Happiness Quotient Session

(Resource person Mr. Parvej Mantri with students)

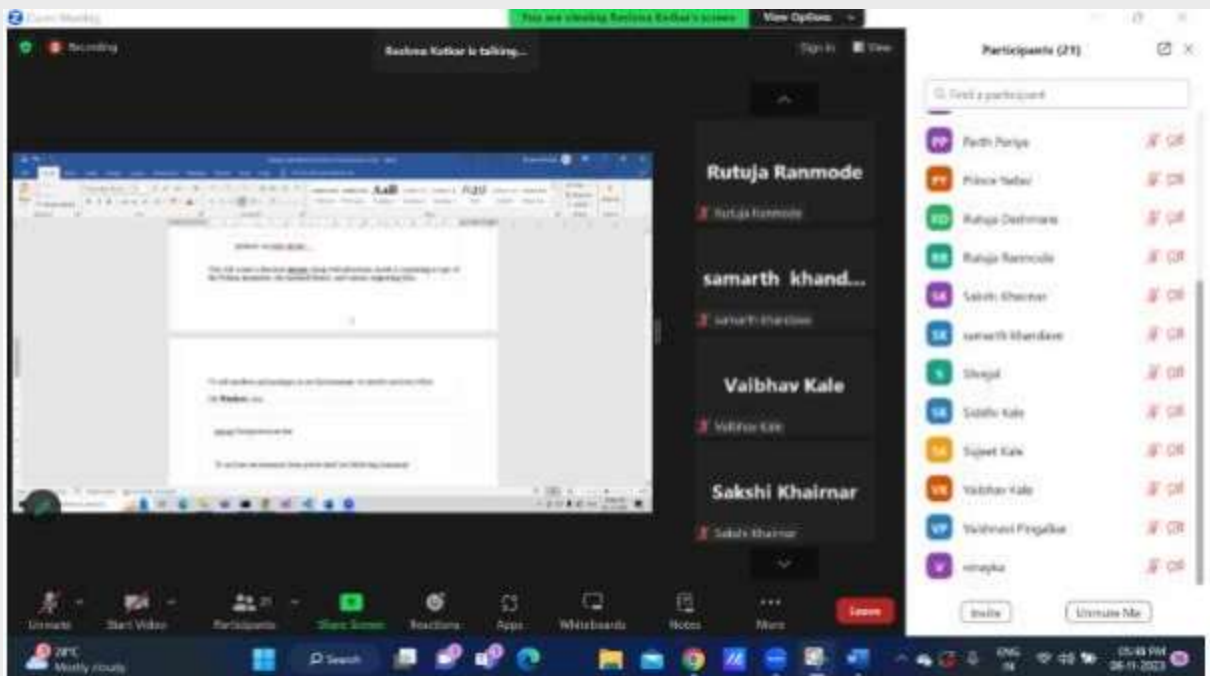

Our recent Happiness Quotient Workshop on November 18, 2023, organized by Dr. Dhanashri Kulkarni, was a resounding success, engaging 272 attendees throughout the day. The workshop featured distinguished resource persons: Mr. Manoj Anchan, Mr. Parvej Mantri. The workshop was structured into three informative sessions. Each session delved into topics promoting mindfulness, critical thinking, and relationship building, contributing to the holistic well-being of the participants. The engagement and enthusiasm observed throughout the day underscore the significance of integrating such initiatives into our educational framework. This event exemplifies our commitment to fostering a supportive learning environment, nurturing not only academic excellence but also the mental and emotional development of our students.

Health Awareness For Female Faculty At The Women's Dignity Cell

The Women's Dignity Cell is a vital advocate for women's rights and empowerment within our institution. Through awareness campaigns, counseling services, advocacy efforts, and skill development initiatives, the cell works to create a safe, inclusive, and equitable environment for women. By fostering dialogue, education, and community engagement, it strives to dismantle barriers to gender equality and promote the dignity and well-being of women. ICCS organized a guest session on naturopathic treatment for female faculty at the Women's Dignity Cell. Dr. Arati Shitole, a naturopathist, shared her insights, making it informative and thought-provoking

