Vision

To be a front runner in providing refined education system to create visionary professionals and entrepreneurs enriched with innovation and leadership through integration of teaching and learning, advancement of knowledge, education and research fostering an equitable and productive growth in the complex global society.

Mission

To foster the success of our students and the community through innovative and flexible learning opportunities resulting in all round development with ability to excel in dynamic global society.

To empower all the students to lead productive lives and become contributing members of the community by applying their acquired knowledge and skills.

To be the center of excellence for creating holistic citizens inculcated with ethical, moral and social values in diverse culture.

To help prepare outstanding educators and research scholars through advancement in the profession of education focusing on innovative practices and sustainable development programs.

Our Inspiration . . .

MAKE CHANGE HAPPEN: DO NOT WAIT FOR CHANGE TO HAPPEN TO YOU

India has come a long way in its economic, social, and political evolution in the short space of 20 years. The geographical landscape, both urban and rural has changed and is unrecognizable from its 20 year vintage. Socially it has changed almost unbelievably to the extent that generation gap is not about between parents and children, but even within the generation. Thus, what a 30 year old has seen in his formative years is a matter of mere hearsay for a 15 year old! This is what evolution is all about and it happens almost imperceptibly. Yet, we must be aware of these changes and evolve along with the times. Else, we risk being stranded between the past and present and lose out on the future!

This is one reason why I have tried to keep pace with the onslaught of time – always ready for its relentless march – yet ensuring that I don't resist it, but adapt to it so that I do not get isolated in a world that has no place for misfits today.   The difference between misery and solace, sorrow and happiness is all about how we respond to changes in our lives. Once we learn to understand that change is the only constant and *reconcile* to it, rather than *resign* ourselves to it, we would have won the battle and come out supreme!

My advice to the young in age, and young at heart, always is to learn to make the most of the opportunities for growth which are now available in plenty as compared to a few years ago and to give 'change' a new meaning, by making it happen, rather than allowing it to dictate terms for you to adhere. Experience the immense satisfaction and happiness you get out of being able to successfully negotiate and win over change at every stage of life.

I wish all the best to my young friends.

Editorial

"Anubhuti enters into Seventh year with this publication, a budding tender plant flourishing into a self-contendingtree grounded firmly into the past and solidifying the future. The NAAC peer team also appreciated editorial team for their creative work which provides platform to staff members and students to showcase their hidden talent. The editorial board like every year went through a stupendous task of selecting and finalizing the best of the best creative material for the magazine. We are overwhelmed with the humongous response both by the students and the staff members with their drafts.

"When you write more and more personal it becomes more and more universal."

Writing is an act of reacting to the environment around you. An expression is a basic instinct of thoughtful mind and the act of writing is one of the fountain head of ideas that springs into poem or article. The writing comes to life when it meets its reader. Students are most enthusiastic budding creative expressionist who just need a platform to throw their ideas and emotions on the paper. A college magazine is there to capitulate all those expressions for the tasteful readers. "Anubhuti" is one of the most eagerly awaited moment for students, staff and all those associated with Indira family. The college magazine which showcases the literary expressions, social awareness and recognition to all the achievers in the academic and extracurricular activities, strengthens the internal bonding amongst the Indiraites as one family.

We tried our best to accommodate all the deserving articles and poems into the magazine hope this seventh edition of Anubhuti will set the bar higher with its interesting and novel material which will certainly astonish the reader. We would be delighted to receive your valuable feedback for motivation and self-retrospection.

IGI At A Glance

Shree Chanakya Education Society's
"Indira Group of Institutes"

Shree Chanakya Education Society (SCES), Pune, was established in 1994, with the explicit vision to provide sustainable impetus to the corporate and entrepreneurial abilities in the youth.

The realization that a robust framework of education is indispensable for the growth of global leaders, the visionary, **Dr. Tarita Shankar,** Chairperson, Indira Group, integrated her pursuit of excellence and articulated educational institutions, known as **Indira Group of Institutes** (IGI), which imbibe human excellence and demonstrate strong social values, with a single minded pursuit of developing the youth to become business leaders.

