## *Our Inspiration . . .*

Dear Friends,

### ***Education is the best friend and it beats the beauty and the youth...***

Quoting Shree Chanakya, indeed the world is beholding India's strength in every aspect of development. To enhance this strength, India needs dynamic individuals who would create a niche for themselves in the world arena.

Indians are amongst the most gifted in terms of entrepreneurial capacity and technical skillset. This is an indicator that majority of Indians are occupying sheet anchor roles in the corporate world.

The role of higher education is to motivate and empower students to be lifelong learners, critical thinkers and productive members of a changing global society. In order to channelize this vast reservoir of talent we need to provide the right platform to these budding young learners through world class knowledge from reputed and best organizations.

Indira College of Commerce and Science (ICCS) is one of the pioneer colleges that rejuvenates talent through its extensive and analytical approach not only in academics, but also physical, spiritual, holistic and co-curricular activities that are designed exclusively for all round development of the students.

Under the aegis of Shree Chanakya Education Society, Indira College of Commerce and Science (ICCS) is a unique combination of Commerce, Information Technology and Management. Today's aspirants will learn administration and trade practices under Commerce, acquire skills to deliver optimized solutions using technology to real life challenges under Information Technology and synergize innovative and creative practices under Management and become promising professionals.

I welcome you all to join ICCS and become part of a triumphant group who can take our country to its ultimate aim of being the superpower in the world.

**Dr. Tarita Shankar**  
**Chairperson,**  
**Indira Group of Institutes**

## *Message By Principal*

### **Dear Students!**

Welcome to Indira College of Commerce & Science. Under the wings of Shree Chanakya Education Society (SCES), Indira College of Commerce and Indira College of Science was established in the year 2001 which was merged in the year 2007 as Indira College of Commerce and Science.

Indira College of Commerce and Science (ICCS) – affiliated and approved by Savitribai Phule Pune University, Pune. ICCS offers the Bachelor's Program in Commerce, Bachelors in Business Administration & Computer Application, Bachelor's and Master's program in Computer Science. ICCS has been accredited with 'A' grade by “National Accreditation and Assessment Council” (NAAC).

Ours is an institution of academic excellence and achievement. It is one of the best colleges in Savitribai Phule Pune University, Pune. At Indira College of & Science, we are imparting higher education to students from different parts of India & abroad. It has always been a very substantial, potent and conscientious task. We all know that students are a great human resource and the role of them in the society is critical for development of a nation. To empower them is to increase their control over the decisions that affect their lives both within and outside their families. It makes them gain greater share of control over resources and it gives them the power of decision making in their families, community, society and nation.

I want that our students should be imparted an all-round education so that they become multidimensional rather than uni-dimensional. In my view, acquiring information is no longer the main focus of education; instead the main aim of education is to build the powers of human mind and spirit. We believe in providing our students an environment, rich in knowledge and supportive for their extra-curricular interests. We aim to evaluate our students on the basis of their physical, mental, social, emotional and intellectual development.

It is wonderful to look back at the last few years, at Indira College of & Science, when there is so much to feel proud of and so much to celebrate. Last few years have been extremely successful and satisfying in terms of accomplishments and accolades in scholastic, co-scholastic and infrastructural development areas.

The phenomenal academic achievements of our students have always added glory to the college by securing high University Ranks. The college has a tradition of excelling in Sports and extracurricular activities, in which our students continue to bring us laurels at the university, zonal and national levels year after year. The success of Indira College of Commerce & Science in all spheres is the combined product of all our little efforts.

I feel proud to acknowledge the contribution of highly qualified, dynamic and multi-talented faculty, non-teaching staff, my students and a very supportive & dynamic management for this. We have to continue to move ahead for producing and maintaining the best. We run several departmental societies and Programmes / Committees which endeavor to enrich the academic and extra-curricular standards of our students. Our teachers work hard throughout the year with the students to provide them high quality educational experience in the form of debates, group discussions, workshops, symposia, seminars, study tours and cultural competitions. Eminent personalities are invited from all walks of life to address our students and expose them to new ideas and thoughts. I strongly believe that-

“All odds, all challenges and all handicaps of life can be overcome with strong determination, persistent hard work, insurmountable patience and unshakeable tenacity.”

My best wishes to the new students entering into Indira College of Commerce & Science.

**Dr. Prakash Pandare**

Principal

Indira College of Commerce and science

## *Message By Vice-principal*

Dear Students,

Welcome to Indira College of Commerce and Science (ICCS), a milestone of academic excellence and extracurricular performances which has enlarged and enriched Pune's educational map. As we have embarked into silver jubilee year of Indira Group of Institutes, our commitment at Indira is to provide a safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem solvers and inspired learners prepared to thrive in 21st century. In 25 Years of its reign, ICCS has imparted quality education and holistic development to students.

Strong and dynamic entrepreneurs, successful professionals and above all benevolent human beings of India have evolved out of this college.

High Standards and expectations for each student in regard to academic performance, co-curricular participation and responsible citizenship are the foundation of our college. It is with pride that we hold these high standards and ask each of our students to commit to maintain the extra ordinary record of achievement and contribution that has been extraordinary record of achievement and contribution that has been legacy of ICCS students for the past 25 years.

The college has a distinguishing reputation in the field of sports and cultural activities too. Our students are winning accolades at the state, national and international level both for sports and cultural events. Moreover, discipline, which is a non-negotiable factor of a student's life on our campus inculcates the value of time management, punctuality along with honesty and integrity. Our endeavor is to make students better human beings while they foray in the competitive environment and realize their dreams. Formal education from this college would open new horizons of development and bliss for our country.

Moreover, ICCS is heading towards autonomy from the forthcoming academic year. We are launching novel skill oriented courses in Cyber Security, Hospitality and Tourism Management, Financial Markets, Humanities and Computer Applications which will ensure the employability and holistic development of students. These courses will make the students skilled and meet requirements of the industry.

With best Wishes and Blessings for the upcoming session!

**Dr. Janardan Pawar**

Vice Principal,

Indira College of Commerce and science

## *Message By Vice-principal*

The recent days are of rapid social and technological changes, due to which there is an increasing need for quality professionals who can provide optimized solutions to real world problems and create new designs and products for the ever changing world.

At Indira College of Commerce and Science we value every individual and it is our aim to provide the best possible academic environment where students can succeed. We are fortunate to have talented, highly committed teaching and support staff who ensure that the learning environment of our students is always the best.

