BEST PRACTICE-II

1. **Title of the Practice**: Cyber Security Awareness Week

2. Objectives of the practice:

- ✓ To create cyber awareness among the fellow citizens and to create a safer and secure digital world.
- ✓ The objective is to support them in obtaining the skills and knowledgerequired to work, and knowing when to raise any concerns

The Context:

What does it mean to stay safe online in 2022? So much of what we do in our personal and professional lives occurs over the Internet, and rarely do we think about the information security threats that we face. Yet, it's something that we absolutely must do. An effective awareness program should complement thewaypeople work rather creating rules that hinder ability to get their jobs done. The objective is to support them in obtaining the skills and knowledge required to work, and knowing when to raise any concerns.

Evidence of Success:

- ✓ Apply critical thinking and problem-solving skills to detect current and future attacks on an organization's computer systems and networks.
- ✓ Effectively communicate in a professional setting to addressinformation security issues.

BEST PRACTICE-III

1. Title of the Practice: Entrepreneurship Encouragement Program (EEP)

2. Objective of the practice:

- a. To solve the problem of unemployment
- b. To make student aware about business opportunities.
- c. To make student aware about support system.
- d. To present student few role models in entrepreneurship

3. Context of the practice:

One of the finding of research in entrepreneurship is that out of 100%, 15% people possess the potential for becoming on entrepreneurs. At present the number of population in entrepreneurship is hardly 1 or 2

%. It shows that there is a scope for 13 to 14 % population to go for entrepreneurship. Here the obstacle is awareness about entrepreneurship. Training plays an important role in any aspects of life, Awareness, Opportunity guidance, career guidance, plays important role in training. Once you make people aware about entrepreneurship they will start thinking that it can be one of the career choices for them. EAP technology will start working in his/her mind and there is a possibility of changing his / her mind set.

4. Evidence of Success:

- ✓ Student came up with their idea on self-employment
- ✓ Many students aspire to be small scale or micro entrepreneur
- ✓ Students are communicating with Swavlambi Bharat Abhiyan organisation for further assistance.