Unrelenting initiatives by the management team at Indira led to adding of multi-disciplines such as Management, Information Technology, Pharmacy, Commerce, Science, Engineering, Mass Communication and Architecture to the group. And growth has been as deep as it has been wide.

With 14 institutions, IGI now offers education right from Kindergarten to Doctorate level studies.

IGI believes in the economic independence of individuals. In this endeavor we aim to inspire our post graduate students to create a niche for themselves in the Indian Economic order first, and then compete globally. We owe our gratitude to the Indian Industry for consistently collaborating with us in this endeavor. Renowned industrialists have visited us and tremendously enhanced the morale of our students by sharing their vast knowledge and experience about entrepreneurial opportunities and foster a spirit of entrepreneurship amongst students.

Having traversed the journey of thirteen years we have ourselves made certain significant achievements which we are aware, are but the building blocks for achieving further heights.

· Indira is ranked amongst the top 2 B-schools in Pune, by the prestigious AIMA - IMJ.
· The same journal gave us a top 30, all India ranking on the parameters of Industry interface.
· Our students have shown good academic results and have been at the level of university ranking.
· The achievements of our students have enabled them to attract some of the best corporate recruiters.
· Indira Group of Institutes and our goodwill has enabled us to establish campus agreement with Microsoft for using different software.
· Our goodwill with Microsoft was further accentuated with Microsoft conducting workshops at Indira, for train the trainer modules.
· Business India has also ranked us amongst the top 3 in Pune for last 2 yrs.
· Our Institutes have received accreditation from various certifying bodies.
· Indira Institute of Management was the first management institute in Maharashtra to receive the accreditation from the NBA, New Delhi.
· We also have our audiovisual centers supported by Harvard Business School, Stanford, Pyramid Media and Tom Peters Company and we have vast collection of titles.

Indira is a group renowned for its commitment to the student – from toddlers to school going children, to undergraduate and postgraduate students – their total development- is it academic, personality, moral character, physical, sports and spiritual, we ensure the children entering our corridors leave as total individuals.

SOCIAL INITIATIVE @ INDIRA

INDIRA SUSTAINABLE MAHARASHTRA INITIATIVE (ISMI) LAUNCHED ON 26TH NOVEMBER 2015

Indira Group of Institutes (IGI) under the visionary leadership of its Chairperson, **Dr Tarita Shankar**, announces its vision – Indira **Sustainable Maharashtra Initiative (ISMI). The ISMI initiative was launched on 26th Nov, 2015.** IGI will set aside a corpus to help children of the farmers who committed suicide, **by sponsoring their education in undergraduate and post graduate programs at its campuses.** IGI feels that such farmer's children deserve better opportunities to live, hence its decision to help in this way. IGI accolades its Alumni who have taken the decision to support their Alma Mater in supporting this cause by sponsoring part of the education of the farmer's children. Under the ISMI initiative FIVE students from ICCS have taken admission for UG courses like B.Com, B.Sc(CS) and BBA(CA).

TIE-UP WITH ASEEM FOUNDATION
This is a tie-up to provide educational assistance (computer education) to students belonging to sensitive areas like Kashmir, Nagaland and Mizoram. The driving force behind Aseem foundations is Mr. SarangGosavi. Under this initiative the students of the above mentioned areas will be given admission (2 students in Std V, 2 students in Std VI, 1 student in Std XI Science and 1 student in Std XI Commerce).

Also through this foundation we will provide a platform to help them make sale of their apple and apricot biscuits which is made by small production units of Kashmiri residents.

SKIP A MEAL TO EDUCATE IN ASSOCIATION WITH SMILE FOUNDATION
Skip a meal - An endeavor to spread awareness and help the girl child. Indira has strongly believed in inculcating the principles of social responsibility in all our students - this is another important initiative to commemorate 20 years of Indira s journey . Come join us in 'Skipping a meal to educate' the underprivileged girl child.

Will you...?