Our mission is to cater to highly competent professionals with wide range of analytic, strategic and leadership skills who are capable of facing the challenges of the changing world. We want our students to become proficient in the latest upcoming trends in Commerce, Management and IT

We make use of Information and Communication Technology to a great extent for the development of foreign languages, soft skills, life skills and technical skills and make our students globally competitive. Our Industry linkages help our students become employable and best entrepreneurs.

We give special care and attention for the students belonging to socially and economically backward classes so as to make them highly competent and skilled professionals. We seek to instill in our students passion for learning that will bring the knowledge and understanding which they will need to make a positive contribution to the global communities

ICCS is a challenging and yet exhilarating place for learning. I warmly welcome you to come and visit to experience for yourself all that our college has to offer. Exciting times are ahead of us and I hope you too can choose to be a part of our persistent success.

**DProf. Shivendu Bhushan**

Vice-Principal

Indira College of Commerce and Science

## **Editorial**

Anubhuti enters into Eleventh year with this publication, a budding tender plant flourishing into a self-containing tree grounded firmly into the past and solidifying the future. The NAAC peer team also appreciated editorial team for their creative work which provides platform to staff members and students to showcase their hidden talent. The editorial board like every year went through a stupendous task of selecting and finalizing the best of the best creative material for the magazine. We are overwhelmed with the humongous response both by the students and the staff members with their drafts.

**“When you write more and more personal it becomes more and more universal.”**

Writing is an act of reacting to the environment around you. An expression is a basic instinct of thoughtful mind and the act of writing is one of the fountain head of ideas that springs into poem or article. The writing comes to life when it meets its reader. Students are most enthusiastic budding creative expressionist who just need a platform to throw their ideas and emotions on the paper. A college magazine is there to capitulate all those expressions for the tasteful readers. “Anubhuti” is one of the most eagerly awaited moment for students, staff and all those associated with Indira family. The college magazine which showcases the literary expressions, social awareness and recognition to all the achievers in the academic and extracurricular activities, strengthens the internal bonding amongst the Indiraites as one family.

We tried our best to accommodate all the deserving articles and poems into the magazine hope this seventh edition of Anubhuti will set the bar higher with its interesting and novel material which will certainly astonish the reader. We would be delighted to receive your valuable feedback for motivation and self-retrospection.

## *IGI At A Glance*

### **Shree Chanakya Education Society's - Indira Group of Institutes**

The Shree Chanakya Education Society (SCES) was established in February 1994, under the visionary leadership of Dr. Tarita Shankar, with the aim of providing top quality post-graduate education in the fields of Business Management, International Business and Information Technology. By consistently providing quality education over the past few decades, institutes at Indira Group is now considered as one of the best institutes in Pune. At a time when India was struggling to put its economy back on its feet, after the nation having pawned the “family jewels” just to keep a float, Dr. Tarita Shankar sensed that education too would have to become more broad based and more vocational in nature if India was to stand up to the world competition in quality and price for its products, The then Finance Minister had prescribed for the economy and so, in 1994, began a saga of growth and quality in education; a story that is just reaching its zenith with 14 full-fledged Institutes registering a strong presence on Pune's educational horizon. Since inception, the Institutes managed by SCES, have maintained high academic standards and have successfully provided trained manpower to the industrial and services sector of the country.

These institutes are now listed amongst the top colleges not just in Pune, but also in Maharashtra and India. With a modest strength of 60 students pursuing a single course, SCES has grown steadily and today boasts of 14 Institutes, having more than 8000 students from all over India pursuing multi-disciplinary, graduate & post-graduate programs. The objective of the institute is providing 'Management education in a corporate environment', has been possible due to the sincere and dedicated efforts of the members of SCES, who have invaluable experience in varied areas like academics, industry, service and social-world.

### **INDIRA COLLEGE OF COMMERCE & SCIENCE**

Under the wings of Shree Chanakya Education Society (SCES), Indira College of Commerce and Indira College of Science were established in the year 2001 which was merged in the year 2007 as Indira College of Commerce and Science. Indira College of Commerce And Science (ICCS) – Affiliated and approved by University of Pune, ICCS offers the Bachelor's Program in Commerce, Bachelors in Business Administration & Computer Application, Bachelor's and Master's program in Computer Science. ICCS has been accredited with 'A' grade by “National Accreditation and Assessment Council” (NAAC) The well- architected campus is spread over 5 acres with independent departments, spacious classrooms, well equipped library with a vast collection of books, latest journals and periodicals and a huge collection of CD's, laboratory with all new acquainted technical conjurations. A well designed auditorium having capacity of 540 persons with all new technical equipment's is the main highlight in which various programs

i.e. academic and cultural are carried out, hostels for girls and boys having capacity of approx. 690 students.

Sports facilities are also availed by students which comprises of a sports room in which Table Tennis, Carom, Chess, Bow and Arrow and various other games are played by students. Extra-Curricular activities which boost the self- condense of students and brings out the creativity and talent in the students are carried out which comprises of participation of students in various competitions in other colleges. Gusto is a Management and IT Tech festival which is full of Energy, Excellence & Power at Par with huge number of participants from various colleges. Tech Savvy, an interclass 'C' language programming competition and 'PI Approximation' Day Math's Quiz Competition 'which is observed on July 22, due to  $\pi$  being roughly equal to  $22/7$  is organized every year. Co-Curricular activities include National Service Scheme (NSS) whose aim is to strengthen the student interest for rural society as well as participation in social activities that build India. Since inception, the Institutes managed by SCES, have maintained high academic standards and have successfully provided trained manpower to the industrial and services sector of the country.

## **SOCIAL INITIATIVE @INDIRA**

### **INDIRA SUSTAINABLE MAHARASHTRA INITIATIVE (ISMI) LAUNCHED ON 26TH NOVEMBER 2015**

**I Indira Group of Institutes (IGI)** under the visionary leadership of its Chairperson, **DrTarita Shankar**, announces its vision – **Indira Sustainable Maharashtra Initiative (ISMI)**. **The ISMI initiative was launched on 26th Nov, 2015.** IGI will set aside a corpus to help children of the farmers who committed suicide, **by sponsoring their education in undergraduate and post graduate programs at its campuses.** IGI feels that such farmer's children deserve better opportunities to live, hence its decision to help in this way. IGI accolades its Alumni who have taken the decision to support their Alma Mater in supporting this cause by sponsoring part of the education of the farmer's children. Under the ISMI initiative FIVE students from ICCS have taken admission for UG courses like B.Com, B.Sc(CS) and BBA(CA).

