'National Eye Donation Fortnight

Transformation Series

ICCS has organized a unique event, “Transformation Series,” in which differently abled personalities performed and interacted with our students. Ms. Geeta Poduval, the visionary founder and director of Drzya, Mr. Javed Chaudhari, an inspiring one-legged An international basketball player, Mr. Yogesh Kumar, and a mobility-challenged performer, Mr. Siddhija Ramesh, a visually challenged professional, showed the students that nothing is impossible in this world if you have the dedication and passion towards your goal. Students were highly inspired by these extraordinary personalities.

Anti-Ragging Awareness Week

14 Aug to 19 Aug, 2023

Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students, the practice is still perceived by many as a way of 'familiarization' and an 'initiation into the real world' for young college-going students. ICCS observed anti-ragging awareness week between 14 to 19th August 2023.

Transformation Series

In total 1026 students attended the event .

National Librarians Day

12 August 2023

On 12th August 2023, has been denoted National Librarians' Day in India. Dr. S.R. Ranganathan, who is known as the Father of Library Science in India, birthday is observed every year as National Librarian Day in India. The Government of India awarded Padmashri to Dr. S.R. Ranganathan for valuable contributions to Library Science. This year is the 129th birth anniversary of Padmashri Dr. S.R. Ranganathan. We celebrated this day by doing worship of Dr. S.R. Ranganathan Photo and pay honour to this legend.

World Organ Donation Day

World Organ Donation Day is observed on August 13 every year to spread awareness about the importance of organ donation. This day endeavors to encourage people to donate their healthy organs after death in order to save more lives. Donating one's organs is giving someone a new life. Anyone can volunteer to be an organ donor, irrespective of their age, caste, and religion. One can sign up to be a donor once they reach 18 years of age. This is a small survey on this occasion of the celebration of World Organ Donation Day. The following is the Google Form Link created for the purpose.

Quality Research Publication

On August 9, 2023, the Department of Commerce organized an enlightening session on paper publication for the research students. The session was graced by the presence of Dr. Shailash Kasande, CEO and Group Director, Suryadatta Education Society, Pune. With an impressive turnout of enthusiastic scholars, the event aimed to provide valuable insights into the world of research.

Webinar on “Role of AI and Edge Computing in Sustainable Ocean Health”

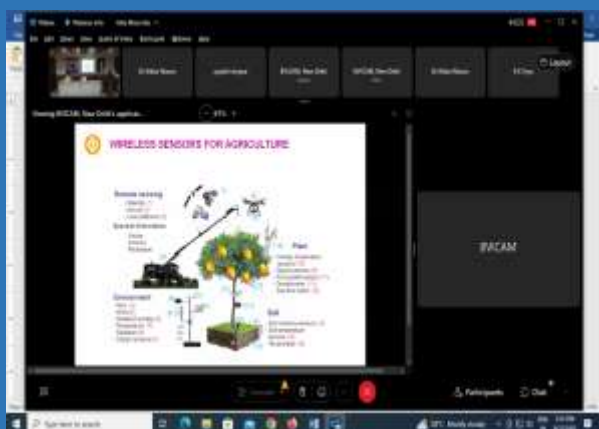

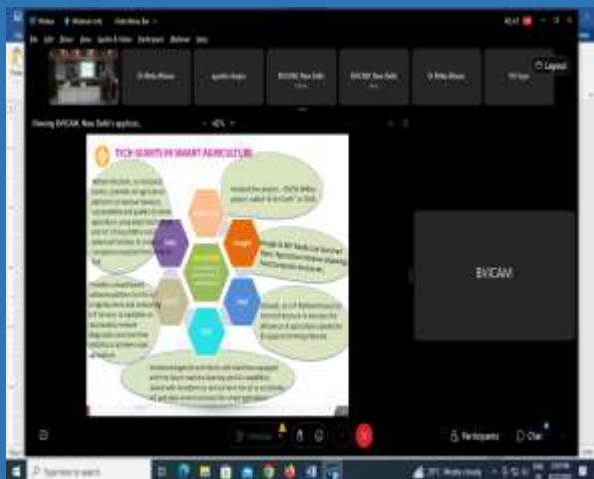

28/8/2023

ICCS organized a webinar for Growing influence of Artificial Intelligence (AI) in multiple venues has made it imperative to harness the powers of AI for Ocean Engineering. The influx of the Internet of Things (IoT) in generating wide coverage of sensor networks and edge Computing (EC) has paved the way for the investigation of underwater as well as massive marine data, thereby generating huge potential for credible research opportunities for the domains of AI, IoT, and EC.

IEEE Webinar

22/08/2023

ICCS organized IEEE Webinar by Bharati Vidyapeeth's BVICAM, Delhi on topic "The Applications of the Internet of Things (IoT) and Wireless Sensor Network (WSN) in Smart Agriculture" on 22 August 2023. Dr. Manisha Patil attended the webinar.

Alumni Interaction Week

ICCS had organized Alumni Interaction Week from 7th to 11th August, 2023 . To encourage, foster and promote close relations among the alumni themselves and to promote a sustained sense of belonging to the current students was the objectives of the interaction. The alumni are working with Technip FMC, Singapore, Druva Data Solutions, Accenture, NICE Systems and Xoriant etc. The professionals' experiences were shared with the students, who also gained insight into the most recent IT innovations.