You have your protocols follow them. You have your friends, use them. You have best friends, gossip with them. You have your personal opinions, share them. You have your problems, solve them.

You know your limits, overcome them. You have your family, be with them. You have your crush, tell him that you love him. You have your choice/s, make them. You have your life, love it, live it.

It is ok not to like someone or him. It is ok to blame someone or him. It is ok to hate someone or him for an instance. It is ok to avoid someone or him. It is ok to avoid a conversation with someone or him. Because he can accept anything, but he doesn't want to regret that he didn't tell you about how he feels about you, he used to have a crush on you, he used to like and now he is falling in love with you. He doesn't want to regret any one of the things.

What is the point of avoiding someone? Why you(especially girls) avoid conversation when someone tells you that he likes you? Is it a crime? Who the hell is he, alien? What if he just wants you to know, but don't want you to get hurt?

He just wants to express himself, and as he did, you avoid him? What if your crush also do the same with you, and then he avoids you the same way, you are avoiding him? You like your crush, you tell him the truth, he left you. End of your story.

He doesn't want to force you, to be with him forever. After telling you that he is having a crush on you or he likes you. Maybe he wants you to be you. Maybe he is just trying to tell you how he is feeling for you.

But what you want is, to have a little conversation with him. To be a friend to him. If you want the same, then what makes you think that someone, who is having a crush on you, doesn't want the things same as you? What difference does it make?

Falling in love with someone is easy, making someone believe that you love them is hard and not giving up on someone who doesn't give a damn about you is the hardest thing.
It hurts when someone is talking with you. It hurts when someone else holds your hand. It hurts when he doesn't see you around. And it hurts, even more, when he sees you every day, but he can't express his feelings for you. It hurts not to be with you every day.
There is always one more thing to say and to do if you listen to it carefully and act according.
You know what he would like to have:

He wants to be with the girl he loves on Valentine's Day. He wants her to love him back. And he wants relief from the wrenching pain of knowing that won't happen. friends Will you be that girl? Will you be his Valentine?

Tell him the truth

Tell him the truth
even though
it means
nothing to him
you know that
he means a lot to you

Tell him the truth
even though
you know that
telling him
isn't going to change
the way he thinks about you

Tell him the truth
because
that is not going to hurt
you the most
as much as
not telling him will do to you

Tell him the truth
everyday
even though
you know that
it is not going to work
the way you could have thought

Tell him the truth
because
you are not
going to regret
it for
rest of your life

Tell him the truth
because
the truth is that
everybody is going to hurt you
you just have to find
the one worth suffering for.

We can't Let this kingdom Burn

People scared to get out of their home
Scared to see what they're shown,
Numerous people dyeing each day
What we're doing, we're letting the world decay.
Mothers crying, their children are dead
People depressed over the life, they've led.
we need to help them, they're our brothers
we need to shelter our homeless mothers

Come on now, under the sun
There's no use in trying to run
Let's go do what must be done
we can't let this kingdom burn

Every drop of human blood is priceless,
We humans are making a disatrous mess,
No matter their religion, colour or breed,
We must provide them the help they need,
We need to pluck the courage and see,
The sad end of many families.

Come on now, under the sun
There's no use in trying to run
Let's go do what must be done
We can't let this kingdom burn
The dark side still had not won
We can't let this kingdom burn

There 25 Weird facts will sound totally false, but they're not of 3 shocked me!!
But go ahead and check for yourself.....

1. Russia has a larger surface area than pluto.

2. Oxford university is order than the Aztec empire.

3. France was still executing people by guillotine when star wars : A new hope hit theaters.

4. Nintendo was originally a trading card company.

5. If the sun were the size of a white blood cell then the Milkey way galaxy would be the size of the United States.

6. There are more stars in space than there are grains of sand on every beach in the world.

7. For every human on Earth there are 1.6 million ants.

8. The total weight of all those ants, however, is about the same as all the humans.

9. On Jupiter and saturn it rains diamonds.

10. Ten percent of all the photos ever taken where taken in the last 12 months.

11. Shakespeare made up the name "Jessica" for his play merchant of venice.

12. Your chances of being killed by a vending machine are actually turice as large as your chance of being bitten by a shark.