### **TIE-UP WITH ASEEM FOUNDATION**

This is a tie-up to provide educational assistance (computer education) to students belonging to sensitive areas like Kashmir, Nagaland and Mizoram. The driving force behind Aseem foundations is Mr. SarangGosavi. Under this initiative the students of the above mentioned areas will be given admission (2 students in Std V, 2 students in Std VI, 1 student in Std XI Science and 1 student in Std XI Commerce). Also through this foundation we will provide a platform to help them make sale of their apple and apricot biscuits which is made by small production units of Kashmiri residents.

### **SKIP A MEAL TO EDUCATE IN ASSOCIATION WITH SMILE FOUNDATION**

Skip a meal - An endeavor to spread awareness and help the girl child. Indira has strongly believed in inculcating the principles of social responsibility in all our students - this is join us in 'Skipping a meal to educate' the underprivileged girl child.

## POEM

### DADDY! PLEASE LET'S GO BACK TO THOSE MOMENTS.

Well, all I see is a humble bee,  
Who at any cost wants to see his family glee?  
But daddy, I wanna spend time with you,  
Just you and me, with nobody having the slightest clue.

Don't you I need more of your tutoring,  
Cause either the office or the kitchen, I see you only working.  
Daddy, your recipes make our mouths water,  
But when I speak to you about your dream, what seems to be the matter?

You never ever showed me your dark side even when I got into trouble,  
Instead, with your positivity you increased my strength to a double.  
Hey daddy do you remember those days when we played football together, let's do it again,  
But this time with an actual team & I want to see you win.

I know, you have already noticed, that a thought creeps in of breaking their bones,  
If the people of the world fail, to address to you in humble tones.  
Cause daddy, you're the precious crown, I wear,  
How can I let somebody make my thoughts like paper, tear?

Well, daddy I love you more than the stars in the sky, respect you more than the fish in the  
sea,  
Care for you more than the trees in the forest, daddy you mean the world to me.  
Cause daddy, you live & let me watch you live life through,  
And I know, you still very well remember those days when mom used to call me "cookloo".

Daddy, without you I wouldn't even exist,  
And you know, time cannot be held in a fist.  
For this family of grandmom, mom, me & you, you are the glue,  
Oh my sweet daddy, I love you!!!

# TEENAGER LIFE

In today's world being a teenager is not easy. There are different challenges we have to face in our daily life. And both small and big problems that we deal with every day at this point of our life. I think that we are not children anymore but not grown up too.

Being a teenager is the hardest chapter of our life. This is a part of our life where we try to define, “who we are ?” not only to everyone but also to ourselves. But in teenage there are some good qualities also where we build our self-confidence, way of expressing our views and taking major decisions of our life.

At this period of life a teenager can easily get distracted with the “social media”. They just like to make friends on social media account and chat with them instead. They do not care about the problem they will face if they keep such addictions. For a teenager, “the company of friends sometimes becomes more valuable than family”. For this the teenagers need to understand that building their trust over their parents and own family is more important and will help them in the long run.

The teenager period of our life acts like a building stone or a base for the rest of our future. Though people tend to give advice to teenagers on being serious whereas friends and colleagues insist on having fun in these years. It is the right to balance both in one's life which will eventually make a person successful and satisfied in his career and most importantly in life.

## आखिर भारत गरीब क्यों ?

भारत में गरिबी आज 4 फरवरी , 2020 भारत को आज़ादी मिले 72 साल 5 महीने और 20 दिन पूरे हो गए। लेकिन आज भी भारत में से गरिबी नहीं गई।

आज भारत अमेरिका , रूस, जापान इन देशों से पीछे है। इसका मुख्य कारण गरीबी है। आखिर भारत में गरिबी क्यों ?

भारत के ज़्यादा से ज़्यादा लोग बेरोजगार है , उनको कोई काम नहीं है। बेरोजगारी का मुख्य कारण उनकी शैक्षणिक पात्रता है। कुछ लोग आलसी रहते उस वजह से वो कोई काम नहीं करते। भारत में अनपढ़ लोग ज़्यादा हैं ,जिन्होंने आज तक पाठशाला की और देखा तक नहीं। कुछ बच्चों को जाने की इच्छा तो होती है , परंतु आर्थिक परिस्थिति के कारन कारण वो नहीं जा पाते और जिनकी आर्थिक स्थिति ठिक -ठाक है , उनका जाने का मन नहीं करता इस कारण ओ जीवन में कुछ कर नहीं पाते। भारत की गरीबी का यह एक मुख्य कारण है। भारत में भिखारियों की संख्या दिन पर दिन बढ़ती ही जा रही है। जैसे की :- बसस्टैंड, मंदिर आदि आदि। जिन भिखारियों की शरीर की हालत कुशलपूर्ण है , पर उनको काम करने का मन नहीं करता इस - लिए वो जीवनयापन करने के लिए भीख का सहारा लेते है। देश में भिखारियों की संख्या बढ़ने के पीछे हमारा ही हाथ है। अगर हम उन्हें भीख देना बंद कर दे , तो वो लोग भीख की जगह कोई छोटी-बड़ी नौकरी कर सकते है।

वैसे तो भारत 'विविधता में एकता' के लिए प्रसिद्ध है। किंतु यहाँ के लोग जातिवाद पर लड़ते -झगड़ते रहते है। इसमें बच्चों पर बुरा प्रभाव पड़ता है। और साथ ही साथ देश का नाम बदनाम होते जाता है। भारत दुनिया में में दुसरा सबसे अधिक जनसंख्या वाला देश है। आने वाले कुछ समय में ये पहले नंबर पर आ जाएगा। भारत की बढ़ती जनसंख्या प्राकृतिक संसाधनों पर दबाव बढ़ा है। जनसंख्या वृद्धि के कारण लोगों को काम-धंधे की कमी महसूस हो रही है। रहने के लिए जगह पर्याप्त नहीं है , इससे मजदूरी में जंगलों को काटना पड़ रहा है। बढ़ती जनसंख्या को कम करने का एक ही उपाय है , "हम दो हमारे दो"

