is today's young generation versatile or restless?

Subject for Elocution: Is Democracy for common man or for royals? Save Girls Child, Save Country?

* Dr. Sanjay Upadhye, was the chief guest for the Debate & Elocution Competition.

* Competition was inaugurated by hands of Dr. Sanjay Upadhye, Dr. Tarita Shankar and Prof. Chetan Wakalkar, Group Director, IGI

* The judges for the competition were Prof. Deepak Mathapati, Prof. Deelip Chavan, Prof. Thigale and Dr. Sujata Bamane.

Debate Competition:

Winning Team: Aparna Bose & Abhiruk Bhattacharya (Fergusson College, Pune)

Individual Prizes:

1st Prize: Manya Singh (MIT College)

2nd Prize: Loknath Debrath (Bharathi Vidyapeeth)

3rd Prize: Soumik Chaudhari (Sinhgad Business School)

Consolation Prize: Achintya Kumar (MIT College)

Elocution Completion:

1st Prize: Pravin Shinde (T.M.V.Pune)

2nd Prize: Rahi Shinde (Fergusson College)

3rd Prize: Talvin Kaur (Indira College of Communication)

Consolation Prize: Tripti Sadhwani (Modern College, Ganeshkhind)

Winners of Debate Competition.

Dr. Sanjay Upadhye, was the chief guest for the Debate & Elocution Competition.

Winning Team of Debate Competition.

Gusto X-plosion (Blast from the past) 2016

Indira College of Commerce and Science, Pune organized Gusto X-plosion (Blast from the past) 2016 on 11th February to 13th February, 2016. The venue was Indira College of Commerce and Science, Pune. The event was largely attended and highly appreciated. Gusto X-plosion 2016 was a delightful time not just for the students and participants involved in the fun and exciting events but also for the makers and dreamers who collectively conceptualized and executed one of the finest and most remarkable college festival in the city. Attracting hundreds of students from all over the country for the event was a challenge that required determination and luckily our crew was just the right kind for this venture. We couldn't be happier with the guidance of our teachers who stood by us every step of the way. Gusto X-plosion (Blast from the Past) is humbled by the efforts of our management for the best possible availability of resources.

OPENING CEREMONY

The Gusto X-plosion was inaugurated by **Dr. Tarita Shankar, Chairperson, Indira Group of Institutes**. The presiding dignitary was **Prof. Chetan Wakalkar, Group Director, Indira Group of Institutes**. The venue for the Opening Ceremony was the Dhruv Auditorium. Other dignitaries were **Dr. Anjali Kalkar, Principal, ICCS, Dr. Janardan Pawar, Vice-Principal, ICCS, Prof. Prashant Kalshetti, HOD-BBA, BBA (IB) & Event Organizer**.

Events in Gusto

Tangential Events -

A fantastic range of events fell into the tangential category, probably the most exclusively fun and challenging trivia was shared and events such as Bollywood Quiz and TV fanatics quiz which are traditionally popular at Gusto saw even larger crowds. Participants of the TV fanatics quiz took giant leaps of faith with questions about telly trivia. Truly, tangential events were better than ever before with the efficient organisation and eye catching themes.

Bollywood Quiz: Bollywood Quiz and TV fanatics quiz which are traditionally popular at Gusto saw even larger crowds. These attractive contests teased the participants and checked their knowledge on the paparazzi of Bollywood.

Model Making: Model Making and Photography competitions saw immense creativity, almost verging on an international level competition. The models and posters presented were innovative and few of them had elements which definitely got some eye-balls rolling.

Cultural Events -

The most glamorous and beautifully entertaining events of the Cultural arena saw intense participant competition and thrilled the crowd. Talking about the crowd at the **War of DJs** and the official rock show **Gig-A-Heartz**, people went totally bonkers for the greatly talented individuals and groups that performed their hearts out and made us jump on our feet and sing those tunes out loud. The crowd cheered intensely for the talented and attractive faces on the stage in **Model Hunt** and **La' Bela**. In all its glory it was one of the best nights of Gusto X-plosion 2016.

Gig-A-Heartz: It was a heart-breaking for all that rock show rocks on the floors of ICCS. It made everyone jump and sing those tunes out loud. The anticipation was high and the output higher. Gusto X-plosion saw an immense crowd turnout and some scintillating performances that rocked our campus.

Indira Idol: Indira Idol was another remarkable success with melodious voices echoing the premises to make a mark on our festival. To have a jam packed auditorium cheering and humming to the tunes of the contestant was a pleasant sight.

The retro theme added to the entertainment quotient by taking us back to the sweet music of the 1970's and 80's which was a treat to watch.

Model Hunt & "La Bela": The most star studded gala event on the cultural front was Model Hunt and the epic Fashion Show "La Bela". Model Hunt produced some extraordinarily talented individuals who dared to showcase to the audience their glamour and confidence.

La Bela was the finale of Gusto X-plosion and it lived up to its name. Team Gusto has proudly made its mark over 10 years and made its fashion show a platform where talented individuals can come an smoke the ramp adding to the glamour quotient. It was a fascinating experience for the audience who were thoroughly entertained by the show on display.

Sports Events -

As the crowd on the bleachers cheered for the amazing athletes, their confidence was increased tenfold by facing the intense competition. Though a lot of athletes were found often near the food stalls trying one or the other delicacies & find more energy. Along with that, Mini basket was another addition to our sporting event collection. Also this time our Virtual Sporting events such as FIFA and Counter Strike Gaming saw participants engaged in fierce battles and some had the attitude of professionals competing on agiant level.

Futsal & Box Cricket: Futsal arena was filled with a large number of football fans who came from all over the city to exhibit their skills with the ball. Box-Cricket was an power-packed scenario with youngsters playing 6 a side cricket matches to win the Gusto Premier League.