Answer these tricky Questions if you can!

1. A little girl kicks a soccer ball. It goes 10 feet and comes back to her. How is this possible?
Ans : Ever heard of gravity. She kicked it up.

2. A is the father of B. B is not the son of A How is this possible?

कविता

'घडघडनारे हृदय पानावर उतरत
आणि कविता जन्म घेते
मनाच्या गाभाऱ्यातून भावना स्फुरतात
अन् कविता फुलतात
ती माझ्या जीवनात आली अन् तिच्या
प्रेरणेने कविता स्फूरली
रंगतील रंग सांगती कळली
आणि कविता उदयास आली
कविता हृदयात जन्म घेतात त्यांवर
शब्दांचे संस्कार होतात
लेखनाने पानावर उमटतात
आणि कविता जन्म घेतात…''

दुष्काळ ….

''चुकीने चुकून यावे त्याने आता तरी
वाजवीत नगारे आणि करीत गर्जना
पाझरावी त्याची ओल खोल खोल
धरणीला न जावे तडे, न आटो आशेचे तळे
तू कारणावाचून गेलास दूर देऊनी कारण
व्हावी थेंबाची वृष्टी भुईवर अन्
व्हावे निरमळ रान शिवाराचे मन
नको ते जीण नापिकीचं आणि दुष्काळच
याव बहरून डोलत पिक जोमात
मेघांनी याव… ऱ्हाव मुक्कामी…
येता मुक्कामी यावे घेऊनी सोबत प्राण जे गेले
तुझ्यावाचून असा चिंब चिंब पडावा पाऊस.
जावा वाहून साऱ्या दुःखाचा बांध अन् गाळ…''

सदिच्छा!

आज आहे खूप काही बोलण्यासाठी माझ्याकडे
पण अंतरमनात दडवून ठेवले आहे
कारण ते माझ्या जीवनातील
प्रत्येक क्षणावर अवलंबून आहे.
वाईट वाटून घेऊ नकोस
आहे विश्वास स्वतःवर
जिंकून जग कथन करेन
मनातील भाव एकदा
तुझ्या एका विचारात रात्र
सरे माझी
काही कळेना दिवस
कसा मावळे
म्हणून म्हणतो माझ्या मना
तुझ्या मना
आठवून असू दे आपण फिरलेल्या
वाटेवरच्या त्या पाऊलखुणा
– स्नेहा गोरे

बाळा तुझी आठवण येईल
घरामध्ये वावरताना तुझ्या,
लुडबुडीची जाणीव होईल,
डोळ्याच्या एका कोपऱ्यात,
अश्रू देऊन जाईल।।
आठवतील तुझे लहानपणीचे,
बोबडे, तोडके–मोडके बोल।
तेव्हा माझ्या कोरड्या घशातून,
फुटणार नाहीत स्वर।।
जेवायला बसल्यावर बाळा
तुझी जागा रिकामी राहील।।
ती जागा बघून आमचे,
मन खूप भरून येईल।।
एकटीच्या तुझ्या जीवनात
सुरवात नव्याने कर।
आई बाबा ऐवजी बाळा तू,
सासू–सासऱ्यांवर प्रेम कर।।
भावा सोबतची भांडणे विसर,
सुखीसंसारात नणंद, जावेवर प्रेम कर।
तुझ्या पतीचा आदर कर,
तुझा संसार राजाराणीचा कर।।