पुराने लोग अपनी सोच की वजह से महिलाओं को घर से बाहर काम करने के लिए नहीं भेजते, लड़कियों को आगे ज़्यादा पढ़ाते नहीं। अपहरण , बलात्कार आदि की वजह से महिलाएँ अपने को सुरक्षित महसूस नहीं कर पाती। ये सब काम कोई और नहीं बल्कि अनपढ़ , बेरोजगार लोग ही करते है। इसके वजह से देश गरीबी , बेईमानी में बढ़ती जा रही है।

जो लोग मेहनत, मजदूरी से कमाकर खा रहे है , ऐसे लोगों को चोर और बेईमान लोग चैनसे जीने नहीं दे रहे है। बढ़ती चोरी की वजह से देश में गरीबी बढ़ रही है।

"पढ़ेंगे -लिखेंगे तो बनेंगे नवाब,

करेंगे बेईमानी तो बनोगे गँवार। "

भारत में अंधविश्वास करने वालों की कमी नहीं है , यहा पर ज्यादा हर आदमी पुरानी बातों में विश्वास रखता है। अंधविश्वास की वजह से भारत आगे नहीं बढ़ पा रहा है। यहापर साधू संत, महात्मा लोगों को गलत बात करके उनको भ्रम पैदा कर देते है।

इसकी वजह से भारतीय लोग पुजा-पाठ, हवन आदि फालतू चीज़ें शुरू करते हैं। दान के नाम पर आश्रम में पैसे देना, गरीबों को खाना देना, संतोको दान करना आदि करते हैं, जिससे दान लेने वाले लोग काम न करने की जगह हराम का खाते हैं। यह भी एक मुख्य कारण है देश आगे नहीं बढ़ रहा है।

रिश्वतखोरी का धंदा बढ़ते ही जा रहा है, अगर हमें किसी सरकारी काम करवाने का काम पड़ता है तो बीच में बहुत सारे दलाल पैसे मांगते हैं। कॉलेज में, पुलिस में, अस्पताल में दलालों को कोई कमी नहीं है। अगर हमें कोई सरकारी काम करवाना है तो हम सीधा कार्यालय में जाकर काम नहीं करवा सकते। बेईमानी के काम से अमीर और अमीर, गरीब और गरीब होते जा रहा है। देश में रोड बनाने वाले लोग सरकार से दस लाख रुपये लेकर सस्तसा पाँच सात लाख रुपये में बेकार रोड बनाते हैं। बाकी का पैसा अपने बाप का माल समझकर रख लेते हैं।

कई कारणों में से एक कारण राजकीय शासन है। जिसमें देश गरीब बनते जा रहा है। नेता लोग विकास के नाम पर भ्रष्टाचार, कालाधन आदि कर रहे हैं। नेता गरीब लोगों को पैसे देकर उनके वोट मांगते हैं। और बेईमानी से राजनीति में आ जाते हैं। जिससे भ्रष्टाचार होता है। अगर उन्हें कोई न्याय चाहिए तो वो आंदोलन करने बैठते हैं। जिससे बच्चों, युवाओं पर प्रभाव होता है।

अगर इन सारी चीज़ों का उपाय निकल जाये या, यह बंदो जाये तो देश गरीब होने से बच जायेगा जाएगा। साथ तह देश की आर्थिक, सामाजिक स्थिति बदल जाएगी।

"देश की गरीबी भगाओ।

और देश को आगे ले जाओ "

Deepak Kalyare

F.Y.B.Com(A)

विद्यार्थी दशकात मला पडलेला सर्वात कठीण प्रश्न तो म्हणजे, मी भविष्यात काय करेल ? अनेकदा मनाच्या एका कोपऱ्यात हा प्रश्न नेहमीच माझ्या सोबत एक शीत युद्ध असतो. पण जसजसे वय वाढते तसतसे प्रश्न ही बदलत जातात. जेव्हा एका प्रश्नच उत्तर मिळतं, तेव्हा दुसरा प्रश्न हा जणु आपली वाट बघत असतं.

प्रश्न उत्तराच्या या शीत युद्धात कधीकधी आपल्याला स्वतःचाच विसरपडू लागतो. आता विचार करायला गेलो, तर लहानपणी पाहिलेला स्वप्न हा आपल्या वर्तमानाशी अगदी भिन्न असतो. पण मुळात ह्याच कारण काय..? उत्तर मिळेल "अपेक्षा " लहानपणी पाहिलेले स्वप्न हे अपेक्षा विरहित असतात. पण तरुण अवस्थेत पाहिलेले प्रत्येक स्वप्नाच्या पाठीमागे कोणती ना कोणती अपेक्षा असतेच. मुळात अपेक्षा असणे चुकीचे नव्हे पण अपेक्षा आपण दुसऱ्यांकडून ठेवतो ते चुकीचे ठरते.

आणि मग याच अपेक्षा आपल्याला नैराश्य आणि दुःखाचे कारण बनतात. आई-वडिलांच्या अपेक्षा हे त्यांच्या मुलांकडून , शिक्षिकांच्या अपेक्षा हे त्यांच्या विद्यार्थ्या कडून हे योग्यच, पण मुळात त्याची स्वतः कडून काय अपेक्षा आहेत, याचाच विचार करणे राहून जातात. ज्या वयात नवनिर्मितीचा पेड लावायला हवं त्या वयात एकांत असण्याचा पेड त्या मुलाला होऊ लागते. ज्या वयात एक मनसोक्त हसायला हवं त्या वयात फसवे हसणं चेहऱ्यावर ठेऊन स्वतःच्या सुखाचा मुत्यू तो घडवून आणतो. सभोवतालची माणसं हे त्याला नकोनकोस वाटू लागतं. आणि ह्या सगळ्यांच गोष्टींचा पाया म्हणजे "अपेक्षा".

पण प्रत्येक युद्धात जिंकतो तोच जो स्वतःवर विजय मिळवतो. मग हीच अपेक्षा आपण जी इतरांकडून करतो ती स्वतःकडून का नाही करत ? ज्या प्रेमाची, मत्रीची किंवा कोणत्याही नात्याची अपेक्षा स्वतःकडून ठेवल्यास नैराश्य ही स्थिती खरंच आपल्या पर्यंत येईल का ?

पण मुळात माणूस हा असा प्राणी आहे ज्याला नेहमी वाटतं की जगातील प्रत्येक वाईट गोष्ट हे फक्त त्याच्या सोबतच घडत आहेत. पण असा कोणीच नाही ज्याला वाटावं कि इतरांच्या सुखाचं कारण बनावं ? कोणीतरी माझ्या आयुष्यात विना अपेक्षे येईल. तेव्हा मी खुश होईल, तेव्हा मी माझ्या आयुष्यात काही तरी करेल, हा विचार करण्यापेक्षा "मीच का व्यक्ती बनत नाही" ज्याची मला अपेक्षा आहे?