“Django”- Guest Lecture

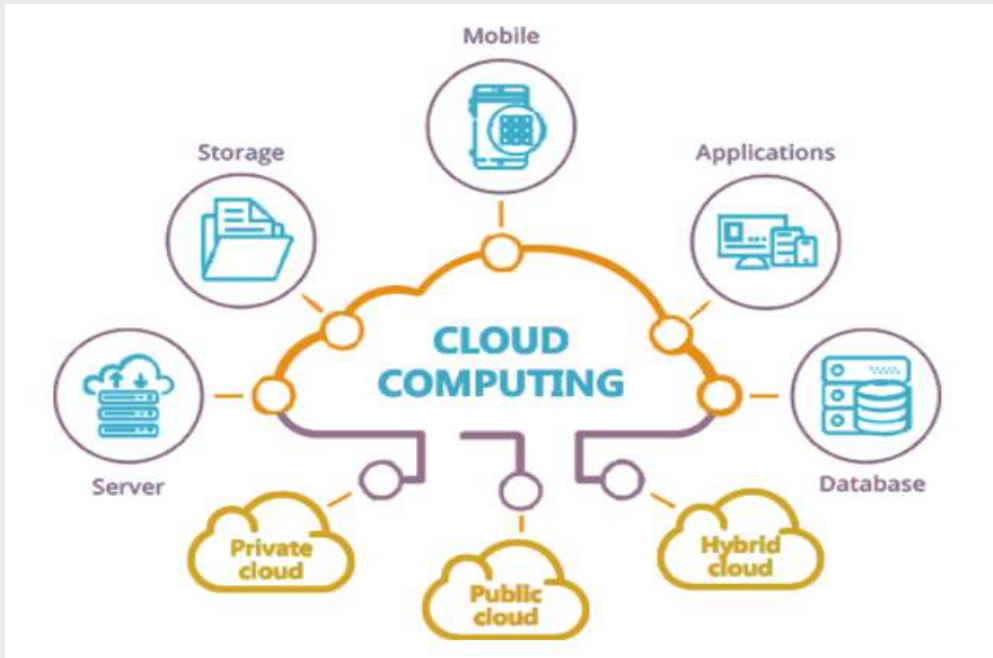

Our institution hosted a succinct yet informative guest lecture on 8th November, 2023, focusing on the Django web framework. Attendees gained valuable insights into Django's architecture, features, and practical applications in web development. The event facilitated interactive discussions and showcased Django's efficiency in building scalable and secure web applications. In total 50 students attended the session.

Revealing Insights into Criminal Behavior: Exploring Patterns and Trends through Machine Learning Predictive Models

Mr. Jatinkumar Harshwal, a T.Y.B.Sc. Cyber Security student, alongside Dr. Janardan Pawar and Dr. Manisha Patil, presented a research paper titled "Revealing Insights into Criminal Behavior" at the 2nd International Conference "Advancement in Smart Computing and Information Security" (ASCIS 2023). Held on December 8th, 2023, at Marwadi University, Rajkot, Gujrat, in collaboration with Springer (CCSIS), their paper explores machine learning predictive models to analyze criminal behavior patterns. This contribution aids in proactive crime prevention strategies, showcasing their commitment to advancing cyber security knowledge. Their participation in ASCIS 2023 highlights their dedication to interdisciplinary collaboration and innovation in smart computing and information security.

Workshop on Cloud Computing

Our institution conducted an insightful workshop on Cloud Computing on December 4, 2023. The workshop provided attendees with a comprehensive understanding of cloud computing principles, technologies, and applications. Led by industry experts, participants explored topics such as cloud architecture, deployment models, and cloud services. Practical demonstrations and hands-on exercises enabled participants to gain practical experience in leveraging cloud platforms for various purposes. The workshop facilitated networking opportunities, allowing participants to connect with peers and experts in the field. Overall, the workshop on Cloud Computing served as a valuable platform for enhancing knowledge and skills in this rapidly evolving technology.

Identification of Research Problem and Introduction to Literature Review

Our institution hosted an enriching guest lecture on the topic of Identification of Research on December 9, 2023. Led by an esteemed expert in the field, the lecture provided attendees with valuable insights into the process of identifying and formulating research topics and questions. Participants learned about various strategies and methodologies for conducting literature reviews, identifying research gaps, and refining research objectives. Practical examples and case studies were shared to illustrate effective approaches to research identification. The lecture encouraged interactive discussions, allowing participants to engage with the guest speaker and explore different perspectives on research identification. Overall, the guest lecture on Identification of Research was highly informative and beneficial for attendees seeking guidance in initiating their research endeavors.

'National Integration Week (Quami Ekta Week)

National Integration Week, also known as Quami Ekta Week, is observed annually from November 19 to November 25 in India. It aims to promote unity, harmony, and solidarity among the diverse communities of the country. Various activities and events are organized during this week to celebrate the rich cultural heritage of India and foster a sense of national pride. The week serves as a reminder of the importance of social cohesion and mutual respect, regardless of differences in language, religion, or region. It encourages citizens to uphold the values of unity in diversity and work towards building a harmonious society.

National Navy Day

National Navy Day is celebrated on December 4th each year in India to honor the achievements and contributions of the Indian Navy to the country. On this day, various events and ceremonies are organized across the country to showcase the prowess and capabilities of the Indian Navy. Additionally, at our college, we conducted an awareness survey to educate students about the significance of National Navy Day and the role of the Indian Navy in safeguarding the nation's maritime interests.

Mahaparinirwan Din

Mahaparinirvan Din, observed on December 6th, commemorates the death anniversary of Dr. B.R. Ambedkar, the chief architect of the Indian Constitution and a prominent leader in the Indian freedom struggle. On this day, people pay homage to Dr. Ambedkar's legacy and contributions to social justice, equality, and the empowerment of marginalized communities. It serves as a reminder of his ideals and teachings, promoting social harmony and inclusivity in society. Various events and programs are organized across the country to honor Dr. Ambedkar's memory and reaffirm commitment to his vision of a just and equitable society for all.

Human Rights Day

In observance of "Human Rights Day" on December 10, 2022, Indira College of Commerce & Science, Pune conducted a brief survey to raise awareness among students. The college circulated a quiz link via email and WhatsApp groups to collect responses. A total of 171 responses were received and analyzed. Remarkably, the majority of students provided correct answers, indicating a high level of awareness and understanding of human rights issues among the student community.

National Pollution Control Day

National Pollution Control Day is observed on December 2nd each year in India to raise awareness about pollution control. Indira College of Commerce & Science, Pune, acknowledges this day and conducted awareness campaigns. We organized activities and a survey to educate students about pollution's impacts and solutions.

The Armed Force Flag Day

Armed Forces Flag Day, observed on December 7th, honors the sacrifices of armed forces personnel. Indira College of Commerce & Science, Pune, organized activities and conducted a survey to raise awareness and support for our armed forces.

"शांतता पुणेकर वाचत आहेत!"

The "Shantata, Punekar Vachat Ahet!" event held on December 14, 2023, at the Indira College of Commerce and Science Library was a great success. Pune-kars gathered to explore a diverse selection of books, fostering a sense of community and promoting the joy of reading. Attendees engaged in lively discussions and left with a renewed appreciation for literature. Thank you to all who attended and contributed to the event's success.