बेटी

एक बात जो मेरे दिल में है,
सबको बतलाना चाहती हूँ,
मैं बस अपने माँ–बाप की,
बेटी कहलाना चाहती हूँ।
हर रोज़ सुबह जल्दी उठकर
हाथ माँ का बटाना चाहती हूँ
गलती गर हो जाए मुझसे,
फिर माँ को मनाना चाहती हूँ,
आकर इस पावन धरती पर
मैं भी मुस्कान चाहती हूँ,
मैं बस अपने माँ–बाप की,
बेटी कहलाना चाहती हूँ।
करके कुछ नटखट शैतानी,
भैय्या को सताना चाहती हूँ,
रक्षाबंधन में भैय्या से,
तोहफें मँगवाना चाहती हूँ,
मैं बनकर एक नाज़ूक सी कली,
घरआँगन महकाना चहती हूँ
मैं बस अपने माँ–बाप की,
बेटी कहलाना चाहती हूँ।
कंधों से मिलाकर मैं कधा,
आगे बढ जाना चाहती हूँ,
बेटी नहीं कम है बेटों से,
सबको दिखलाना चाहती हूँ
बापू की इज्जत बनके उनका,
सम्मान बढाना चाहती हूँ,
मैं बस अपने माँ–बाप की,
बेटी कहलाना चाहती हूँ।

मी एकटाच....!

''पेटवून झाली सर्व सुखे
घायाल उभा मी एकटाच,
झाले गीत सर्वची गाऊन
तरीही मी उभा एकटाच,
झाले सर्व अभिनय करून
तरीही विहरतो मी आकाशात एकटाच,
झाले जग सारे निद्रिस्त तृप्तीने
रात्रीत गातो गीत मी एकटाच....''

This year the activity *role play* was newly introduced. Through which the fundamental concepts of banking and economics were clarified to students. Accounts quiz was specially organized for B.Com & BBA students. BBA (CA) students participated in IT Quiz. Faculty members of B.Com BBA, BBA(IB) & BBA (CA) work tirelessly under the guidance of Dr. Anjali Kalkar, Principal ICCS

Management Club Activity

Management association is liaison between academics and industry as Indira College of Commerce and Science links itself with industry to bridge the slit and tries to enhance industry oriented exposure to the students.

This activity is featured with the objectives of:

i) Building and conducting learning environment through pedagogy training.

ii)To encourage innovations in Management Education through active sharing and by exposing students to industry relevant projects and environment.

iii) To boost up the career of students by giving them more opportunity for job, to bridge the gap between industry and academics and to encourage students to start their own firm.

To train students as per industry need through Marketing Club, Finance Club, HR Club, International Business Club and Ethics and Morality Club.

Extra Curricular activity

SOCIAL RESPONSIBILITY INITIATIVE

At Indira, We believe that it is the responsibility of each and every student to be sensitive towards the environmental problems and socio-economic problems of the nation. Business and society can co-exist peacefully only if we all believe in the doctrine of sustainable development.

Our students are encouraged to organize and participate actively in **Tree Plantation Drives, Electronic Waste Collection Drive, Sanitation and Cleanliness workshop at Zilla Parishad School, Tathwade , Cleanliness drive at Karla caves (Historical places) under Swaccha Bhart Mission, World Wide Fund for Nature campaign , Awareness program on Sanitation and cleanliness under Swaccha Bharat Mission , Police Mitra Activity etc.** Indira College of Commerce and Science, did plantation at dunned hills surrounded Khed Shivapur and Shelkewadi (Pimpoli) in Mulshi Block of Pune district. As this village is undertaken for NSS program, where plantation was taken as major activity. About 500 plants of Indigenous varieties had been planted on July 2017 and December 2017. The Department of Forestry and Environment Conservation Association helped the students.

On 17th December 2017 the drive on E waste collection was conducted. About 160 students of ICCS was participated with great deal of enthusiasm. The program was conducted in 300 societies of PCMC area. Approximately four tons of waste was collected by students including 60 working computers, 12 freezes, 35 washing machines, 300 kgs of defunct mobile charging cables. Most of material is recycled and reused after maintenance. The government official from PCMC, Environment Conservation Association and ICCS jointly implemented the drive, which is appreciated by PCMC residents and Media. These activities form as an integral part of the social responsibility initiatives at Indira.