आपल्या प्रत्येक अपयशाचं खापर इतरांच्या डोक्यावर फोडण्यापेक्षा ती चूक स्वीकारून, नव्या मार्गावर स्वतःशीच अपेक्षा ठेऊन त्या दिशेने चालणे म्हणजे प्रगती करणे. नैराश्याच्या या शीत युद्धात जिंकायची अपेक्षा असेल तर ती अपेक्षा स्वतःकडून ठेवा. कारण इतरांच्या अपेक्षा कधीच पूर्ण होत पण स्वतःकडून ठेवलेल्या अपेक्षेला पूर्णविराम असतो. जो योग्य वेळी दिला गेला तर अपेक्षा भंग कधीच होत नाही.

आशुतोष झा

## आगामी भारत

**"नीला परिधान हरित तट पर सुंदर हैं।**

**सूर्य चंद्र युग मुकुट मेखला रत्नाकर हैं।**

**नदियाँ प्रेम प्रवाह फूल तारे मंडल हैं।**

**यही मेरा भारत हैं, यही मेरा भारत हैं।**

विश्व में प्रसिद्ध देशों में से एक देश संस्कृति और परंपरा के लिए जाना जाता है। ये अपने ऐतिहासिक धरोहरों और स्मारकों के लिए प्रसिद्ध हैं। यहाँ के नागरिक बेहद विनम्र और प्रकृति से घुले-मिले होते हैं।

ब्रिटिश शासन के तहत 1947 से पहले ये एक गुलाम देश था। अर्थात ये देश भारत ही हैं। भारत इस कथन के लिए प्रसिद्ध है। 'विविधता में एकता' क्योंकि विभिन्न जाती, धर्म, संस्कृति और परंपरा के लोग एकता के साथ रहते हैं। भारत एक समृद्ध देश है जहाँ साहित्य, कला, और विज्ञान के क्षेत्र में महान लोगों ने जन्म लिया जैसे रवींद्रनाथ टैगोर जी, साराचंद्र, प्रेमचंद्र, सी.वी. रमन, ए. पी. जे. कलाम जी आदि। भारत देश का गौरव इन्हीं सब लोगों ने बढ़ाया है। भारत के उत्तर में हिमालय पर्वत देश का ताज (मुकुट) और दक्षिण में हिंद महासागर देश के पैर धो रहा है। भारत विश्व का सातवाँ सबसे बड़ा और विश्व का दूसरा अधिक जनसंख्या वाला देश है।

आनेवालों वर्षों बाद शिक्षा ही जीवन का आधार स्तंभ बन जाएगी। देश में कोई भी व्यक्ति निरक्षर नहीं रहेगा। भविष्य में शिक्षा पूर्ण रूप से संगणक के माध्यम से जाएगी। आनेवाले वर्षों में लड़कियाँ किसी से पीछे नहीं रहेंगी। वर्षों हर क्षेत्र में महिलाओं की विशेष पहचान होगी। लड़कों के साथ लड़कियाँ भी कंधे से कंधा मिलाकर देश को आगे ले जाएँगी। आज जो शिक्षा हिंदी, अंग्रेजी और अन्य प्रादेशिक भाषाओं में दी जा रही है, वर्षों बाद यह शिक्षा अंग्रेजी में दी जाएगी। जिससे हर बच्चा अपना सपना पूर्ण तथा बाहर के देशों में जाकर पढाई कर सकता है। पढ़ने-लिखने से हर बच्चा वकील, डॉक्टर, वैज्ञानिक, इंजीनियर, कलाकार, सी.ए., पुलिस, शिक्षक आदि बन जाएगा। हर व्यक्ति साक्षर होने से देश की सामाजिक और आर्थिक स्थिति अच्छी हो जाएगी।

लेकिन वर्षों बाद भारत में वाहनों वाहनों की संख्या बढ़ने से पर्यावरण को खतरा पैदा हो जाएगा। वाहनों से निकलने वाली धुएँ के कारण वृक्षों को नुकसान और बीमारियाँ बढ़ रही हैं। जंगलों के लगातार कटने से सभी सजीवों को ऑक्सीजन की पूर्ति ना होनेवाली थोड़े ही समय बाद नई प्रकार की डिज़ाइनों आकारों तथा इंधन की गाड़ियाँ दिखाई देगी। जैसे गैस पर चलनेवाले, विद्युत पर, पानी पर चलनेवाले वाहन आदि। वाहनों से मनुष्य को फायदा और नुकसान दोनों ही होंगे।

वर्षों बाद भारत के उद्योग-धंदों में अधिक सुधार हो जाएगा। राष्ट्रीय और अंतरराष्ट्रीय व्यापार को बढ़ावा मिलेगा। हर प्रकार का उद्योग-धंदा संगणक के माध्यम से करना पड़ेगा जैसे टैक्स भरना, पुरानी जानकारी रखना, हर वस्तु की खरेदी-विक्री हर कंपनियों द्वारा कर (टैक्स) भरने से देश की आर्थिक, सामाजिक और भौतिक स्थिति सुधर जाएगी।

कुछ समय बाद भारत भी अन्य देशों की तरह विकसित और कुशल देशों की सूची में से एक होगा। यहाँ भी मनुष्यों के साथ यंत्र मानव (रोबोट) कार्य करेंगे। यंत्रमानवों के आ जाने से मनुष्यों द्वारा किया जानेवाला कार्य शीघ्र होने लगेगा। यंत्रमानवों द्वारा कम समय में अधिक कार्य संभव होगा। वर्षों बाद अंतरिक्ष में मंगल ग्रह पर भी सजीवों अर्थात मनुष्यों का बसेरा होगा। मंगल

ग्रह पर लोग रहेंगे। वहाँ भी पानी और हवा की खोज होगी। मनुष्य द्वारा ऐसी त कनीकी का विकास होगा जिससे आसानी से वहाँ पहुँचा जा सके।

