1. Entrepreneurial Skills and NeuroLinguistics Programming Language

The seminar on Entrepreneurial Skills and NeuroLinguistics Programming Language, attended by 488 students on 3 January 2024, focused on essential skills for entrepreneurship and the application of NLP. It emphasized creativity, resilience, and risk-taking, highlighting the role of mindset in success. Interactive activities and case studies were used to illustrate key concepts, empowering students to apply these skills in their entrepreneurial endeavors.

2 Oil and Gas Conservation Week

Oil and Gas Conservation Week was observed from 16th to 31st January with the aim of promoting awareness about the importance of conserving these valuable resources. This initiative aimed to educate individuals and industries about the need for sustainable practices in oil and gas usage. Throughout the week, various activities such as online quizzes, webinars, and awareness campaigns were conducted to engage participants and spread the message of conservation.

During this week, 580 students actively participated in an online quiz focused on oil and gas conservation. This high level of participation demonstrates a growing awareness and interest among the youth in conserving our natural resources for a sustainable future.

3. Ignite-Innovative Ideas 2024

The Ignite-Innovative Ideas 2024 competition took place from 10th to 18th January 2024, in Innovation Week 2024, featuring categories for both IT and non-IT students. Two judges evaluated the ideas, and winners received certificates. Students are enthusiastic about implementing their ideas, with some planning to apply for copyright.

5. Skill-Up Final Years –Placement Assistance

SkillUp Final Years, a campus recruitment training program, commenced on January 8th, 2024, from. The program aims to enhance students' employability skills and provide placement assistance. A total of 430 students registered for the training, reflecting high interest and participation. The program is expected to equip students with the necessary skills and confidence to excel in campus placements and secure rewarding career opportunities..

7. Industrial Visit to Sula Vineyards

www.iccs.ac.in

On 12th, 17th and 30th January 2024, Indira College of Commerce and Science's BBA, BFM and B.Com department organized an Industrial Visit for students to Sula Vineyards, Nashik. The visit provided hands-on knowledge of winery tourism, industrial processes, and core management concepts. Students learned about winemaking stages, saw advanced machinery, and sampled six types of wines. They also observed the corporate culture and learned wine-serving ethics..

8. Netaji Subhashchandra Bose Birth Anniversary

To commemorate Netaji Subhash Chandra Bose's 127th Birth Anniversary, a Photo Worship was held in the library on January 23. Additionally, an online quiz was conducted to promote national integration and raise awareness about Netaji's life and contributions to the Indian Freedom Struggle. The event aimed to inspire students with Netaji's ideals of patriotism and courage.

9. Republic Day

www.iccs.ac.in

The Republic Day celebration on 26th January 2024 included the hoisting of the national flag, cultural performances showcasing India's diversity, and a speech emphasizing the Constitution's values. Students participated enthusiastically, and the event concluded with the distribution of sweets and a pledge to uphold India's democratic ideals.

11. National Tourism Day

www.iccs.ac.in

On 25 Jan, 2024 National Tourism Day, the ICCS Yuva Tourism Club conducted an Audio-Visual Activity on "Heritage Transport: The Pride of the City." Students virtually explored Mumbai's BEST Transport, the Shimla Queen Railway, and the Neral Mathern Toy Train. They learned about these heritage sites and booking ticket techniques, also gaining insights into earning pocket money as a business partner.

12 Moot Court Competition

www.iccs.ac.in

A Moot Court Competition was held on 29th January 2024, attracting 175 student participants. The event featured resource persons Adv. Nidhi Chauhan and Adv. Sohail Shaikh from the Bombay High Court. Their presence added significant value, providing insights into courtroom procedures. The competition provided a platform for students to showcase their legal acumen and presentation skills, offering a valuable learning experience..