NATIONAL SERVICE SCHEME 2017-18

NSS camp of Indira College of Commerce and Science was organized from 12th December 2017 to 19th December, 2017 at Shelkhewadi-Pimpoli Tal: Mulshi Dist: Pune, 30 Kms from college. This village is adopted by SPPU after 1st camp held by this college to make it as a smart village. College NSS Program officer Prof. Sumit Sasane and Prof. Dr.Chandrashekhar Pawar along with 25 NSS Volunteers executed this program successfully through various social activities.

BLOOD DONATION CAMP UNDER NATIONAL SERVICE SCHEME

The blood donation camp was arranged on 5th December 2017 at Indira College of Commerce and Science, Pune with the help of "Morya Blood Bank, Pimpiri- Chinchwad". The NSS volunteers and other ICCS students participated in the event with full enthusiasm. Total 157 donors has donated their blood in this program.

As dengue was widespread in the month of November and December 2017, a chronic shortage of blood had been reported in the blood banks of PCMC and Pune area. So this activity was beneficial to citizens of PCMC area.

Under the Guidance and encouragement of Dr. Anjali Kalkar, Principal and Dr. Janardan Pawar, Vice-Principal this camp was organized and it was grand success. Prof. Sumit Sasane, Program Officer and Dr. Chandrashekhar Pawar, Assistant Programme Officer took great efforts to organize the camp.

Monograph on EXIM Bank Maneuver in south Asian context

It is rightly said that anything worth doesn't come easy, as there is no substitute for hard work "the best example for this is the students of ICCS of International Business Specialization who have been working on a manuscript written on single topic with different dimensions known as monograph.

Here the students of ICCS of IB Specialization and Club have attempted to do a written theory based on Import Export known as AAYAT **NIRYAT SINDHU** which consists of 7 various South Asian countries as Malaysia, Japan, Indonesia, Vietnam, Bangladesh and Republic of China throwing light on topics such as Trade Finance, Trade and Investment, Trade Scope, Trade Barriers, Samurai Bonds and Textile industry with Exim Bank of India as the center source respectively.
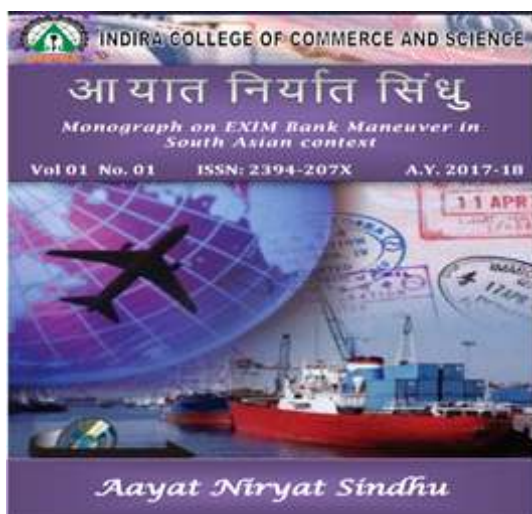

Release of Monograph – AAYAT IRYAT SINDHU Vol 01. Issue 01 Bearing ISSN : 2394-207X for Academic Year 2017-18

Activities under Science Association in 2017-18

1. PI APPROXIMATION DAY 2017

The celebration of Pi day was started 10 years ago and this year too , the celebration was a triumph and a successful event with the count crossing 1500 participants, where it was started years ago only with handful of 30 students.

Earlier it used to be an inter-class competition and now gladly, it is an inter college level competition. This year Indira College was very fortunate to have the participants from 12 colleges and schools in and around Pune. From each college, top three scoring students were awarded with winning trophies, Cash prizes respectively and every participant got a participation certificate. The most highlighting part of the event was the feedback from the colleges. They requested us to continue the competition and also to include high school students whereas it is presently for junior college students only.

Overall it was a very good experience and looking forward to host it for years to come.

MANAGEMENT ASSOCIATION

JSTIBUE LaREVIEW (Management Book Review)
The Management Book Review is an event conducted by the S.Y BBA & BBA (IB) student of ICCS. MBR is a very interesting & mind twisting activity where in the participants actually tries to picture the given book to us and argot the book as per their understanding in accordance with their respective targets.
MBR is carried out because it culminates an interaction between the students and the author, virtually.
The participants squeeze their brains to generate a box full of innovative ideas to visually showcase the book in front of the audience.
MBR has high virtues in its existence. It actually makes one read the book, increase their knowledge and not only them, but the whole audience is acquainted with the book and a strong curiosity is developed to know more about the book which is turn promotes book reading.