Table Tennis: For the first time we held a Table Tennis match as a part of sporting events which saw equally sturdy participation. The outcome was a series of electrifying matches to keep everyone shell shocked.

Cyclothon: Cyclothon was a huge success and attracted a lot of people. The enigma and adrenaline boost was definitely provided to the participants by the ever enthusiastic crowd which led to the guys on a cycle give it their best shot.

Celebrities Invited in Gusto

Ruhi Singh, Actress & Former Miss India Universe(2015), (Film: Ishq Forever)

Krishna Chaturvedi, Actor, (Film: Ishq Forever) Jubin Nautiyal, Singer

CLOSING CEREMONY

More than 800 students from around 80 colleges have participated in the 10th edition of Gusto. At the closing ceremony of Gusto X-plosion 2016, all the prizes of different events were distributed. Gusto X-plosion 2016 College Championship Trophy was handover to Pratibha College of Commerce & Science, Pune.

i-MUN 2015

It is a strong sight when a large number of students come together to change the world. The Indira Model United Nations (i-MUN) was a two day conference at Indira College of Commerce and Science that achieved exactly that.

We invited over 120 students as delegates from all over the country, along with 9 highly talented individuals on the Executive Board. The event also saw the presence of the Dr. Tarita Shankar, Prof. Chetan Wakalkar, Group Director, Indira Group of Institutes, Dr. Anjali Kalkar, Principal and Prof. Prashant Kalshetti, the Event Head and HOD of BBA and BBM-IB.

The students got together in these two days to discuss leading issues such as the Human Rights Violation in the FIFA world cup's host country this year, the situation of the LGBT rights worldwide, the question of the legalization of prostitution, the Horrific Rwandan Genocide of 1994 and The Conservation of Biodiversity for the sake of the world.

In a very successful turn of events, the turnout of the delegates that appeared surpassed all expectations and by the end of the fourth session of a five session series, most of the councils had their reports drafted and ready.

The results have been passed on to the UNIC for further evaluation along the path to help untangle some of the grave problems in the world. The event ended with the closing ceremony wherein the Winning delegates were all felicitated in the awards ceremony along with the unveiling of the college i-MUN magazine "Flash Mob Edition III".

Dr. Nandini Deshpande, for the event ,**

Reader's Club Activity:

“No Entertainment is so easily available as reading nor any pleasure so lasting”

Library is said to be the holy place, where knowledge gets exchanged. It is the place of Goddess Saraswati & whoever comes in to her shadow gets enriched To inculcate knowledge and to develop interactions amongst students & faculty members a readers club has been established. Under this Readers Club Activity a program is arranged on every Friday. The faculty members of different subject share their knowledge and views with the listeners. This activity has become enjoyable activity for both speaker and audience. A liberty is given to the faculty members to select the topic of their own choice. It has helped readers club to have many more interesting topics apart for academics. Every Friday a session is arranged in reading room. The main objective of this activity is to spread knowledge and create listening habits among faculty and students.

Lectures delivered by faculties under Readers Club Activity

Champions ka Champion Competition (CKC) Series of Personality Development Presentations

Champions Ka Champion Competition (CKCC), a game-less competition for the subject of PERSONALITY DEVELOPMENT which got all the SYBBA students of ICCS together.

CKCC III was the platform where all the students of SY BBA enjoyed and behaved like a warriors, every friend was like a competitor and vice-versa was fighting for his team, everyone seems to be ambitious throughout Season. CKCC is not only about making power point presentations and presenting them but also introducing new techniques of studies which helps the students to enjoy their studies and to improve their presentation skills, building confidence, risk taking ability, competency in decision making, managing oneself, overall shaping one's personality. It is also about gaining the top spot through courage, determination and hard work. The modus operandi used in CKCC – III was Role Plays, Teaching through Case Studies, Hidden Tasks, Portrayals of Articles in Personality, Brain Storming Group Discussions Personal Interviews and So on. Activity happened for 76 days in 6 rounds with 21 Teams and 73 Activities and Presentations.

Championska Champion for year 2015-16 is Miracle Workers Led by Mr. Vijay Wadhvani student of SY BBA.

Runners up of CKCC – III are Team PEACE led by Mr. Hafizullah Esar student of SY BBA.

CKCC has witnessed the transformational effect in students through the activity, up on which the students are recognized with awards which are in pertinence with Personality Traits.

Extra Curricular activity

Culture of India at INDIRA

A **culture** is a way of life of a group of people their behaviors, beliefs, values, and symbols that they accept, and that are passed along by communication and imitation from one generation to the next. The **culture of India** is the way of living of the people of India. India's languages, religions, dance, music, architecture, food, and customs differ from place to place within the country. The Indian culture, often labeled as an amalgamation of several cultures, spans across the Indian subcontinent and has been influenced by a history that is several millennia old. Many elements of India's diverse cultures, such as Indian religions, Indian philosophy and Indian cuisine, have had a profound impact across the world.

At this age of the world where it being observed that the culture is being dying or somewhere or the else it is going to be extinct in Indira we all believe in keeping these cultures of India alive by activating it in on regular basis of our lifestyle.

Throughout the year we here in Indira celebrated each and festivals some of them were like the Ganesh Utsav , Navratri , International Yoga Day , Saraswati Puja etc. below are some glimpses of the above mentioned cultural events.