**"एक धारा हैं, एक गगन हैं, एक पवन, एक पानी।**

**मजहब बने अनेक, एक हैं हम सब हिंदुस्तानी। "**

जनसंख्या में वृद्धि होने से प्राकृतिक संसाधनों पर दबाव बढ़ जाएगा। कोई भी व्यक्ति इन संसाधनों प्राकृतिक संसाधनों का सही ढंग से उपयोग नहीं कर पाएगा। प्राकृतिक संसाधनों की कमी से कई प्राकृतिक आपदाओं का सामना करना पड़ेगा। जैसे अकाल आदि। प्राकृतिक संसाधनों की कमी महसूस होगी। जैसे फल, पेड़, डीज़ल, खनिज पदार्थ, गैस आदि। वर्षों बाद कोई भी काम हम संगणक के माध्यम से ही कर पाएँगे। लोग बिना दफ्तर जाए अपना काम घर पर कर सकते हैं। घर का कोई भी सामान इंटरनेट के वजह से शीघ्र मँगाया जा सकेगा। लोग भ्रमणध्वनि (**Mobile**) और इंटरनेट से अपना काम शीघ्रता से करेंगे। आजकल के मोबाइल में ज्यादा समय व्यस्त/बरबाद करते हैं। आनेवाली पीढ़ी बिना मोबाइल के नहीं रह पाएगी। बच्चों को बचपन से ही मोबाइल की आदत लग जाती है। जिससे उनका मानसिक संतुलन बिगड़ जाता है। आनेवाले समय में लोग रिश्ते से ज्यादा मोबाइल और इंटरनेट को ज्यादा अहमीयत देंगे। ये तो एकदम सत्य हैं कि आनेवाला युग इंटरनेट(आंतरजाल ) में घुसकर उसी नेट (जाल ) में भटक जाएगा। मेरे मन में एक ख्याल आया कि "कोई मोबाइल को ले जाओ इस दुनिया से, वरना ये हमें ले जायेगा इस खुशहाल दुनिया से। "

**"हाथ-हाथ मोबाइल, उपफ उपफ मोबाइल।**

**सोते-जागते मोबाइल, उठते -बैठते मोबाइल।**

**खाते-पीते मोबाइल, आते-जाते मोबाइल।**

**"हाथ-हाथ मोबाइल, उपफ उपफ मोबाइल।**

हमारा आनेवाला भारत विज्ञान युग कहलाएगा। लोग विज्ञान पर ही अटल विश्वासू हो जाएँगे। हमारा अपना भारत भी अन्य देशों की तरह विकसित स्वच्छ। स्वस्थ, सुंदर, खुशहाल, डिजिटल, स्मार्ट और हरा-भरा दिखाई देगा। वर्षों बाद भारत नए रूप में नज़र आएगा। भारत एक ऐसा देश है जहाँ शांति और एकता के साथ विविधता मौजूद है।

**ऐसे भारत को हमारा कोटि-कोटि प्रणाम !**

**आज दूरध्वनी से रिश्ते दूर हुए**

**युवा सभी मोबाइल में चूर हुए।**

**न समय हैं, न भावनाएँ ,**

**क्या ऐसी भावी पीढ़ी बनाए ???**

**स्वप्न है हमारा कि हम महाशक्ति बने ,**

**लेकिन वर्षों बाद देश तकनीकी का गुलाम न बने !**

# CURRICULAR ACTIVITY

## 7.1 Debate Competition

### *Late. Shri Shankarrao Wakalkar Debating Competition*

**Late. Shri Shankarrao Wakalkar Debating Competition** was held at Indira College of Commerce and Science on **18<sup>th</sup> January 2020**.

“A Good debate is aimed at the thoughtful conclusion acceptable to all not just winning the verbal dual.” Debate, as considered as a verbal dual is actually a method of interactive and representational argument. Debate is a broader form of argument than battle of words. Students are full of ideas and arguments. They need a platform to channelize their energy and enthusiasm. It examines whether a conclusion is a consequence of thoughts, factual argument, rhetoric, which is a technique of persuasion. Debate improves with knowledge and skills of its participants as debaters. The outcome of a contest may be decided by the quality of argument by judges which in combination of the two. The Competition was held on 18th January 2020 at Pharmacy Auditorium.

#### **Subject for Debate:**

- \* India Don't Need Uniform Civil Code- For/ Against
- \* Competition was inaugurated by hands of Dr. Rahul Kharat
- \* The judges for the competition were Dr. Rahul Kharat and Mr. Dinesh Panikar
- \* In all 43 college teams had participated this year for the competition

*Dr. Rahul Kharat was the judge for the Debate Competition.*

*Individual Winner of Debate Competition.*

#### **Debate Competition:**

**Winning Team:** Mayur Subhedar and Shahruka Shah (Manikchand Pahade Mahila College, Aurangabad)

#### **Individual Prizes:**

- \* **1st Prize:** Mayur Subhedar (Manikchand Pahade Mahila College, Aurangabad)
- \* **2nd Prize:** Anish Tivari (MIT, Alandi), Riya Shrivastava (Balaji College, Ravet)
- \* **3rd Prize:** Ummersalema Karu (Saint Mira College)
- \* **Consolation Prize:** Pranita Bagmar (Suryadatta College)

*Winners of Debate Competition.*

## 7.2 I-MUN

Model United Nations is a simulation of the United Nations. Simply put, it is a diplomatic conference where delegates are assigned countries, and their job is to express their countries beliefs in the conference in order to pass favorable resolutions.

Indira Model United Nations is a two day conference being held in the ICCS campus, where students come together as delegates representing various countries to discuss, debate and pass resolutions regarding prominent issues faced by the world.

Different Councils and their agendas-

- 1) UNSC
- 2) UNODC
- 3) AIPPM
- 4) ECOSOC

At the end, a Question and Answer Session took place between the delegates Nigeria and Switzerland on the topic “Policy of Swiss Bank”. The delegate of Nigeria raised an argument regarding the concealed identities and how that leads to corruption. The delegate of Switzerland replied to it by saying that in 2019, they will be providing the data and the country helps in eradicating poverty of the whole globe. Swiss banks do look after certain data.

The conference ended with an entertainment session.

### AIPPM COUNCIL REPORT

Politics is a inevitable discussion. It is the representation of our hopes, beliefs and expectations. And when this hot topic is clubbed with dynamic leaders and current on goings, no one can really stay glued to their seat without expressing their views about it.

