Theme(UNO)

Unleashing the power of gender equality: Uplifting the voices of women and girls to unlock our world's infinite possibilities

World Population Day (11 July)

World Population Day was observed by IOCS on July 11, 2023, by raising awareness through an online test. This examination was taken by IOCS students. The quiz was enthusiastically taken by 530 students in total.

Interesting Facts

- It took 12 years for the global population to grow from seven to eight billion.
- One of the world's most densely populated countries is Europe.
- Iceland has the lowest population density on the European continent.

A seminar was delivered by Dr. Chandrasekhar Pawar in honor of International Tiger Day on July 29, 2023, and 50 students were present.

International Tiger Day

Conservation Status:
•IUCN Red List: Endangered
•Wildlife (Protection) Act 1972: Schedule-1

Key Facts about Bengal Tiger:

- Bengal tiger (subspecies **Panthera tigris tigris**) inhabits the forests, and wetlands of India, Bangladesh, Bhutan, and Nepal
- Distinguished from other tiger subspecies by its orange coat accented by prominent brownish-to-black stripes

On July 26, the ICCS observed Kargil Vijay Diwas to honor the bravery and pride of the soldiers who participated in Operation Vijay. The day commemorates the Kargil War triumph of Indian troops against Pakistani forces on July 26, 1999, when they took control of mountain peaks. On that particular day, a speech by Professor Dinesh Pannicker was requested and 48 students were present.

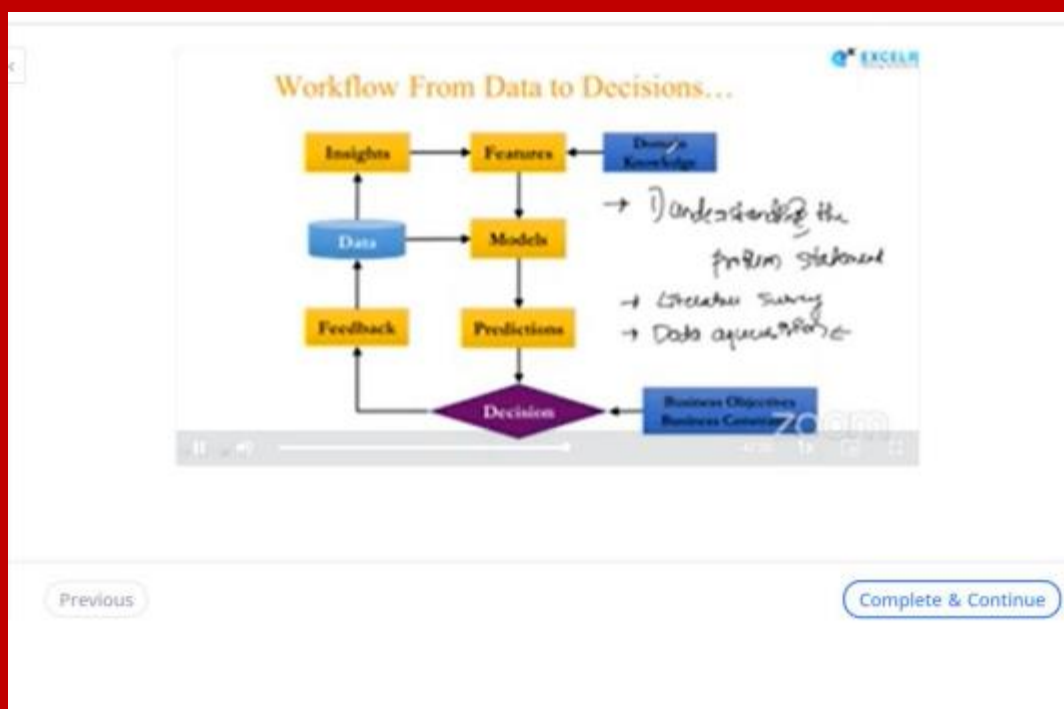

KARGIL VIJAY DIWAS

International FDP

'Deep Learning for NLP and Computer Vision'

From July 10 to July 28, 2023, the ICCS held a technical seminar on deep learning for NLP and computer vision. It was a live virtual training using a learning management system (LMS) to inform teachers about the actual notion of deep learning and how automated tools change into medical devices. to be aware of how to recognize elements like stop signs and traffic lights. The FDP drew 14 faculties.

Session on Climate Change

The ICCS hosted a technical seminar on several topics related to biodiversity preservation, environmental sustainability, and climate change. Dr. Harish Kumar Agre, an assistant professor in the department of environment science at the Symbiosis Skills and Professional University in Kiwale, Pune, was the instructor for the sessions. The FY B.Sc. students benefited from these sessions. 64 students attended the session.

FAST FACTS

1. Climate change is exacerbating both water scarcity and water-related hazards
2. About two billion people worldwide don't have access to safe drinking water today
3. Only 0.5 per cent of water on Earth is useable
4. s mangroves, seagrasses, marshes and swamps are highly effective carbon sinks that absorb and store CO₂

OMT

Outdoor Management Training (OMT) was provided by the ICCS to M.Sc. students in Khed Shivapur, Pune. Programs called Outdoor Management Training (OMDT) use adventure, experiential learning, and corporate outdoor training methodologies to support management development practices..

Awards & Recognition

Dr. Janradan Pawar sir and Prof Ravindra Sarje with Chairperson Dr.Tarita Shankar at World Education Congress

Awards & Recognition

At the 12th World Education Congress held at the Taj Lands End Hotel, Prof. Ravindra Sarje was presented with the Best Academic Administrator Award for Digital Innovations.