NAVRATRI CELEBRATION

**Laughter Yoga by Mr. Madan Katariya
for B.Sc. & M.Sc, MCA Students
and ICCS Staff**

Ganesh Festival ICCS 2015-16

National Service Scheme Camp Activity Report 2015-16

This is second year, where continuously NSS camp of Indira College of Commerce and Science was organized from 22nd December 2015 to 28th December, 2015 at Kondivade village (Andar-Maval) Pune, 36 Kms from college. This village is adopted by SPPU after 1st camp held by this college to make it as a smart village. NSS Program officer of college Prof. Avinash Shingte and Prof. Prashant Dhake with 25 NSS Volunteers (10 girls and 15 boys), 2 faculties (one lady teacher) & one peon was participated in this camp. The details of activities are mentioned below.

Interaction with students

Village Map Micro Planning

Felicitation of Dr. Vasudev Gade (VC SPPU) by the hands of Prof. Shingte sir

NSS unit of Indira College with Vice Chancellor of SPPU.

Outdoor Management Training (OMT)

Outdoor Management Training (OMT)

Outdoor Management Training (OMT) is an activity which is conducted at the start of academic year every year for the first year BBA and BBA (IB) students which help them in getting acquainted with each other build a sense of togetherness, identify theirs and others strengths and weaknesses. It develops qualities of help, tolerance, team-spirit, unity, discipline and leadership and makes mentally fresh.

1) FYBBA and BBA (IB):

In the academic year 2015-16, OMT was organized for first year BBA and BBA (IB) students as part of extra-curricular activity which will help to boost their confidence, build team management skills, and increase interaction among themselves and their mentors.

Date	:	18/08/2015 & 19/08/2015
Venue	:	Indira IT Campus, INS Campus.
Faculty	:	Prof. Prashant Kalshetti, Prof.Piyush Dixit, Prof. Rohit Waghmare, Prof. Yogesh Bhusari.
Class	:	First year BBA and BBA (IB)
No. of Students	:	FYBBA A: 80 FYBBA B: 80 FYBBA (IB): 79
Games	:	Cobb-Web, Sheep and the shepherd, Acid walk, 3 Ring game.

2) F.Y.B. Sc. (CS):

In the academic year 2015-16 Mr. Milind Khedkar has conducted OMT session. Their teaching faculty and two non-teaching staff members participated in the session throughout the day for mentoring the students of first year.

During the OMT program, four different games were enjoyed by the participated students with 8 teams.

Games were:

1. Sheep and Shepherd
2. Acid river Walk
3. Tower of Hanoi
4. Toxic Waste

The event was concluded by selecting the best 3 teams and was honored with prizes by the Vice-Principal Dr. Janardan Pawar.

3) M.Sc (Computer Science) / MCA(Science)

Date: 23rd – 24th December, 2015

Venue: Adventure Plus, Bhor

No of Students: Total - 58 (M.Sc(CS) – 41, MCA(sci) - 17)

Activities: Rappelling, Rock Climbing, Archery, Rifle Shooting, Rope Walk etc.

No of Faculties: 05

The students reported in the college at 8.00 am. After reaching Adventure plus students were divided into 4 groups and they were supervised by faculties. Various activities like rope walk, rifle shooting, archery, rock climbing, rappelling, cycling etc were carried out till 1.00pm. Post Lunch they had water activities and in the evening Campfire was organized. Next day morning everyone moved at 10.00 am.

Industrial Visit

1) B.COM:

Bombay High court

Bombay High Court located at Mumbai in the Indian state of Maharashtra, is one of the oldest High Courts of India with jurisdiction over the states of Maharashtra and Goa, and, the Union Territories of Daman and Diu and Dadra and Nagar Haveli. The High Court has regional branches at Nagpur and Aurangabad in Maharashtra and Panaji which is the capital of Goa. To have a live experience of cases a visit was arranged for the TY. Bcom students. It was a great experience for the students.

INFOSYS PVT.LTD.

Infosys is a global leader in consulting, technology, and outsourcing and next-generation services. We enable clients in more than 50 countries to outperform the competition and stay ahead of the innovation curve. With US\$9.02 bn in LTM Q2 FY16 revenues and 187,000+ employees, we are helping enterprises renew themselves while also creating new avenues to generate value. We provide enterprises with strategic insights on what lies ahead. We help enterprises transform and thrive in a changing world through strategic consulting, operational leadership, and the co-creation of breakthrough solutions, including those in mobility, sustainability, big data, and cloud computing.

To have an experience about the functioning of outsourcing business visit was arranged to Infosys ltd, Hinjewadi.

KSB PUMPS

KSB Pumps Ltd. founded in the year 1960, is head quarterd in Pune in the state of Maharashtra. To cater to the needs of the new and emerging India, KSB India has invested in world class facilities and technologies to cater to the demands of the Indian sub continent. KSB world class facilities in India are fully equipped to advise customers, design, test, fabricate and quality-assure on all aspects of fluid mechanics in India. Plants in Pimpri, Chinchwad, Vambori, Coimbatore and Sinnar are a showcase of immaculate manufacturing and engineering practices!

Apart from the five manufacturing units, KSB in India has a very strong Marketing, Sales and Service setup to offer solutions to our customers effectively. All pumps and valves are offered to the market today, are through a very wide distribution network all this to ensure that for every KSB pump and valve in use, there is a KSB sales and service outlet around the corner. To understand costing techniques its implication & cost calculation in process costing this visit was arranged.

SASA DETERGENT, SANASWADI.

A small business started by seven housewives 50 years back with a capital of just Rs 80 has now turned into a Rs 500-crore turnover empire supporting families of around 45,000 women. No compromise with quality and time-bound service are the success mantra of world's largest women enterprise Shri Mahila Griha Udyog. To witness the manufacturing & management of the organization, a visit was arranged to this organization.

