ABOUT THE CONFERENCE

National Conference on Emerging Trends in Computer Science and Applications will be a national forum for researchers and practitioners interested in the advances and applications of emerging trends and future inventions in Computing Technologies. The goal of the conference is to promote scientific information interchange among Research Scholars, Academicians, Students, Industry Experts and Scientists.

KEY NOTE SPEAKER

Dr. R. Ganesan, Chartered Accountant, Chief Financial Officer of Modern Education Society Pune, Strategy and Business Consultant, Leadership Facilitator, Success Coach and mentor, Innovation expert and assessor of thinking preferences and behavioral attributes will speak on "INNOVATION IN AN ERA OF AUTOMATION: BEYOND AI."

SCOPE

The National Conference on Emerging Trends in Computer Science and Applications aims to bring together researchers, academicians, professionals, and students to discuss the latest advancements, trends, and innovations in the field of computer science and its diverse applications. This conference provides a platform for exchanging ideas, sharing research findings, and exploring new technologies that drive innovation in computing and its interdisciplinary applications.

Papers are invited on original and unpublished research areas of Computer Science & Applications. The areas of interest include, but are not limited to:

Computer Science and Applications

- Cloud Computing
- Image Processing/ Pattern Recognition
- Networks/ Network Security/Mobile Computing
- Artificial Intelligence & Machine Learning
- Big Data Analytics
- Data Science & Data Analytics

CALL FOR PAPERS

We are pleased to invite Industry Professionals, Academicians, Research Scholars, and Postgraduate Students to participate in our upcoming conference and take advantage of publication opportunities.

All papers (after due acceptance) received for conference will be published in Conference-Proceeding with ISBN. After a thorough review process, selected papers that meet the required quality standards will be published in peer-reviewed/UGC-CARE listed/Indexed journals, subject to any applicable processing fees. All selected papers will undergo the respective journals' peer-review process, and publication will depend on successfully passing this review.

Final acceptance of the papers, in accordance with the journal's norms, will be communicated to the authors only after the papers have been presented at the conference.

GUIDELINES

Authors are requested to submit their full-length papers as per instruction given below:

- Research papers describing original and unpublished results of conceptual, constructive, experimental, applied and theoretical work or research. Submission of a manuscript implies that it is not under consideration for publication elsewhere.