Udhav Thakre also agreed adding that article 370 was an exploitation of the very basic rights of the Kashmiri people and focused more on personal gains rather than the public. Devendra Fadnavis said that the article was “triggering”, meaningless and aided corruption and terrorism. It will also lead to better emilitariz of the funds Kashmir received for over all development and it could no longer kick out India saying it was a “free country” despite using the country's resources. The motion was further backed by Amit shah, saying that the article was always meant to be temporary, and if not, then why was a detailed procedure to scrap it produced and signed. Ravishankar Prasad added that it was reason for crime and prevented the application of 106 acts like child marriage act, manual scavenging etc.

Second day at the AIPPM council, began with even more enthusiasm as the possible effects of the application of Indian constitution in Jammu and Kashmir were brought up. The motion was passed by majority and brought in several different perspectives to the same story.

Sambit patra brought up several instances of development and digitization such as the Aadhar cards, the application of 106 acts those were previously not possible. Shri Modi Ji agreed that Kashmir must be treated the same to reflect their unity, and hence their flag now matches our own. Article 370 served as a shield to corruption and crime and now we can help build better foundations and give the state access to basic rights. It is a win-win situation for all.

The other side of the coin; abuse, overlooked disappearing, curfew, increase in violence, police brutality was also brought up.

The motion of the aftermath of Article 370 on education and employment was issued by H. Kaur Badal and about the development of Ladakh. It was agreed that separate funds for Ladakh would prove beneficial for its development. Sambit Patra assured that the uranium abundance in the state is kept under supervision.

Further the motion to understand the impact of the abrogation of article 370 on international relations, was raised by Udhav Thackeray.

Raj Thakre said that Pakistan and so soon, USA was involved into a matter that was supposed to be an internal matter. Even the United Nations backed India on the matter and India invited 23 MP's of the European Union into the valley. This is raised a lot of questions from the opposition. In the midst of the heated house, our chair, Abhishek Acharya, had his fun and joined in with the delegates.

Political instability in the light of leadership vacuum was discussed and it was agreed that casteism further adds fuel to fire and deepens the cracks and sows seeds of sorrow and differences. Forceful Islam conversions, loss of identity of immigrants, etc were talked about. BJP called the article 'a mistake' of our late prime minister Jawaharlal Nehru. The party further pointed out that they have contributed more to the country's development in 5 years than the opposition did in over 70 years.

As for the solutions, all agree that trade and demilitarization should be promoted, keeping in mind the state and amount of change Jammu and Kashmir can stomach.

Shashi Tharoor stated that 'we need to take inspiration from the communist countries and supervise the market so that the companies don't go bankrupt and lead to emigration of the youth.'

Raj Thakre was in strong opposition of the high presence of army in local Kashmir and worried that it might have a bad impression on the public. He believed that the government should think about slowly demilitarizing the area. Sambit Patra on the other hand, believed the opposite, claiming that it increases the feeling of safety and patriotism.

The parties finally agreed upon keeping their differences aside and coming together in the name of development of J&K, as the house passed a memo suggesting new amendments in article 370.

# UNODC Council Press Report

## {AGENDA : Tackling the Syndicates of Human and Drug Trafficking}

### The Final Report Draft

Fight against drugs is not an individual war, it's high time that we come together and create awareness in the society. UNODC is amongst the leading fighter against illicit drugs and international crime. In this two day conference the committee discussed about the leading issues of the Drug and Crime affected countries in an attempt to solve it. The agenda for the conference was Tackling the syndicates of Human and Drug trafficking. Delegate of Maldives sets motion for Tackling syndicates of drugs and Human trafficking around the globe which was passed by the council. In which the root causes of drugs and human trafficking was taken into discussion. Here France put forth good point regarding the initiative taken by the them for drug rooms and red rooms.

In today's session we discussed about the solutions or methods how can one.....

The next motion that was discussed was the co-relation between drug and human trafficking. Delegate of Germany mentioned that the drug trafficking is carried out in sync with human trafficking. The drugs are sent with small children and women in order to avoid getting caught by the security checks and suspicion on which Kuwait and Colombia agreed. Later the conference deviated towards discussing steps to counter the production of drugs where the moderation of Drug farms was considered as a solution. The Delegate of Hungary pointed out that in Afghanistan the terrorist groups command over the drug manufacturing hence ruling the farmers and forcing overproduction and asks for the initiatives taken in order. Afghanistan explains about counter-narcotics police group which are established to over watch such terrorist activities.

## 7.3 NATIONAL CONFERENCE

8<sup>th</sup> National Conference on Recent Trends in Computer Science and Applications 2019-20

### CONFERENCE SUMMARY

This summary captures the two-day programme of invited talks, presentations, panel discussions and interactive dialogue at the 8<sup>th</sup> National Conference on Recent Trends in Computer Science & Applications, which took place from **19-20 Dec 2019** in Indira College of Commerce and Science, Wakad.

### DAY 1

#### Inaugural ceremony

The inaugural ceremony was graced by Honorable Chief Guest, Dr. N.S Umarani, Pro Vice-Chancellor of Savitribai Phule Pune University. IGI Group Director Prof. Chetan Wakalkar, Speaker Mr. Arun Mane from Arynasec.io, Advisory Board members and Directors of other institutes were present.

#### Inaugural Address

The inaugural address was delivered by the dynamic Vice-Principal Dr. Janardan Pawar who focused on the evolving trends in IT and emphasized on all aspects of emerging technologies especially Artificial Intelligence, IoT and Machine Learning and how it will impact human lives in the coming years. Also he made an appeal to all academicians, researchers and students to take up research positively and actively.

*Inaugural Address by Dr. Janardan Pawar*

## Address by Chief Guest

The address by the chief guest Dr N S Umarani was the finest motivation to the young gathering. He accentuated on constructive research work and how the new generation should cultivate their knowledge and efforts for the betterment of the society. He also shared that according to recent survey AI, Machine Learning and Data Science are the top emerging courses which are taken up by students all over the world.

*Keynote Address by Chief Guest Dr.N.S Umarani Pro Vice-Chancellor, SPPU*

## Vote of Thanks

Technical session: By Mr. Arun Mane, Founder & Director of Arynasec

## Title of talk: “Information Security”

In his interesting session Mr. Arun Mane showed how GPS spoofing can be done. He emphasized on the importance of security aspects of various information travelling over the web. He also encouraged students to take up many interesting DIY projects which can be done at low cost.

*Invited talk: By Mr.Arun Mane*

## Research paper presentations

*Participants presenting their research papers*

## DAY 2

On the Second day of National Conference research paper presentations of remaining participants were carried out which was followed by Valedictory Ceremony.