Reserve Bank of India Monetary Museum

Money is an intrinsic component of the cultural heritage of a country mirroring its socio-economic history. India was one of the earliest issuers of coinage in the world and has been home to many-a-monetary experiment recorded in history. The RBI Monetary Museum aims at documenting and preserving this heritage. The Museum proposes to put in place permanent, temporary and itinerant exhibits of the representative coinage of India, paper currency, gold bars as well as financial instruments and curiosities down the ages. It also aims at stimulating research and study on the evolution of money around the Indian Ocean Rim and disseminating information to the Public anent currency & finance.

Bombay Stock Exchange

The Bombay Stock Exchange (BSE) is an Indian stock exchange located at Dalal Street, Kala Ghoda, Mumbai, and Maharashtra, India. Established in 1875, the BSE is Asia's first stock exchange and the world's fastest stock exchange with a median trade speed of 6 microseconds. The BSE is the world's 11th largest stock exchange with an overall market capitalization of \$1.7 trillion as of January 23rd, 2015. More than 5500 companies are publicly listed on the BSE. To know about the capital market and financial sectors for investment in india a visit to this stock exchange was arranged.

2) BBA & BBM-IB:

Course Name	Date of IV	Company Name	Address	Products/Services
BBA and BBM (IB)	12/01/2016	1. Clean Science and Technology	Kurkumbh	Chemicals
		2. Bhima Sahakari Sakhar Karkhana	Patas	Sugar
	21/01/2016	3. Grand Precicasts	Dheku Gaon, Khopoli	Metal Casting
		4. Amtronics		Machinery Model Designing
		5. PK Foils	Paper Manufacturing	
	23/02/2016	6. PK Papers	Tambati, Khooli	Metal fencing Manufacturing
7. Ahil Fencing		Food beverages		
8. Parle		Logistics		
	9. JNPT (Jawaharlal Nehru Port and Trust)	Panvel		

Short Report on IV along with titled photographs:-

To get global exposure and to get the knowledge how the international trade is carried out in Logistics the students of SY BBA and SY BBM (IB) witnessed at JNPT. In addition to this students could get exposed in chemical formulation, at Clean Science and Technology. Sugar manufacturing made understood at Bhima Sahakari Sakhar Karkhana. Grand Precicasts Could try to chisel out about Metal Casting, Amtronics helps in knowing Mechanical Machinery Modeling, PK industries threw the light on Paper manufacturing, Foil Manufacturing and Packaging. Ahil Industries taught students about manufacturing of metal fencing for hilly and rock areas. At the last students could get to know about food and beverage manufacturing in Parle as Biscuits, Condiments and Soft Drink.

Industrial Visit and Business Exposure Team of BBA and BBM (IB) has tried to expose students in diversified manufacturing industries so that students can get knowledge of Best Manufacturing Practices.

3) BCA :

PARLE G

Objective of the visit:

To pertain the knowledge about the management and industrial acquaintances of the finest company in the country.

About PARLE G:

Parle Products has been India's largest manufacturer of biscuits and confectionery for almost 80 years. Makers of the world's largest selling biscuit, Parle-G, and a host of other very popular brands, the Parle name symbolizes quality, nutrition and great taste. With a reach spanning even to the remotest villages of India, the company has definitely come a very long way since its inception.

Many of the Parle products - biscuits or confectioneries, are market leaders in their category and have won acclaim at the Monde Selection, since 1971. With a 40% share of the total biscuit market and a 15% share of the total confectionary market in India, Parle has grown to become a multi-million dollar company. While to the consumers it's a beacon of faith and trust, competitors look upon Parle as an example of marketing brilliance.

OBSERVATIONS:

First of all our Faculty took the Pass from security incharge for gate entry into the industry. Then we all are moved to Auditorium of Parle G. One of the employee of Parle G showed us one PPT regarding the Parle G. In that he told us the overall History of the industry, then he showed us their Management Hierarchy and Production processes of Parle G Biscuit and all other products. After that he showed us animated video about all Parle G products.

After that we saw the actual production process of Biscuits and “Kachha Mango Bite” chocolate. They showed us whole industry.

After successfully observing the Production process and Management System, we were offered small refreshment.

Students and Faculty of BCA 2015-16 at Parle G

Donation Activity

“No one has ever become poor by giving.”
“It's not how much we give but how much love we put into giving.”
- Mother Teresa

As the quotes say to be truth of reality. To be proud of all, our Students of **BCA (FY, SY, TY)** has donated following items to Gurukul Orphanage, Chinchwadgaon from their own contribution .

- 1) 90 kg. Dal
- 2) 300 Pencil Kits
- 3) 300 Note Books
- 4) 300 packets of (Biscuits+ Moong Dal+ Chocolates)

We are all proud of our student with note: **“No one has ever become poor by giving.”**

4. M.Sc (CS) - I and MCA (Sci) - II:

Persistent Systems

Industrial Visit to Persistent Systems on 26th Feb 2016 at Hinjewadi Campus.

60 students of M.Sc (CS)-I and MCA(Sci)-II had been for the visit. The visit was conducted by Mr. Siddharth– Human Resources Executive and Mr. Mayur Jain-Project Manager at Persistent Systems Ltd in Auditorium of Persistent Systems.

Mr. Siddharth addressed the students about the company policies and off-campus placement process. He discussed with students about eligibility criteria, Interview Techniques, LPA & suggested students to get more technical knowledge.

Mr. Mayur Jain has given a presentation on how Persistent Systems grow from inception till current year. He also addressed the students that what kind of services they are providing and who are the various clients of Persistent systems around the world.

Last half an hour was left for students to clarify their doubts about the company and the services that it provides. Students posed many questions and had a great experience by getting clarified and qualified answers form Mr. Siddharth and Mr. Mayur.