SY BBA and BBA (IB) Performig in JSTUBUE LaREVIEW (Management Book Review)Activity Conducted By: SY BBA & BBA(IB) Indira College of Commerce and Science, Batch 2016-19

HR Club Activity:
Students can improve their personality, knowledge and skills after undergone through pragmatic knowledge. We BBA Department initiated an activity to provide additional input in terms of practical knowledge via HR CLUB ACTIVITY for only HR specialization students, TYBBA. This year, we organized Recruitment and selection process for TYBBA & TYBBA(IB) students. Through this process, HR students understand step by step activity which happens in the organization for recruiting right candidate. Firstly, HR Students conveyed message about interview session to students by displaying notice on notice boards and posted on what's app groups. Secondly, they Created Personal detail file. After that, there are some elimination round through Aptitude Test, GD. Finally talented students selected by expertise of our department. We provided Appointment letter as recognition to that selected students.

FINANCE ACTIVITY - A Mock Stock Exchange Activity

About the activity:
A Mock Stock Exchange activity was conducted by the Finance Club of ICCS where all the finance students had participated. It showcased a market where shares could be bought or sold by the vendors.
Six companies were chosen to be listed in the share market list. Participants were able to buy or sell their shares of any of these companies. Every participant was given 500 shares of each company at the starting of the event. News which could affect the share prices of the companies were announced while the event was taking place so that students could take hold of the opportunities and invest in the right company at the right time for greater profits.

Outcome of the activity:
Through this mock activity students were given a chance to enhance their knowledge about the stock market and learn how to deal in the exchange process. Participants learned how a Stock Market works and how investors invest. It helped them to understand the market practically.
This activity took part in 2 rounds which resulted in an enthusiastic crowd of students and made this mock stock exchange a success.

G.S.T. Activity
4th August, 2017

The activity was conducted by the students of SYBBA and SYBBA (IB) in the Reading Room, Dhruv, ICCS. The purpose of this activity was for a better understanding of the new tax policy implemented by the Government of India from 1st of July 2017. The presentation began with a strong and impactful introduction given by Neha Vyas a student of SYBBA. The faculty members were felicitated with roses by students at the entrance itself and were welcomed warmly. Following the tradition of Indira, the event began with the national anthem that was sung by everybody present at the location. Now, the highlight of the entire activity was amazingly performed skits. The skits were realistic, humorous, natural and carried messages that were conveyed to the audience with ease.
Overall the skits were the Midas touch to the whole activity.
The formal presentation was given in a subtle way. The topics were about why there is need of GST in India with pinpoint of intrastate GST (CGST & SGST), interstate GST (IGST) and UTGST, how GST will affect the consumers etc. The students had interviewed the "common man" as a part of the GST activity. This included businessmen, salon owners, electronic appliance dealers, etc. All the videos couldn't be played due to some technical issues. But that didn't really make any negative difference because of the impact that the other ones created. And the technical problem was excused by the audience.
The poster making of GST also became a significant part of the activity. The posters were very creative, neat and sent a clear message to the viewers. They were based on the effects of GST; a few portrayed the scenario of opposing and supporting political parties and also showed a comparison between earlier taxes and GST. The students concluded by saying that, "we as the citizens of this country can make some predictions but only time will tell the real impact of GST." And that we should try and be positive and supporting towards the government of our country. The skit, the presentation, the posters and the interviews, all things took place at the right time, in the right place and in the right way.
A few questions were raised by the faculty and audiences about the impact of GST on community traditions (Langars), GDP, conditions of farmers, etc. Overall the whole presentation went on with great co-ordination among the students who participated with all their enthusiasm and spark. They were praised well by the faculty members and the audiences and they were definitely worth all the appreciation received.