Valedictory ceremony

The valedictory ceremony was enriched by Chief Guest Mr. Sharif Malik, Solution Architect, N26, Germany who is also a proud Alumnus of Indira College of Commerce and Science

Address by Chief Guest:

Speaking to the audience Mr Malik emphasized on getting the basics right. His concise talk was focused being ADAPTABLE to change and always strive for perfection.

*Chief Guest Mr. Sharif Malik while addressing the audience*

## DAY 2

### Winner 1 (Best Paper prize)

Vrushali Limaye & Shriya Bhonde from Fergusson College

Paper Title: Encryption & Decryption using Graphical and Mathematical Measures

### Winner 2 (First consolation prize)

P. Suryanarayan Reddy, Hyderabad & Avinash Shingte, ICCS

Paper Title: Jotting Email Server hoisted from Users

### Winner 3 (Second consolation prize)

Utpal Dutt & Athul Nair, Indira College of Engineering & Management

Paper Title: Hierarchical clustering & comparative analysis of DOC2 and TRIDF for similarity index in antinational events.

*All winners at the valedictory ceremony*

*ICCS staff at Valedictory Ceremony*

## 7.4 STUDENT CONFERENCE

### 6th Student Conference on Recent Trends in Computer Science & Applications 20th December 2019

The conference was inaugurated by Chief Guest **Guest Mr. Atul Kahate**, author of Computer Science Books and visiting faculty at Symbiosis Institutes. The presiding dignitaries were Dr. Manisha Patil, Senior Software Architect, Globant Technologies, Pune, Dr. Janardan Pawar and Advisory Board members. The venue for the glittering inaugural function was Dhruv Auditorium.

Felicitation of Chief Guest Mr. Atul Kahate, visiting faculty at Symbiosis Institutes.

Student Conference Proceeding release

Dr. Manisha Patil, Senior Software Architect, Globant Technologies, addressing audience on Cloud Computing trends in IT Industry

Felicitation of Session Chair: Mr. Lakdiva . HOD, Department of Computer Science, Ram Krishna More College

Research paper presentation sessions evaluated by session chairs

## Valedictory Ceremony:

The valedictory ceremony was enriched by presence of Chief Guest Mr. Sharif Malik, Solution Architect, N26, Germany who is also a proud Alumnus of Indira College of Commerce and Science.

Chief Guest Mr. Sharif Malik, solution Architect, addressing audience emphasizing on getting basics right and strive for perfection.

## Best Research Paper Awards:

1st Prize:

Question Prediction using Natural language Processing by Piyush Thakare and katariya Talari SY B.Sc(CS), Indira college of Commerce and Science.

2nd Prize:

Study of AI in HR process and implementation of AI for Placement: at college by saurabh kate and Adarsh Kurrumali, SY B.Sc(CS), Indira college of Commerce and Science.

3rd Prize:

Gestures- The sign language Translator by Glenn Vednesan , Wadia College

Piyush Thakare & Katariya Talari SY B.Sc.(CS), ICCS, receiving 1st prize

6th student conference best paper winners

ICCS staff at Valedictory Ceremony

## 2<sup>nd</sup> National Conference 'Kalpa Sameeksha'

Theme:-Demographic Dividend: Demographic Transition and Problems of Population Explosion

Indira college of Commerce and science organized 2nd National Conference Kalpa Sameeksha on “Demographic Dividend: Demographic Transition and Problems of Population Explosion” on 19<sup>th</sup> and 20 December 2019. This two-day conference was organized for the researchers and faculty from commerce and management domain.

The conference was inaugurated by Hon. Chief guest Dr. N.S. Umarani, Pro Vice-Chancellor, SPPU. The conference was graced by Prof. Chetan Wakalkar, Group Director IGI, and the members of the editorial and other distinguished guest along with Principal Dr. Prakash Pandare, Vice -Principal Dr. Janardan Pawar, Vice Principal Shivendu Bhushan. The Key note address of the conference was delivered by charismatic vice Principal Dr. Janardan Pawar. focused on the importance of updating in current trends in IT sector especially in artificial intelligence, machine learning etc.

## Address by Chief Guest

Dr. N.S Umrani motivated faculty for research activity for improvement of education system in his inaugural speech. He expressed that research should be done for the betterment of the society. This is the requirement of the recent time to inculcate original research among students and researchers.

Economics & Management,

Prof. Shivendu Bhushan proposing the Vote of Thanks

## TECHNICAL SESSION

Dr. Sanjay Kaptan, former HOD, Dept. of Commerce, SPPU was the resource person for the second session and he spoke on “Demographic Dividend”. He gave very good view about demographic aspects of other countries as well as India. He co-relates GDP growth rate of countries with their demographic dividend.

Dr. Sanjay Kaptan addressing the Audience

The Research Paper presentations were judged by Mr. Azar Khan, Professor, dept. of Economics, MU College of Commerce, and Dr. Vinita Srivastava, ICCS. It was a thought-provoking session where in the participants presented their research papers and highlighted different aspects of demographic dividend. Three contestants emerged as winners of this competition. Dr. Jini Jacob bagged the 1<sup>st</sup> prize, Dr. Nandini Deshpande was awarded the 2<sup>nd</sup> prize and Ms. Diya Devere won the 3<sup>rd</sup> prize.

## 7.5 Readers Club Activity

To develop the knowledge and build interactions we arrange the Readers Club Activity Program once in a week. It's nothing but “Attend a library class” or Readers club activity through which we can provide platform for students and faculty members for discussing on various topics, current issues and heartening to the research activity. Readers club activity to be held in library reading hall for the convenience of everyone.

“Singing Therapy” by Prof. Clifford D'Souza

“Interview skills” by Dr. Nalanda Wani

“Financial Literacy” by Prof. Amol Gaikwad

“Save Girl Child” by Dr. Chandrashekhar Pawar

### National & International Days Celebration Activity:

**Celebration** acknowledging personal growth helps keep us on track and motivated towards our goals. As we celebrate the National and International Days i.e. The day of Dr. Babasaheb Ambedkar Jayanti, Mahatma Jyotiba Phule Jayanti, Dr. A.P.J. Abdul Kalam Jayanti (World Students Day), Gandhi Jayanti, Blood Donation Day, World Heart Day, Library Week, etc. We use this as an excuse to gather with the all staff & faculty members wi

The students that mean that most to us as we celebrate, we allow the stresses of life to fall behind, energizing ourselves.