Dr. Janardan Pawar

- 1) Worked as a District practical examination coordinator for BCA and MCA (Comm.) in Nov and Dec 2015.
- 2) Paper Titled “Histogram Equalization for X-Ray Images” in 4th National Level Conference on Recent Trends in Computer Science, Application and Computational Mathematics., ISBN : 978-93-81765-55-5.
- 3) Book “ICT for Rural Development : WIMAX Boons Baramati Region in India ” published by LAMBERT Academic Publication , Germany . ISBN : 978-3-659-70620-2.

Asst. Prof. Shivendu Bhushan

- 1) Completed Certification in Python Programming from Tronix India.
- 2) Organized and participated at 2 day Workshop on “Ethical Hacking” .
- 3) Written research Paper “comparative analysis of ERP Institute Vs. Non ERP Institutes” at RTCSACM Pune.
- 4) Written research paper along with BCA students ”Selfie: Phychomyth of youth” at ANVESHAN-16, Pune
- 5) Attended 2 Days Workshop on networking at electronics Department, SPPU

Asst. Prof. Mahesh Jagtap

- 1) Appointed as Students' Welfare Officer
- 2) Authored Mathematics Practical Book for S.Y.B.Sc. (Computer Science) as SPPU syllabus.
- 3) Worked as a Convener for 2nd Student Conference ANVESHAN 2016.
- 4) Published a research paper in proceeding of 4th National Conference RTCSACM 2016. (ISBN: 978-93-81765-55-5)
- 5) Delivered a Guest Lecture on Scilab in Suryadatta College and Siddhivinayak College.
- 6) Organized Disaster Management Workshop in ICCS

Asst. Prof. Manisha Patil

- 1) Completed Pre-PhD course work and Registered for Ph.D. in Computer Studies at Symbiosis International University, Pune.
- 2) Published Research Paper on “Study of Opening , Closing : Morphological Operations” in 4th National Conference on Recent Trends in Computer Science, Applications, Computational Mathematics 2016 at ICCS Pune dated 16th , 17th Jan 2016. (ISBN: 978-93-81765-55-5)
- 3) Invited as a judge for Intercollegiate competition (Online Programming in Java – PG) INTERACTION 2015-16 at Modern College ,Ganeshkhind Pune dt 29th Dec 2015.
- 4) Participated in two days workshop on “Computer: Under the Hood” on 9th and 10th January 2016 by Dr. Vijay D. Gokhale at ICCS covered topics such as software development kit, Windows technologies, Linux technologies.
- 5) Participated in one day workshop on “Knowing Self” on 25th January 2016 by Dr. Vahini Reddy , CEO, Evolve Excellence at ICCS.
- 6) Participated in two days workshop on “Disaster Management” on 6th and 7th February 2016 by Hon. Col. V. N. Supanekar , Associate Professor and Head Disaster Management Cell, YASHADA at ICCS covered topics such as types of Disaster , case Study - Cause, Effect , Remedial measures, Practical on fire fighting .
- 7) Participated as a Paper Setter, Moderator and Examiner for M.Sc.(CS) , MCA(Sci), T.Y. BSc(CS), S. Y. B.Sc (CS) under SPPU Dec, May 2015-16 Examinations.
- 8) Participated as Project Guide in Avishkar 2015 (Inter-University Research Project Competition for UG / PG/ Doctoral students) I-Round Organized by ICCS dt 29th September 2015 for Topic Digital Image Processing of M.Sc.(CS) students .
- 9) Participated as Faculty Coordinator for Research Paper writing activity , Software testing, Jetking, MTA, MOS Training and Certification Programme at ICCS.
- 10) Participated as a Faculty - Course of action for NAAC file preparation (Placement, Preplacement ,PG-Internship, Cultural) to the Staff from Pratibha College ,Pune on 10th October 2015 and Dr. D. Y. Patil College ,Pimpri on 16th October 2015 .
- 11) Participated as Training and Placement Coordinator for M.Sc.(CS), MCA(Sci) (2015-16) placements at ICCS.

Asst. Prof. Suresh Pathare

Indira Alumni Meet 2016

“Nostalgia” Revived old memories.....

Indira College of Commerce and Science had organized Alumni meet on 29th April 2016 the meet started with a warm welcome speech by Dr. Anjali Kalkar. Dr. Kalkar addressed the alumni's and expressed her views about the strong and lovable bonding between the alumni's and the institution. Nearly about 250 students from the batches of 2013-15 academic year were present for this meet. The meet was then followed by a mind blowing singing performance by a former student of Indira and also a group dance performed by the First & Second year students. The alumni's overwhelmed. After this, the alumni shared their views about the college and revived the old memories and friendships established in the college. They expressed their views, love & gratitude with the principal & staff of the college.

Dignities on dice Dr. Janardan Pawar ,Vice-Principal, ICCS , along with others staff member of ICCS on occasion of Alumni Meet (NOSTALGIA)

Alumni and faculty enjoying performance at time of Alumni Meet 2016.

Dr. Anjali Kalkar ,Principal ICCS, addressing alumni

Asst. Prof. Sutapa C. And Asst. Prof. Rahul wonderfully hosting event,

Annual Report Section

COMPUTERASSOCIATION:

Student Development Program at Indira college of Commerce and Science for final year Under graduate students was held on 25th January 2016.

Evolve Excellence's Senior Trainer Ms. Prachi Antre ma'am who is also certified on "GET BALANCED TO STAY BALANCED™" course has started the session by sharing her life experience and knowledge on "Perception & Assumption", "Ethos & Evades of life". She said, be considerable of learning and practicing the fundamentals to have a Balanced life. Ms. Prachi has also spoken about How someone's perception and assumption can take one to the imaginary world and how people based on their prior experience, assume the things. And how much vital it is to "Evade" the unnecessary elements and learn to Know, Absorb and Practice the "Ethos" of life. "Evade & Ethos" is a tools of GET BALANCED TO STAY BALANCED™ Programme that helped many people Change and Set their Lives back on track!

Then, their New Age mentor Mr. Mandeep Singh (our alumnus) shared his views on "Knowing of the Self" covering the most important dimensions, such as, "Self Respect", "Egoism" and being "Selfish vs. being Selfless". And made the student sense that how much its significant to have self believe, confidence and correct attitude to headway in life. Mr. Mandeep has made it more lively by addressing the students in an assertive manner, with his own committed friendly way, pushing students to think on what's actually important for their personal development.

Founder and Chairman of Evolve Excellence™ Ms. Vahini Reddy ma'am addressed student on corporate etiquette's. How your Behavior and Manners plays an major role not just in the corporate world but also in shape ones own personality. Very intense session was the students felt that it helped them in changing their mindsets. We have got powerful feedback's on how much Evolve Excellence™ training & mentoring sessions help them grow internally every time.

Computer: Under the Hood

Indira College of Commerce and Science had organized two days' workshop on "Computer: Under the Hood" for M.Sc (CS), MCA (Sci), B.Sc (CS) and BCA students. This workshop was conducted by Dr. Vijay D. Gokhale who is computer entrepreneur. He is technical director for four IT companies. In this workshop he covered topics such as software development kit, Windows technologies, Linux technologies etc.

"Carrier opportunities to computer science and management students in renewable resource development"

Mr. Vishwas Jape Sir, Sr. Consultant of World bank for East Africa & Europe has delivered lecture on "Carrier opportunities to Computer Science and Management students in Renewable Resource Development on 13th Aug 2015. He Unlighted the students regarding world wide new avenues in this field.

I.T.INFRASTRUCTURE:

Information technology is a fundamental change which is taking place in the nature and application of technology in business. This change has profound and far-reaching implications for an organization

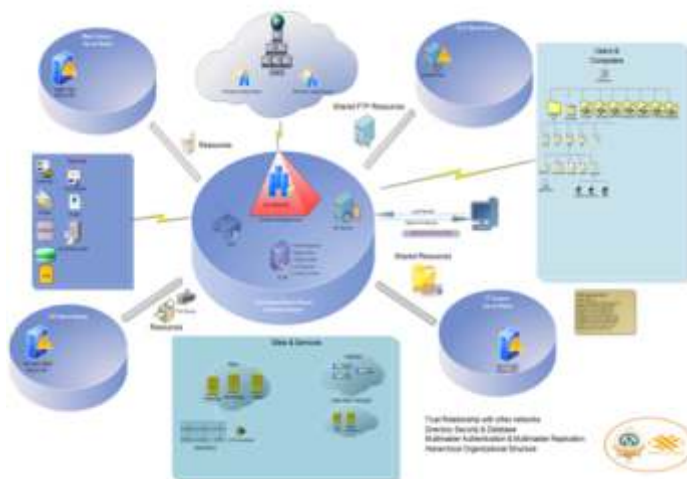

Technology is being used in education as a tool for learning, collaboration, curriculum development, and staff development. The Role of Information Technology in Education is exploring the potential for technology to redefine the terms of teaching and learning. Technology is increasingly growing its importance in the education sector. The more technology advances, the more benefits it provides for students at every education level. IGI's Indira College of Commerce and Science is having well-formed Information Technology infrastructure.

Information Technology Department Goals:

- Provides a secure, highly reliable technology infrastructure along with high-quality, customer – oriented services & support, so as to meet ever changing needs of students, faculty & staff.
- Cultivate an IT culture committed to excellence and service that reaches beyond current needs.
- Provides tools and services to support innovative teaching and student-centered learning.
- Implement state-of-the-art administrative systems built on an integrated Approach to information assets.
- Build a reliable and robust technology infrastructure to support the growing communication and information needs of the university.
- Build & maintain an IT environment that protects the reputation and integrity of the organization.

Network Details:

- Design & Deployment of IT Policies and Roles from Central Server Room.
- Internet connectivity Via 50 Mbps (1:1) Leased Line from Tata Communications.
- All campuses are interconnected with 6 core Fiber Backbone.
- Backup connectivity is provided through P2P connectivity.
- Security is ensured through Fortigate 600C firewall & Cisco 2800 Router.
- The Campus area is under camera surveillance.
- Intel core i3 and i5, LED Screen for computer labs with structure network cabling.
- Total area Wi-Fi for college students can check their assignment's, Tutorial, Internet Browsing from anywhere in the campus. Provided with High-Tech Security to network users.
- New Technology upgrades servers Domain controller, Additional Domain Controller, SCCM 2012 Server, DHCP Server, WSUS server, S.L.I.M server (Library), Fedena – ERP Server, MS End Point Protection.

Services Rendered by IT Department:

- Communication and Collaboration through Microsoft Office 365.
- Video Conferencing, Web Casting Facility & Network Resources.
- Internet & Wi-Fi Connectivity throughout the campus 24 hours
- Manage & Maintain Audio Visual Teaching Aids like Smart Board & LCD Projectors.
- Maintain Computer Lab Facility as per the Syllabus Requirement.
- Library Research Center and Incubation Centre is available for all Faculty, Staff & Students.
- Online Assessment facility like Placement, Online Exams, MKCL, Workshops, etc.
- Implementation of online HRM (People Power) & ERP Fedena Application.
- Presence on Social Media like **Facebook, Blog, Twitter** & Bulk SMS Service.
- Online Technical Help Desk through Ticketing System within Institute.
- Digital Media Branding, Design & Maintain Websites.

Computer Lab's:

SCIENCE ASSOCIATION:

**“No amount of Experimentation can ever prove me right,
a single experiment can prove me wrong”**

Science is the way of thinking much more than it is body of Knowledge.

Science association is a fundamental feature of science students dedicated for advancing science by serving as an educator, leader, spoke person and professional.

Objectives of Science association are as follows:-

- To an Integrated use of Knowledge, Technology, Resources and Manpower to expedite development process.
- To an Improvement in communication skills by adoption of technology.
- To develop scientific temper or learner.
- To enable students to think rationally & logically.
- To create Superstitions free environments of thinking and imaginations.

To actively promote good practices, Indira institute has been involved in all aspects of training and selection of young talents to represents the country.

The activities under Science association are as Follows:

1.π Day Competition:

The purpose of the π Day Competition is to promote, develop and monitor, competence in the practice of mathematics. It helps students to gain an interest and know the Subject in depth . Π Approximation day is organized on July 22nd every year due to which Π is roughly equal to 22/7.

This year also Π Approximation day was celebrated on 22nd July, 2015. Indira College of commerce and Science has organized this competition in various colleges listed below.

PI APPROXIMATION DAY 2015: List of Participant Colleges

Sr. No.	Seat No.	College	No. of Students Appeared
1	2301 – 2600	B. R. Gholap Jr. College, Sangvi	178
2	1001 – 1058	Bharat English School & Jr. College, Shivajinagar	58

8	1501-1600	Nirmal Bethany	91
9	1701 - 2000	Amruta College	293
10	2001 - 2300	Jai Hind College, Pimpri	274
11	3001-3200	Jai Hind School, Pimpri	118
12	2601-2690	Sanas College, Dhayari Phata	78
		Total No. of Participants	1727

List of few Winners of Pi day Competition as follows:

College Name	Seat No	Name of the student	Marks
Nirmal Bethany Jr. College	1619	Vishvesh J. Deotale	44
	1618	Sanket Shinde	34
	1620	Atharva Dhawle	31
Indira National School	2845	Pranav Nivarthi	50
	2846	Suchisattam Saran	50
	2751	Utara Jangle	40
	2752	Hulasi Khinvasara	40
	2703	Arun Rao	39

Pi day at Shivbhumi Vidyalaya & Jr. College, Nigdi

PI day at Nirmal Bethany:

2. Statistics Quiz Competition:

Indira College of Commerce and Science conduct Statistics Quiz Competition every year which is organized by PUSA (Pune University Statistics Association). This competition is conducted in all the colleges under Savitribai Phule Pune University (SPPU) where B.Sc. (C.S.) and/or B.Sc.(Statistics) are run. It helps students to get an interest and know the subject in depth. PUSA selects topper from each centre and awards with the certificate of Centre Topper for F.Y. B. Sc. (C.S.)

Like every year, this year also a Quiz in Statistics for the students of F.Y. B. Sc. (Comp. Sc.) Under Pune University was conducted on Friday 12/01/2016. In all **946** students participated from **17 colleges** under SPPU. Out of these, 67 students participated from Indira College of Commerce and Science. In this quiz competition, three students from Indira College have been declared as **Center Toppers** for this year. These are

Gopale Priyanka (F.Y.B.Sc.)

Shreya Shetty (F.Y.B.Sc.)

Mona Mehta (F.Y.B. Sc.)

MANAGEMENT ASSOCIATION:

IB Club Activity: Management association is liaison between academics and industry as Indira College of Commerce and Science links itself with industry to bridge the slit and tries to enhance industry oriented exposure to the students.

With the intention of above IB Club is formed and aimed in

- 1) Building conducting learning environment through pedagogy training.
- 2) To encourage innovations in IT education through active sharing and by exposing students to industry relevant projects and environment.
- 3) To boost up the career of students by giving them more opportunity for job, to bridge the gap between industry and academics and to encourage students to start their own firm.
- 4) To train students as per industry need.

Hence, this year the Guest Lecture is arranged for the Students of International Business on 25th February, 2016 , wherein the Deputy Director General of Foreign Trade r. Lokesh H.D. had been invited to deliver a lecture and enlighten the IB students on how 1) DGFT functions, 2) Understanding the Role of DGFT in facilitating trade at national and international level, 3) Role of DGT in guiding and promoting import and export 4) Class of expert guidance to students about career in International Business and DGFT and 5) Scope and Opportunity in DGFT.

IB Club is segregated in three part as 1) Guest Lecture by Mr. H.D.Lokesh (ITS) Dy.DGFT, 2) HR Interview Round and 3) Monograph by Selected candidates on DGFT.

COMMERCE ASSOCIATION:

Commerce Week 2016:

Every year under the banner of Commerce Association, Indira College of Commerce and Science organizes commerce week. To inculcate the traits like leadership, team spirit, creativeness various competitions and a state level seminar in association with BCUD, SPPU the commerce week gets celebrated.

This year we organized, Business Quiz, Poster and Model Making and Khari Kamai competitions were organized to foster holistic development of our students.

Dr. Anjali Kalkar giving her inaugural speech for commerce week

“Commerce Week: Business Quiz Competition”

The first event of the “Commerce Week” was Business Quiz which consisting of 32 teams. The students were asked various kinds of business related question covering current affairs, general knowledge, commerce and Management etc. From the elimination round, 5 teams has been shortlisted which has played the business quiz including 4 rounds.

Prof. Nandkumar Shinde Conducting the Quiz

A business plan is a formal statement of business goals, reasons they are attainable, and plans for reaching them. It may also contain background information about the organization or team attempting to reach those goals. Thus we made the students to write a business plan and three best plans were selected.

The Event proved to be highly useful as the students came across the various terminologies, Know How the businesses are being formed & made successful in highly competitive corporate environment.

Business Plan Presentation Competition

Khari Kamai was organized on 30th January, 2016 under the Guidance of Dr. Anjali Kalkar. The response to this event was amazing. 45 stalls were put up by the students. There were different games, eatables stalls that were put up. Students got a practical knowledge about business and the students made a huge profit. The excitement intensified when the Chairperson Dr. Tarita Shankar arrived for the event. **Dr. Tarita Shankar** visited all the stalls and boosted up the students morale.

Dr. Tarita Shankar, Chair Person, IGI and Dr. Anjali Kalkar, Principal ICCS along with the students

Dr. Tarita Shankar, Chairperson, IGI, Mr Sahil, Dr. Anjali Kalkar, Principal ICCS and Registrar of the college Mr. Rajesh Sathe and the team members enjoying the games at Kari kamai

“Model Making and Poster/Flex Presentation in Commerce Week 2015-16”

With a burning desire to chisel out the inner talents of our students, Commerce Department organized “Commerce Week 2015-16” between 27th January to 30th January, 2016. Model Making and Poster/Flex Presentation one of activities was carried out to explore the innovative ideas about manufacturing process and notions of Management Guru with a view to help in enhancing the imagination power and presentation skill of the students. This activity is aimed at making the study easy and interesting for the student and to make theory subject practical based.

LIBRARY COMMITTEE:

Meaning & Concept:

Library Committee: A library authority may appoint a library committee, which is a body consisting of persons who are assigned the job of looking after the library and for transference and smooth working of library.

a) Members of the Library Committee:

The library committee is formed with the heads of the departments as well as an undergraduate student and a post graduate student, the Principal, the Librarian.etc. The Principal is the Chairman of the library committee, and the Librarian is the ex-officio Secretary. The library committee should not be very large. Only those people should be included as members of the library committee who are interested in the library and in this way the membership is restricted within the limit of twenty.

b) Types of Library Committee:

There are mainly two types of library committees

i) *Executive Committee:* This committee is most powerful as it has full power over those matters which are delegated to them by the library authority. So the decision of the library executive committee is final and mandatory. It need not report its decision to the library authority.

ii) *Advisory or Recommendatory Committee:* It simply gives proposals which are subject to the approval of the library authority.

Aims & Objectives:

The ICCS Library designed to achieve the following broad objectives:

- 1) To aid in the establishment of a bridge between the Library and the academic fraternity and the institute management.
- 2) To Ensure that all procedures and policies are followed as per the stated rules and regulations lay down by the concerned (UGC, AICTE, NAAC...etc.) authority.
- 3) To advice in matters regarding proposed policies.
- 4) To advise on general development and administration of the library by organizing meeting regularly.
- 5) To provide satisfaction to the users by achieving the goals of library
- 6) To support the functioning of the library
- 7) To act as a channel of communication and dialogue between the Library System and its users.
- 8) To advise and reviews library policies for instruction, resources, services, and the facility.
- 9) To discusses budgetary issues for books, journals, databases, media, etc.

Need & Purpose:**To formulate the Library committee is essential for:**

- 1) Appointment of qualified and efficient librarian who can deliver services.
- 2) To assess the financial support required by the library based on library standard.
- 3) For providing better Services to the community and authorities and thus make an appeal for more funds for library.
- 4) Provide support to the librarian to defend important decisions having implications for the users (i.e. change of working hours, change in rules regarding membership and borrowing privileges etc.)
- 5) Bring better understanding of the role of the library among users.
- 6) Keep the librarian alert
- 7) To make a policy for the library development
- 8) To development of library
- 9) To achieve the library aims
- 10) To create coordination between income and expenditure

The constitution of Library Advisory Committee:

According to UGC standard the College Library Committee consists of:

- | | |
|---------------------------|----------------------|
| 1) Dr. Anjali Kalkar | Chairman |
| 2) Ms. Shilpa Pawar | Secretary(Librarian) |
| 3) Mr. Prashant Kalshetti | Member |
| 4) Mr. Suresh Pathare | Member |
| 5) Mr. Shivendu Bhushan | Member |
| 6) Mr. Mangesh Kuman | Member |
| 7) Student Representative | Member |

Powers & Functions of Library committee:

Library committee consist selected members who makes well plan and policy for development of library. Library Advisory Committee supports functioning for library development activities with the management. It acts as a dialogue between Library System and its users. *Following are the various powers and function of the library advisory committee*

- 1) **Selection of library personnel's:** A library committee employs the qualified and adequate library staff for the library.
- 2) **Decide the policy** and aims of library.

LIBRARY ACTIVITY:

A) Readers Club: attend a library class or Readers Club Activity through which we can provide platform for students and faculty members for discussing on various topics, issues and heartening to the research activity. Readers club activity to be held in library reading Hall, for the convenience of everybody. Every Friday of the month at 2: 30 PM to 5:30 PM. This library activity aims to enhance knowledge and also it gives platform for sharing their views about film, lecture, books review, newspaper reading, art film/ documentary and some cultural activity, English Film/Drama/Poetry show, Lectures by faculty members i.e. katha-kathan, Marathi day, reading competition etc. The basic object of reader's club activity is...

- To encourage the students to read the literature, newspapers in the various aspects, such as social, economic, historical.
- To improve thinking ability of our student on particular issues.

B) Earn Learn Scheme for needy student: Earn Learn Scheme for needy student: From the year 2010, we are providing Earn & Learn Scheme for needy Students.
